Boys' Fancy Hats

A special sale. We have too many---because in some way the makers filled our orders twice, and on finding their error promptly sent us a credit memorandum rather than have the hats returned. We have accepted the offer so we have them at the following prices--still bearing a profit.

Little boys white felt with blue bands, brown with white bands, navy with red bands. A city favorite at 65c, a good one here at 50c;	35c

THERE WILL BE SHOE BARGAINS of THE MOST UNUSUAL SORT for MEN, WOMEN and CHILDREN.
