DAVIS ON TRIAL THE THIRD TIME

CASE AGAINST NEGRO CHARGED WITH MURDER IN SECOND DEGREE.

SELF DEFENSE IS HIS DEFENSE

Counsel for Accused Will Seek to Show He Killed to Keep from Being Killed—Other News of the Courts.

In Judge Watts' court yesterday the third trial of John Davis, colored, charged with murder in the second degree, was gotten under way. It will be concluded today. Yesterday was devoted to the introduction of testimony by the state. This will continue this forenoon. It is expected the defense will begin putting on its witnesses about noon and will occupy but about one hour. The arguments of both sides will then be made and the case will probably go to the jury late this afternoon.

The Davis Case.

Davis is charged with killing Ed Glider on August 4, 1900. The case has been transferred from one District court to the other several times, once a mistrial resulted and once on appeal the case was remanded for a new trial. The trial started yesterday is the third on the same count. O'Brien, John & O'Brien are counsel for the defense and Mr. George C. O'Brien is conducting the case for his client. State's Attorney Higginson and his assistant, Mr. E. A. McDowell, are prosecuting the case. The State yesterday endeavored to show by its testimony that Davis killed Glider as charged in the indictment. Counsel for Davis will seek to show by their testimony and argument that the killing was in self defense. Its witnesses they will try to prove that Glider had threatened Davis' life and had persisted him with the avowed intention of killing him.

Big Suit Filed.

In the District court yesterday City Attorney Tangle filed another batch of city tax suits, among them one for nearly \$2,000 against J. B. and Mollie Lancham of Orange. The city attorney alleges that defendants are indebted to the city of Beaumont in the sum of 1,755.00 for taxes on city property owned by them in the years 1902 and 1903.

Suit on note for \$2,000 was filed in the District court yesterday by A. P. Priddy, a administrator of the estate of S. S. Schless, against Jake Davis.

In the District court, Judge Watts, Hudson & Lord, attorneys for Jeff Scott, who was recently sentenced to fifteen years in the penitentiary on a conviction of manslaughter, yesterday filed motion for a new trial. The hearing on the motion will be given tomorrow morning.

In Judge Pope's court yesterday an opportunity was given for a hearing on the application to modify injunction in the habeas corpus proceedings in the case of L. L. Brown against Nannie Brown et al. but the papers in the case, supposed to be on file with the clerk of the court, could not be found. They have been either lost or a new set of papers permission to file a new set of papers was made and granted and the hearing will be given later.

Injunction Asked.

T. S. Short et al of Center yesterday made application in Judge Pope's court for an injunction restraining L. E. Miller from executing a levy on the property of the plaintiffs. A temporary injunction was issued, conditioned on a bond of \$1,000, returnable to the District court of Shelby county. The case was brought to Jefferson county on account of the absence of the court of Shelby county.

In the county court yesterday Miss Rose Jones of this city was brought before Judge Wheat and adjudged sane. The court consented that she be sent to a private hospital at San Antonio.

In Justice Pope's court yesterday Julius Bokemeyer, a carpenter of Houston, was arraigned on the charge of assault with intent to murder the complainant being his wife, Ada Bokemeyer. Defendant waived a preliminary hearing and was admitted to bond in the sum of \$750. Mrs. Bokemeyer alleges that she resides in this city and operates a boarding house on Laurel avenue, and that her husband came to the city day before yesterday and assaulted her.

HIGGINS WON IN NEW YORK

WAS NOMINATED IN REPUBLICAN STATE CONVENTION FOR GOVERNOR.

WOODRUFF WITHDREW IN FAVOR

Indorsed Chicago Convention and Its Declarations Particularly Those in Favor of Maintenance of Gold Standard.

Saratoga, N. Y., Sept. 15.—The Republican state convention adjourned at 2:30 p. m., today after electing unanimously the ticket for state officers, forecasted last night by the Associated Press, as follows: Governor, Frank W. Higgins, Cataraugus.

Lieut. Governor, M. Linn Bruce, New York.

Secretary of State, John F. O'Brien, Clinton.

Comptroller, Otto Kelsey, Livingston.

Attorney General, Julius H. Mayer, New York.

State Engineer and Surveyor, Henry A. VanAlstyne, Columbia.

Chief Judge of the court of appeals, Edgar M. Cullen, Democrat of Kings.

Associate Judge of the court of appeals, Wm. E. Werner, Republican, of Monroe.

The unanimous action of the convention in nominating Lieutenant Governor Higgins was made possible by the withdrawal of former Lieutenant Governor Timothy L. Woodruff as the convention was preparing for the roll call.

There was no contest what ever over any other place on the ticket.

The platform adopted is as follows: The Republicans of the Empire State, the home of President Roosevelt, in convention assembled, fifty years after the birth of the party, congratulate the country on the splendid results of the recent elections in Oregon, Vermont and Maine and the inspiration they have given to the cause of Roosevelt and Fairbanks.

"We endorse the platform of the Republican national convention in Chicago last June in all its declarations, particularly those in favor of the maintenance of the gold standard and protection to the American workman and the industries by which they thrive.

We appeal for support to the common sense of those who do not believe in changing for the sake of making a change and who are willing to let well enough alone, to those who believe in the kind of protection the Republicans have always stood for and not in the kind with which the Democratic party, with its free trade allies is trying to delude industrial workers.

National as well as state policies are involved in the outcome of our state election and we commend to every citizen the faithful performance of his patriotic duty.

Roosevelt Pleased.

Oyster Bay, Sept. 15.—President Roosevelt was informed today of the nomination by the Republican state convention of Frank W. Higgins for Governor of New York. The President has followed the proceedings of the convention with deep interest and he rejoiced to take part in any way for or against any candidate, he expressed himself tonight as pleased that Mr. Higgins had been named for governor.

Frame, president of the Waukesha National Bank of Waukesha, who read a paper on "Panle Panacea," and W. C. Robinson, president of the First National Bank of Winfield, Kansas.

A feature of the day was the "call of sections, north, south, east and west," which brought forth five-minute talks by bankers on the encouraging condition of business.

The committee at large on nominations for tomorrow's election nominated the following: President, E. W. Swanney, president of the First National Bank of Kansas City; vice president, L. Hamilton, vice president of the Hamilton & Cunningham Bank, at Hopkinton, Illinois. Members of the executive committee: G. S. BRYAN TALKS IN COOL COLORADO

HUNDREDS UNABLE TO GAIN ENTRANCE TO THE HALL IN DENVER.

SAYS ARMY IS CLUB FOR LABOR

Stamps Roosevelt as Dangerous, and Supports Parker Because He Loves Peace Better Than He Loves 16 to 1.

Denver, Sept. 15.—Wm. J. Bryan opened the Democratic campaign in Colorado with a speech at Coliseum hall tonight. Hundreds were unable to gain entrance to the hall.

Mr. Bryan dwelt at length on what he termed the policy of militarism of the Republican party, which was not influenced alone by imperialism, for he maintained that the strengthening of the army was as much for the purpose of aiding capital in enforcing its demands against labor as anything else. He characterized President Roosevelt as a dangerous man, because of his love of power and warfare demonstrations, and unsuited to be at the head of a nation that wanted to be great in moral force and not physical force.

"You ask me a believer in free silver, how I can bring myself to support a man who favors the gold standard. I say that I love peace and the gospel of peace infinitely more than I love either gold or silver."

Mr. Bryan assured his hearers that if Mr. Parker was elected president, peace would reign in the United States during the next four years.

Mr. Bryan spoke of the labor troubles and consequent occurrences in Colorado, and said that the eye of the country was on Colorado, and the people were anxious to learn the result of the vote for governor.
