

DAVID DUDLEY FIELD.

His Enumeration of the Problems Before the American People.

CLAYTON - BRECKINRIDGE CASE.

An Assault on Attorney-General Goodwin, of North Dakota—Opposed to Imperial Federation—Postal Telegraph.

BOSTON, March 7.—The Massachusetts Reform club gave a dinner to-night and had among its guests David Dudley Field, George O. Shattuck, Darwin E. Ware, and others. Field was the principal speaker. He said there were six problems before the American people: Honest government, woman suffrage, the negro race, the rights of labor, the government of cities and the government of corporations. The first named problem was then discussed by the speaker.

Dolph's Special Committee Still Grotes in the Dark.

FORFEITURE OF RAILROAD LANDS.

A Senate Bill for the Same Reported—Plumb Moves to Reduce Salt Lake's Public Building Appropriation.

WASHINGTON, March 6.—Senator Dolph's special committee having failed to extract any information from the newspaper men to-day, took another tack by beginning at the head of the list summoned members of the Senate to appear before it and put them through a course of questioning similar to that applied to the newspaper men. It is understood that those summoned to-day asserted they had never disclosed the proceedings beyond the limitations of the rules. The examination of Senators will require two or three days. The impression prevails that a resolution to imprison the correspondents for contempt will fail, but there is a probability that some of them will be arrested by the district attorney for prosecution on the charge of sedition.
