THE HOUR HAS COME—He is here; the world's greatest living psychic palmist, Andre Zanpic; the brilliant star of his profession acknowledged by the press and public of two continents as the most remarkable psychic palmist of the day; different from all others; he can tell your name, age and condition without asking a single question. Are you unhappy, discontented or discouraged? If so come, he can and will help you. How many lives have been blighted, how many homes made sad and dreary for the lack of knowing the outcome of future events? Do not wait until too late and then regret he called while there is yet time. Zanpic is known from ocean to ocean, from gulf to gulf as the "seer of the two hemispheres;" he reads your past as though he lived it with you—the present as you know it to be—and with his seven the power he sees miles away into the future, unveiling for you the panorama of coming events. He does not ask you to have faith—he proves you have. Without asking a question he advises you in all affairs of life, love, marriage, divorce, health, business, property transactions, deeds, mortgages, lost or absent friends. If you desire to be more successful in a word, whatever may be your troubles, fears or ambitions call on the master of occult force, and he will help you. So confident is he that he can assist you, he guarantees to satisfy or no pay. If you wish to see a palmist, why not see the best? The most humble toiler will receive as courteous attention as the dwellers in marble halls. The New York Herald says: Men like Zanpic and Cheiro command the respect of the public. Major Lewis Ginter of Richmond, the tobacco king, says: Your advice has saved me thousands of dollars. Henry E. Dixey, the well known actor, says: He is a veritable wizard. Colonel Mann, editor of Town Topics, says: "Having heard of Zanpic's wonderful powers, I promised to give a certain amount for charitable purposes if Zanpic would answer three out of six questions for me. He not only answered the three, but all six correctly. He certainly is a remarkable man." Located in rooms 354-355 Mason building. Office hours, 9 a. m. to 9 p. m.; Sundays, 9 a. m. to 5 p. m. In order to advertise himself will give his full $5 reading for $1 for ten days; full rates after that date. 9
