

GOV. WILSON SLIGHTLY HURT IN AUTO WRECK

Capt. Bill McDonald Also Slightly Diefigured but Still in the Ring.

[By Associated Press.]
Princeton, N. J., Nov. 6.—The injury received by Governor Wilson in an auto accident early Sunday was only a scalp wound and will not interfere with his engagements. Capt. Bill McDonald, the former Texas ranger, who was also slightly hurt, was examined this morning for internal injuries, but none were found. When the physician examined "Silent Bill," he was astounded at the number of bullet holes in Captain McDonald's body, which testify to his early days in Texas. A friend remarked if Captain McDonald went in swimming he had so much lead in him he would sink.

LITTLE ALBERT MATHIS DANGEROUSLY WOUNDED

Son of Mr. and Mrs. C. H. Mathis of Reliance Is Accidentally Shot in Abdomen with Target Rifle.

[From Monday's Daily Eagle.]
Albert Mathis, the five-year-old son of Mr. and Mrs. C. H. Mathis of Reliance was dangerously shot Saturday afternoon by a .22-calibre target rifle. His father had loaded the magazine of the rifle, leaving the barrel empty, and placed it in a buggy. There were several little boys around, and one, a ten-year-old negro, picked the gun up and threw a shell into the barrel. When he laid the gun down the hammer struck against the buggy and the gun was discharged, striking Albert, who was on a wheel of the buggy.

Drs. Mondrick, Drummond and Odum were summoned, but his condition is grave, owing to the tendency to bleed internally from a bullet wound of so small a calibre.

WILSON AND MARSHAL SWEEP THE COUNTRY

DEMOCRATS WILL HAVE MORE VOTES IN THE ELECTORAL COLLEGE THAN TAFT AND ROOSEVELT COMBINED

WAS BIG LANDSLIDE FOR THE DEMOCRATS

Wilson Carried the East as Well as the South. Democratic Governors Elected in New York, Massachusetts and Other States.

Like the fellow who ran for sheriff at Holly Springs, Miss., "it all went one way." It was a democratic landslide and Wilson and Marshall swept the country. In fact, the republicans and bull moosers were smothered under a perfect avalanche of democratic votes. It was evident from the receipt of the earliest returns last night that Wilson was elected, and the cry of "Wilson and democracy" was taken up in every hamlet, town and city and reverberated from one end of the country to the others.

The Eagle's facilities for receiving the returns were complete, and practically the same bulletins were received here as in the larger cities. The result was known in Bryan as early as at any point in the South. A large crowd assembled at The Eagle office early and manifested the deepest interest in every bulletin as read. Cheers greeted the bulletins indicating democratic success, and it was certainly a good-natured crowd. Many remained until after 12 o'clock.

GREAT CAUSE TRIUMPHED—WILSON.

[By Associated Press.]
Princeton, N. J., Nov. 6.—Responding to a telegram from the democratic national chairman asserting that Governor Wilson unquestionably was elected, the democratic candidate sent a dispatch to Mr. McCombs as follows:

"I deeply appreciate your telegram and wish to extend to you and the members of the campaign committee my warm congratulations on the part you have played in the organization and conduct of a campaign fought out upon essential issues.

"A great cause has triumphed. Every democrat, every true progressive, of whatever alliance, must now lend his full force and enthusiasm to the fulfillment of the people's hope, the establishment of the people's right, so that justice and progress may go hand in hand."

This was Governor Wilson's first utterance of a public character after his acceptance of the reports that he had been elected.

PRESIDENT TAFT BOWS TO VOTERS.

[By Associated Press.]
Cincinnati, Ohio, Nov. 6.—President Taft at 11 o'clock last night conceded the election of Governor Wilson. He issued the following statement from his brother's home here:

"The returns insure the election of Governor Wilson to the presidency. This means an early change in the policy of the government in reference to the tariff. If this change can be made without halting prosperity, I sincerely hope it may be.

"The vote for Mr. Roosevelt, the third party candidate, and for Mr. Debs, the socialist candidate, is a warning that the propaganda in favor of fundamental changes in our constitutional government has formidable support."

TELEGRAMS TO WILSON AND HILLES.

[By Associated Press.]
Cincinnati, Ohio, Nov. 6.—President Taft last night sent telegrams to Governor Wilson and Chairman Hilles of the republican national committee. Here are the messages:

"Cincinnati, Ohio, Nov. 5, 1912.
"Hon. Mr. Woodrow Wilson, Princeton, N. J.:
"I cordially congratulate you on your election and extend to you my best wishes for a successful administration.

"William H. Taft."

"Cincinnati, Ohio, Nov. 6, 1912.
"Hon. Charles D. Hilles, Chairman Republican National Committee, Times Building, New York City:
"You have conducted a most difficult campaign in the face of unusual obstacles. I congratulate you heartily on the fight you have made and I am deeply grateful to you for it.

"William H. Taft."

COLONEL ROOSEVELT WIRED CONGRATULATIONS.

[By Associated Press.]
Oyster Bay, N. Y., Nov. 6.—Shortly before midnight Colonel Roosevelt made the following statement:

"The American people by a great plurality have decided in favor of Mr. Wilson and the democratic party. Like all good citizens I accept the result with entire good humor and contentment. As for the progressive

cause, I can only repeat what I have so many times said, the fate of the leader for the time being is of little consequence, but the cause itself must in the end triumph, for its triumph is essential to the well being of the American people.

(Signed) "Theodore Roosevelt."
About the same time he issued his statement Colonel Roosevelt sent the following telegram to Governor Wilson:

"The American people by a great plurality have conferred upon you the highest honor in their gift. I congratulate you thereon.

(Signed) "Theodore Roosevelt."

How Wall Street Took It.
New York, Nov. 6.—The election results seem to have left Wall street in some doubt, judging from the market this morning. Opening prices showed marked advances in speculative issues, but heavy offerings followed, wiping out most of the early gains.

Then there was a renewal of the demand in smaller volume, which largely restored the early rise. Beet Sugar declined 7 points.

DEMOCRATS CONTROL CONGRESS
[By Associated Press.]
New York, Nov. 6.—The next senate

and the house of representatives will be democratic. It is probable that the senate will have twelve democratic majority. The house of representatives will probably be democratic by only eighty.

There will be a new democratic senator from Colorado, a new democratic senator from Delaware to succeed the republican, another from Massachusetts to succeed Murray Crane, another from Montana and one from Nebraska.

There will be a majority of democratic members of congress from Pennsylvania, Maryland, Ohio, Indiana, Missouri, Michigan, Wisconsin and Illinois. There will be nothing to stop the democratic party in legislating upon the tariff or any other question.

There will be a new democratic senator from New Mexico. Four of five others are in doubt.

Topeka, Kan., Nov. 6.—It is estimated woman suffrage carried in Kansas by 50,000.

THE ELECTORAL VOTE.

[By Associated Press.]
New York, Nov. 6.—Without affecting in the slightest the certainty that Wilson and Marshall have captured the electoral vote by an overwhelming majority, a conservative estimate compels the transfer of some states to the doubtful column. Among these are Iowa and Minnesota. The ultra conservatives included Illinois and Pennsylvania. At the time Wyoming and South Dakota had not been placed. In Illinois the heavy Wilson vote outside of Cook county reduced Roosevelt's lead to 15,000.

The estimated total of the electoral vote is as follows:
Wilson 387.
Roosevelt 99.
Taft 12.
Doubtful, South Dakota, Wyoming, Iowa and Minnesota, 33 votes.
