Bible Class Invitation.

The Berean Bible class of the First Baptist church of Amarillo, has during the past week sent out the following invitation:

The Berean Bible Class of the First Baptist church of Amarillo is closing a year of splendid work. During this time we have traced the history of the Chosen People through a period of about six hundred years, from the death of King Solomon to the prophesise of Malachi, after the restoration from the Babylonian captivity. The lessons have been rich in instruction, replete with dramatic incidents, crowded with tragedy, abounding in pathos and studded with brilliant providences.

Next Sunday we review this year's work and arrange for 1912. The lessons for the whole of next year are to be devoted to the study of the marvelous works and wonderful words of the ever-living Christ, as recorded in the Four Gospels of the New Testament. We anticipate a year of joyous interest and gracious helpfulness. Will you not come out next Sunday, the last day of the year, bringing at least one other person with you, and join the class for the beautiful studies of the coming year? Please be present promptly at 9:45.

Very cordially,
J. L. SMITH, Class Supt.

The class is expecting a large attendance at its meeting this morning at the First Baptist church at 9:45. Special attention will be given to the matter of having the house thoroughly warmed and providing for the comfort of those who attend. All adult persons not being members of any other Bible class, are cordially invited to joint this class for the work of 1912.
