ONE of the red-letter events of the year for women is almost here. A cooking school it is, to be sure, but what a cooking school! This year's cooking is done in a kitchen much different from that of grandmother's day. There are hours and hours less time needed in cooking—there's less work and more fun. Today's kitchen is a real "Happy Kitchen,"—or ought to be. If your three-meals-a-day seem just a succession of toast and eggs and potatoes and roast beef and pie, our cooking school is made to order for you! And if you've already found the secret to pleasure and fascination in mixing dainty new dishes and dressing up the old stand-bys in colorful new fashions—you'll love the cooking school just as much.

There will be romance—mapping of uncharted seas of the kitchen—at the cooking school. Each session will glow with new ideas, appetite thrillers, the simple secrets that make cooking happier and easier. We invite you to hear dozens of practical suggestions that make kitchen hours more fun and more joy—to see demonstrated before your very eyes those inspired touches that raise the meal and its preparation to the realm of a happy adventure.

Remember—everything shown in our cooking school has been tried and tested by a whole staff of "Happy Kitchen" experts. Months of planning have gone before. There are four afternoons of enjoyment in store for you . . . come as our guest.

**REMEMBER—The 'Happy Kitchen' School
Is Your Cooking School—We Heartily Invite
You to Make it so.**
