Willard STORAGE BATTERY SERVICE STATION

Don't Trust a Quack Doctor

You wouldn't put your health in the hands of a natural born untrained doctor.

You wouldn't want your teeth filled by a correspondence school dentist!

And you don't want your battery cared for by an untrained man—even if he says he knows all about batteries.

Doctering batteries is a profession with us—we are trained battery experts, and we recognize and trust all of the common battery ills.

Your battery ought to be tested—and you ought also to learn about Theated Rubber Insulation—the most important battery improvement in years.

Don't forget to ask for the booklet "A Mark with a Meaning for You."

Corpus Christi Rubber Tire Co.

Authorized Willard Service Station Automobile Row

—We test, repair and recharge storage batteries, and always carry a full supply of battery parts, new batteries and rental batteries. Testing service is free.

BUY THE BEST

When you buy a watch—a knife—a suit of clothes, you buy that article that will last you longest—serve your purpose best and give you the most satisfaction.

When it comes to the home—most people have a tendency to drop their carefulness in buying and will be persuaded to purchase "showy" cheaper furniture. It may look to be just as good now—but before you buy close your eyes a minute and picture that same article in five or ten years in your own home.

That's one test that our furniture has always stood. We sell furniture that will stand the test of time—we have to sell only the most carefully made—the sturdiest, and at the same time—the most beautiful furniture. Whether one piece or an entire suite you will be satisfied with your purchase five or ten years from now as much as you are the day you buy it.

You can't make a mistake in buying GOOD furniture. But you can make a mistake in buying the other kind. Our furniture is built to last a lifetime and we stand behind every piece that we sell.

If you contemplate buying furniture in the near future—we ask for your furniture's sake, that you come in and see us. Let us show you selected pieces from our splendid stock—show you why we can make such high claims of excellence for our furniture.

There are a number of things that are needed in your house now—don't put off their purchase any longer—prices are advancing and furniture is one of the things that will be difficult to obtain in the future.

Do the following mean anything to you? Columbia Grafanola and Double Disc Records, Thermatic Fireless Cooker, Hoosier Kitchen Cabinet.
