Caller Classified Ads are little "money makers." Try one!

You won't read a long story about tires if those you are using are satisfactory.

If they are not satisfactory a long story will not sell you, because it will have to be the same old story you read before--and which experience has taught you to discredit.

But there are good tires; the trouble is that you can't tell from the advertising which is which.

It is a fact, however, that most people who buy Kelly-Springfield Tires once, keep right on buying them.

It wasn't the long, well written story that sold them the first time, but the word that was passed along by some enthusiastic user.

That sort of advertising can't be bought--and it can't be written.

We are pleased to announce that we have taken on this famous line of tires.
