

# The Brownsville Herald

Presents—

## The Movie Paper Doll Series

BEGINNING NEXT SUNDAY, APRIL 14

### First Is Ginger Rogers! Next Sunday, Maureen O'Sullivan

*Then a Glorious Parade of All the Other Popular Stars  
In All Their Dazzling, Glamorous Costumes!*

Ladies will be especially interested in the feature for it will present the last word in style and design, direct from the film capitals of the world — and the children — Imagine the fun and entertainment they will have cutting out these gorgeous paper dolls of their favorite film stars with complete wardrobes!

**BEWITCHING DOLORES!**

Who doesn't feel that they know this raven haired Mexican motion picture star personally. Few, to be sure. Dolores del Rio, whose most recent picture, "Madame Du Barry," carried her to new heights on the talking screen, is one of many famous stars who will be presented in the Movie Star Paper Doll Series.

### CHILDREN!

Save Your Cuts of  
Ginger Rogers!

Be Sure to Get Next Sunday's Page of  
Maureen O'Sullivan! Save It, Too!

**THERE WILL BE 1,000 PRIZES LATER ON!**  
Watch for the Announcement!

**IN ALL HER GLORY**

And Mae West, the popular young woman who has made the world curve conscious, she'll be among those present in this new feature! Her rise to fame was sensational and holds tremendous appeal for her admirers. In the Movie Star Paper Doll Series, Mae West is shown wearing the gowns she wore in recent cinema hits.

**If You Are Not Receiving The Brownsville Herald Regularly Tell Your Daddy to Telephone 7-8 or 12 And Have It Started Immediately!**

**DELIGHTFUL CONNIE!**

And here's Constance Bennett, star of so many pictures that you couldn't name them on the fingers of your two hands. Petite and winsome, Miss Bennett will be another subject of this highly entertaining Paper Doll Feature, which will appear exclusively each week in this newspaper.

**GINGER IN PERSON**

No newspaper feature based on motion picture stars would be complete without Ginger Rogers, glorious example of American young womanhood, so Ginger will be the subject of one release of the Movie Star Paper Doll Series. A new star, with new fashions worn by the stars themselves, will be shown each week.

**HERE'S A NEW ONE**

Hailed as another Dietrich and Garbo is Anna Sten, who portrays life as it is. Miss Sten, a stunning actress, is shown in the Movie Star Paper Doll Series with a gorgeous wardrobe which children will dress for party, ball, shopping tour or any other occasion. You'll like her.

**HERE'S A DARLING**

Baby Jane, the darling of the screen. She's little, but she's mighty. It was this enticing youngster who played with Claudette Colbert in "Imitation of Life," and scored such an instantaneous hit that Universal Pictures are now featuring her in "Straight From the Heart." Baby Jane is another subject of this new feature.

**AND GLORIA, TOO!**

This ravishing beauty star of "Gift of Gab," and other recent motion picture hits, is another subject of the Movie Star Paper Doll Series. She will be shown wearing gorgeous gowns, the envy of every woman. Men, too, rave about her beauty and personality.
