Stocks Yesterday Alternately Feverish and Stagnant.

ALL IMPORTANT FACTOR

CUBAN SITUATION EXERTED ITS BLIGHTING INFLUENCE.

Change of Attitude of Foreign Financiers Toward American Securities Was Used By the Bears to Hammer the International Shares—Bond Market Extremely Dull.

New York, March 24.—The stock market today was alternately feverish and stagnant, closing at the lowest, with the losses at fractions in the railways, but ranging from one to three points elsewhere. The Cuban situation was the all-important factor today, as it has been for a long time, in the market fluctuations. Prices rallied sharply at the opening on the assumption that there would be more delay in dealing with the Cuban question. London, after an easier opening, closed steady, but the sales from that quarter were largely in excess of yesterday's purchases.

FOREIGN ATTITUDE.

The change of attitude of foreign financiers toward American securities was used by the bears to hammer the international shares at frequent intervals. The pressure against St. Paul, New York Central, Louisville & Nashville and U. P. preferred resulted in recessions of over a point, as compared with the highest price established in recent tradings. Covering of shorts from time to time hardened the market's tone, but this in each case soon failed to last. The selling movement in the final hour brought about the lowest level of the day.

BONDS DULL.

The bond market showed extreme dullness, but a tendency was evident toward a lower level. The aggregate transactions were $581,000.

Government bonds shared in the general depression of the security markets, with quotations for the active issues showing losses in bid prices of ¼ per cent, except in the 4's, registered, of 1907, which lost ½ per cent.

MONEY MARKET.

Money on call, 1½@1¾ per cent; last loan, 1½ per cent; closed, 1½ per cent; prime mercantile paper, 4@5 per cent; sterling exchange, irregular, with actual business in bankers' bills at 4.83@4.83¼ for demand, and at 4.80@4.81 for 60 days; posted rates, 4.82¾@4.83, and 4.86@4.86½; commercial bills, 4.80@4.80¾.

Silver certificates, 64@65½; bar silver, 56; Mexican dollars, 45.

Government bonds weak; state bonds dull; railroad bonds heavy.

SALES OF STOCKS.

Total sales of stocks today were 223,500 shares, including: Burlington, 21,415; L. & N., 6,719; Manhattan, 18,445; Metropolitan, 14,237; New York Central, 9,550; Northern Pacific, 4,635; Northern Pacific preferred, 12,725; Rock Island, 8,200; St. Paul, 46,220; Union Pacific, 23,454; Tobacco, 17,012; People's Gas, 6,932; Laclede Gas, 4,200; Sugar, 76,220; Western Union, 3,475.

FOREIGN FINANCE.

Spanish Fours Sold Heavily From Paris On London Exchange.

New York, March 24.—Evening Post's London financial cablegram:

The stock markets here remained dull today, with increased difficulty in effecting sales of all but the best stocks. In Americans, dealers frequently declined to make prices. Spanish 4's were sold heavily from Paris. At one time they fell to 62½, but they closed at 63¼, on general recovery of Paris speculatives, due to unconfirmed market reports that Spain was seeking the aid of Great Britain as an intermediary in the Cuban matter. Americans, after improving on the New York opening, closed flat in the street.

Of the $8,000,000 of the China loan offered in this country, only $2,000,000 was applied for. This is an additional cause for the depression in speculation, the syndicates being left on the underwriters' hands.

Bar Silver In London.

London, March 24.—Bar silver uncertain, at 28 1-16d per ounce.

GRAIN AND PROVISIONS.

Wheat Lower, Corn and Oats Ditto, Provisions Dull.

Chicago, March 24.—Wheat took a jump at the opening, influenced by the steadiness abroad and reported sales of 500,000 bushels of No. 1 northern wheat by Leiter late yesterday. First trades in July were made at 85½@85¾, little changing hands at the higher figure. Five minutes later it was selling freely at 83¼@83⅜. There was very little in the way of bearish news, except the continuous argument of the price being rather high, compared to that of former years. Sales of 180,000 bushels No. 2 red on Antwerp account, and 25,000 bushels to millers caused a temporary rally to near the opening prices, but was quickly taken advantage of by the bears, and prices slid off rapidly. Near the close, a line of 1,000,000 bushels was liquidated through one house, and started a fresh decline. Prices touched the lowest point for July on the present decline and closed practically at the bottom. May opened ⅛c higher, at 1.05, sold up to 1.05¾, reacted, and closed at 1.04 bid. July opened ¼@⅜c per cent higher, at 84⅝@85⅛, declined to 82⅜, closing at 82¾@83.

Corn was momentarily firm at the opening, but, following wheat, soon turned weak. July closed ⅛ lower.

A weak feeling ruled the oats pit throughout the session. July closed 1/16@⅛c lower.

Provisions ruled dull and slightly easier. The offerings were absorbed by shorts, from whom the only noticeable support came. May pork closed 7½c lower. May lard 5c lower, and May ribs unchanged.

SCHOOL BOARD TREASURER.

Charles Barton's Successor Has Not Yet Qualified.

Considerable speculation was indulged in yesterday as to the reasons why James Burton has not qualified as treasurer of the board of education. Charles Barton is still holding that position, and says no demand has been made on him for the money. He is ready to turn over the amount due the board whenever his successor shall qualify. Mr. Burton, it will be remembered, filed his bond, but later withdrew it, and Mr. Barton has continued to be treasurer. The only difference, so far as the public is concerned, is simply that the board's money is kept in the Utah Loan and Trust bank, as formerly, instead of in the First National, as was expected. As both Mr. Barton and Mr. Burton are men of undoubted ability and integrity, and as the funds of the board are amply secured, not only by the bank, but by the bondsmen of Mr. Barton, there is no cause for alarm as to the safety of the school money.

Mr. Burton declined to talk for publication, except to say that for business reasons he had not qualified, but might do so in the future.

President Thomas Dee of the board of education stated last night that in all probability Mr. Burton would qualify as treasurer within a few days, and would begin his duties with the second quarter. He intimated that the reasons for Mr. Barton's not qualifying before were probably personal reasons, which do not now exist.

FERRIN LOST.

Jury Found In Gordon's Favor Under Peremptory Instructions.

In the district court yesterday, Judge Rolapp granted a motion for peremptory instruction in the case of T. M. Ferrin vs. J. S. Gordon, and a verdict of no cause of action was accordingly brought.

The case of Lorenzo Farr vs. the Hot Springs Railway company, a case wherein plaintiff asked damages for being put off of defendant's train, as he claims, illegally, went to trial and the jury retired about 4 o'clock.

The case was one appealed from justice's court, where the plaintiff was awarded $125 damages. The jury last night brought in a verdict awarding him judgment in the sum of 25 cents.

County Affairs.

The board of county commissioners held a meeting late yesterday afternoon, transacting business as follows:

The resignation of W. J. Belnap as constable of Hooper was taken under advisement.

Mr. Seaman reported that the grading of the Alvard Lane was practically completed, connecting this thoroughfare with the north end of Washington avenue.

A resolution was passed providing that hereafter all culverts constructed in Weber county shall be of chain tile, instead of lumber.

The bond of Joseph Hall as justice of the peace of the Second precinct was filed and approved.

The board adjourned until Monday.

Mining and Irrigation Delegates.

The delegates appointed by the Weber club to attend the Western Mining and Irrigation congress, which convenes in Baker City, Ore., next Monday, will leave for Oregon tonight. This congress will continue in session four days, and is to be composed of representative men throughout the west. The Weber club delegates are H. R. Rolapp, T. C. Dee, C. S. Richards, George H. Madsen and M. C. Flygare.

A very large audience last night saw the performance of the Black Patti Troubadors. The performance was first-class in every respect. The Black Patti was the main attraction, but not the only one by any means.

John A. Phillips, aged 29, was yesterday granted a marriage license, permitting him to wed Mrs. Eliza Jacobs, 24. Both were residents of Salt Lake. The couple were united in marriage a few minutes later by Elder Joseph Hall, who was also at this time a justice of the peace, his bond having been accepted a few minutes prior to the time.

The trial of George Barr, proprietor of the Royal Exchange saloon, was concluded yesterday, and the case went to the jury about 4 o'clock. The jury was out until late in the evening, and once returned to court for further instructions. At that time they stood three for conviction and one for acquittal. Later they agreed on a verdict for a conviction, finding Barr responsible for the burning Stratten's foot, and, therefore, convicting him of assault. He will be sentenced next Monday. An appeal will undoubtedly be taken.

Geddes and Welsh have been tried, convicted and sentenced to 99 and 20 years, respectively, and Mrs. Geddes will now be tried. A sensation was created at the Brown Palace hotel, Denver, by the arrest by a deputy sheriff of Louis Enricht of Chicago and Paul Hirsch of Paris, France, on charges of conspiracy to defraud, obtaining money under false pretenses and forgery. The charges were preferred by R. S. Lewis, cashier of the Fremont County bank of Canyon City. It is alleged by Mr. Lewis that he has lost a large amount of money through a fraudulent mining deal engineered by the prisoners.

In reply to a question from a New York paper as to the authority of the president to order the state militia outside of the country in case of war, Governor Adams telegraphed as follows: "In case of war the Colorado militia will not question the authority that will quickest bring them in contact with the enemies of our flag."
