Grain Markets Were Panicky—A Marked Decline Was Recorded—Cotton Lower—The Figures.

ON THE LONDON BOARD. LONDON, April 15, 11:30 A. M.—A feeble feeling prevailed in the stock market this morning.

Consols have declined to 107 1/2. This is 1/2 above the closing figure last night. Russian securities were advanced to 54.

Consols for both accounts are now 95 7/16. Consols are 95 1/2 for both accounts. Consols are 95 13/16.

ON THE NEW YORK BOARD. NEW YORK, April 15.—Government bonds quiet and unchanged except an advance of 1/8 for 4 1/2's.

Railroad stocks active and strong. Today's stock market has been a price to almost every one. The opinion was news this morning was interpreted as indicating a more peaceful outlook.

At first there were rumors of a favorable character regarding the Union Pacific's floating debt, but the points which carried the day were, first, the clarification of the usual 1 per cent dividend for the current quarter by a directors of the Pacific Mail.

The resolution which was adopted by Gould and which was unanimously adopted, provides that the Union Pacific and Pacific railroads be requested to transfer the business of their line, the Pacific line, between San Francisco and China.

The total sales were 355,894 shares, a net over yesterday of 190,000 shares. There were numerous rumors circulated during the day regarding the Union Pacific's floating debt.
