## JUDGE PARKER TO VISIT GOTHAM

WILL CONFER WITH POLITICAL  
FRIENDS THERE FOR SEV-  
ERAL DAYS.

MAY TAKE A HAND IN THE GAME

Results of Maine Election are Grati-  
fying to the Judge Who Sees in  
Democratic Gains a Few  
Crumbs of Comfort.

Sept. 13.—Judge Parker ex-  
pects to go to New York on Thurs-  
day and to return on Friday. No  
announcement has been made as to  
the arrangements for the trip and  
Judge Parker's reason for leaving  
Beaumont is not known tonight. It  
is understood that he will take ap-  
artments in some New York hotel and  
confer with political friends. For  
several days it has been rumored  
that the judge was planning a visit  
to New York to call on the members  
of the national committee and other  
managers of the campaign. It was  
said also that he might remain there  
and take a hand in the running of  
the campaign, for the purpose of  
more harmonious relations between  
the men at headquarters but it is  
believed here the candidate instead  
of straightening out real or imagi-  
nary differences has under considera-  
tion important plans of campaigning  
intended to change completely the  
working methods in some sections of  
the country. Judge Parker's trip to  
New York on Thursday will be the  
first visit of a political character  
since his nomination.

Results of the Maine election are  
gratifying to the judge and his po-  
litical friends who visited him to-  
day. The candidate has not dis-  
cussed the election nor commented  
for publication on the returns. In-  
deed he is greatly pleased with him, say  
those who have talked with him, say  
he is greatly pleased at the largely  
increased democratic vote and feels  
that there was a sentiment displayed  
there, which may be expected to de-  
velop throughout the country and  
show in more material form in doubt-  
ful states.

**Davis Working on Letter.**  
New York, Sept. 13.—Former Sen-  
ator Henry G. Davis today completed  
the draft of his letter of accepting  
the Democratic nomination for the  
vice presidency. Mr. Davis came to  
New York to confer with the leaders  
of the party, regarding this document  
and Senator Gorman, who arrived  
here last night, came on the same  
train. Work on the letter has pro-  
gressed rapidly since their arrival.  
The draft of the letter will be re-  
vised tomorrow and the final version  
added Thursday, when Mr. Davis ex-  
pects to leave for Elkins, W. Va.

The letter will not be made public  
until after the formal acceptance of  
Judge Parker has been published.  
Mr. Davis will make a brief address  
at the opening of the Democratic  
campaign in his own state at  
Wheeling, Sept. 20.  
Senator Gorman today expressed  
great confidence regarding the condi-  
tion in Maryland from a Democratic  
standpoint.

**Higgins in the Lead.**  
Saratoga, N. Y., Sept. 13.—Unless  
the forces behind the candidacy of  
Lieutenant Governor Frank W. Hig-  
gins change position before a vote is  
taken, there is every indication of  
his nomination by the Republican  
convention to head the state ticket  
as candidate for governor.  
Governor Odell and his friends are  
outspoken in their advocacy of Mr.  
Higgins, and in a poll issued tonight  
claim to have 709 votes assured in  
his favor.

**Randell's Good Luck.**  
New Orleans, Sept. 13.—Returns so  
far received from the democratic pri-  
maries held today in the fifth con-  
gressional district indicate F. E.  
Randell's nomination.

**Clark Meets Taggart.**  
New York, Sept. 13.—Senator Wm.  
A. Clark of Montana was in confer-  
ence with Chairman Taggart at head-  
quarters today. He told Mr. Taggart  
that the Montana democrats  
would renounce Gov. Toole at to-  
morrow's convention and that Gov.  
Toole's reelection was assured. He  
also pledged the Montana electors  
for Judge Parker.

Jackson, Miss., Sept. 13.—Reports  
continue to pour in from the Delta of  
damage to the cotton on account of  
worms and rust. Ex-Governor Lou-  
gans, who has just returned from an  
inspection of his plantation interests in  
that part of the state, says that the  
damage is more general than in-  
dicated by the government reports,  
and many of the planters will not  
harvest over 50 per cent of their  
usual crop.

Laredo, Sept. 12.—The fumigating  
gang under the direction of Dr. C.  
Coeke, which has been engaged in  
planting the towns along the lower  
Rio Grande river as far as Brown-  
sville in a sanitary condition, has re-  
turned to this city and report having  
completed their work.  
In an interview regarding the com-  
pletion of the fumigation one of the par-  
ties stated that but one case of yellow  
fever had occurred in that city and  
that the case could not be accounted  
for as no other infection had devel-  
oped. A strict investigation was  
made of all cases in connection with  
the fumigation but the diagnosis  
of the case was always negative.  
The gang fumigated large quan-  
tities of steeply timbered or yellow  
oak buildings.

service still retain two physicians  
there who are observing conditions  
and keeping a strict watch to see  
that the sanitary measures inaugu-  
rated are observed in order to abso-  
lutely obviate any possibility of the re-  
appearance even of an isolated case.
