7,000 Doctors and 2,000 Hospitals

After Years of scientific research and thorough tests, over 7,000 doctors and 2,000 hospitals use and endorse for all diseases of the throat and lungs, and prescribe exclusively as a tonic and stimulant when the system is weak and run down from disease or overwork.

DUFFY'S PURE MALT WHISKEY

The doctors and hospitals as well as the people have learned that it does not merely fill the system full of drugs. They realize that a system wants in a tonic and stimulant to aid the circulation and lend artificial force to throw off the disease germs.

After Operation.

Myself and family never knew the value of Duffy's Malt Whiskey until recently, when my wife was afflicted with appendicitis, and operated on successfully by Prof. Gray of Christ Hospital, Jersey City.

Cured Consumption.

My experience with Duffy's Pure Malt Whiskey has been very satisfactory. In consumption and all conditions of the system requiring a stimulant no better agent can be employed.

Retained by Weak Stomach.

We have used Duffy's Pure Malt Whiskey and are now using it at this hospital. We consider it an excellent preparation. Used with tea it will stay on an irritable stomach.

103 Years Old.

Duffy Malt Whiskey Co., Rochester, N. Y. Jan. 1, 1902. Gentlemen—It gives me great pleasure to write you on the birth of my 103 years to thank you for the benefit your whiskey has done me.

DUFFY'S PURE MALT WHISKEY IS the true elixir of life. There is no other tonic and stimulant that will prolong life and keep the system free from disease like DUFFY'S PURE MALT WHISKEY.

It builds up and nourishes the body, it invigorates the brain, tones up the heart and prolongs life.

CAUTION—Our patrons are cautioned against so-called Duffy's Malt Whiskey offered for sale in bulk or in dunks and packages other than our patent bottle.

DUFFY'S PURE MALT WHISKEY is sold in sealed bottles only, and in no other form. It is the only whiskey recognized by the government as a medicine.
