CASTORIA

The Kind You Have Always Bought, and which has been in use for over thirty years, has borne the signature of and has been made under his personal supervision since its infancy. Allow no one to deceive you in this. All Counterfeits, Imitations and "Just-as-good" are but experiments that trifle with and endanger the health of Infants and Children—Experience tells.

What is CASTORIA

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. KINGS MUST STICK TOGETHER
By Edith M. Thomas
of The Vigilante

"This is a time when kings must stick together." The Emperor of Austria in a letter to the King of the Belgians.

A king—it is in truth a perilous position.

A throne—a cold seat that goes to the bone.

When a king and his fellows start to quarrel.

Dark, then, to look, the Beauty and The Beast.

Who turns off letters with dispatch and dash.

and yet forms a spell of unity.

When all the elements shall round him.

"This is a time when kings must stick together."

Was very run-down, I told my husband I would never get well. He got me a bottle of Cardui. It helped me so much that he got me another bottle. I got a whole lot better. The dizzy spells and the bearing-down pains left me entirely."
