Do It the First Day

By Wilbur D. Nesbit

You know you are going to buy Liberty Bonds. You wouldn't be square with yourself if you didn't. You couldn't take off your hat to the flag with half the sense of ownership if you didn't.

You know the Fourth Liberty Loan starts September 28th. You know that buying a Liberty Bond isn't making a gift. You know you are simply lending your money to your Government—to the best friend you and your mother and wife and sister and daughter have.

Then, buy your Liberty Bonds the very first day of the Loan. Don't wait. Do your thinking beforehand. You don't need to consider it; you don't have to be argued into it—you know you will buy Liberty Bonds.
