

**MONROE HUSKIES WIN CEDAR GAME**

(Continued from first page.)

should be regular practice. Fully one-half of the efficiency of a team depends upon the battery—the pitcher and catcher. Monroe has as bested a little on the pitcher. We are told that Wilford Fife, a native son of this place, who is now on the Salt Lake fire department, and is pitching three games a week for them, is willing to return to Cedar City if he can get something here profitable to do. Wilford was a good pitcher for a country team when he left here and must have improved greatly by now. Why can't we arrange to get Wilford back with us? Who has some satisfactory employment to offer him? He is a steady, reliable man and should make good almost anywhere.

We mustn't have any more easy victories over Cedar City. The county fair is coming up before long and some good exciting games will be a pleasing change to so much horse-racing.

Turn out and support the games, and show that you are a booster for your home town.

**DEMPSEY SIGNS TO BATTLE BRENNAN**

Bill Brennan of Chicago, heavyweight of considerable ability, gets the first crack at Dempsey's crown. The fact that the Frenchman, Carpenter, was signed up by Cochrane, London promoter, preventing him from fighting any place but there—this year—caused Dempsey's manager to turn to the Yank fighters. Brennan and Dempsey will meet Labor Day—the highest bidder to get the bout.

**KANARRA**

Kanarra, July 22, 1920.  
The farmers are jubilant in this section over their hay crops and grain prospects. A little rain would be greatly appreciated just now though. There will be some alfalfa seed for sale here also.

The sheep ranges are holding out fine. Several of our sheepmen are fencing their mountain land. Past experience proves that by careful management the depleted range can be brought back to its former abundance by fencing and preventing over stocking.

Wm. G. Platt and wife have returned from the Day Farms at Parowan where Mr. Platt has been working since March.

A Mr. Newberger of Salt Lake City is visiting here with the George A. Berry family for a short time.

Miss Jennie Reeves is working with her brother Eldon on the Pace farm north of here.

Otto Reeves is hauling fence wire up the mountain for Bishop Pace of Harmony who is fencing.

Mr. A. L. Watson, one of Cedar City's enterprising farmers and sheep men has some nice looking crops on his farm near this place. Some time soon he intends to build a home here. He is also contemplating drilling a well and if he cannot get flowing water he will raise the water with the aid of an electric motor.

John W. Platt is building a modern cement bungalow on his ranch near Watson's.

Truly, Zion is growing. Kanarra ward reports eleven new babies since summer opened.

Many tourists camp here during the week and they ask why there are no side trips offered from here into the deep canyons in the eastern mountains. Some day we hope to be able to care for such inquiries. Care for these tourists and get acquainted with them. Some of the influential men of the age pass unawares.

There is some encouragement when one thinks that the valuable lumber timber in the mountains southeast is producing some valuable and beautiful lumber for our consumption. We will compare lumber with anyone.

Sunday July 18th, Mr. and Mrs. Lewis E. Rowe served dinner to Mr. and Mrs. Wm. G. Platt, Mrs. G. H. Pingle, Mrs. H. M. Roundy and Mrs. H. M. Williams. Mesdames Pingle and Roundy are here visiting their mother, Mrs. H. M. Williams.

Miss LaRue Stapley and brother Campbell are here visiting relatives.

Mr. Jas. S. Berry's new residence is nearing completion.

Mrs. Mary A. Griffin a former resident of this place is here getting titles to real estate straightened out. She hopes to sell some of the land holdings under the Griffin estate. She will return to her home in Idaho Falls sometime next week.

The Culver dipping corrals at Pine Springs were partially destroyed by fire last week. It is not known how the fire started as it was at night.

Everyone is preparing for a good celebration on the Twenty-fourth. The numbers:

- Firing of cannons at daybreak.
- Re-sending of town by band.
- Raising of flag at sunrise.
- Parade at 10 o'clock.
- Meeting at 10:30 a. m. at which the following program will be given:

  - Dance for children 4:30 p. m. Adults 8:30 p. m. Sports all afternoon.
- We invite everyone to come and celebrate with us.
- County Agent Esplin, accompanied by Mr. Price and Mrs. Kunz were here Sunday and supervised the launching and organizing of junior club work.

The boys of the junior club will leave for a six-day hike over the mountains to Zion Canyon.

Dis-union between the towns of Southern Utah only retards the facilities of business and industry. Lets

pull together and make this section what it can be.

Sincerely, KANARRAVILLE.

**NADA**

Nada, July 20, 1920.

Mrs. Rambler, V. C. Johnson and their guests motored to Minersville last Monday.

J. C. Harter came over from Wah Wah valley to attend to some work on his 640 acre claim which has just been allowed.

Sheriff Fotheringham of Beaver was in Nada Monday looking for a prisoner who has escaped from his custody while at a hotel in Beaver.

Mr. and Mrs. Clinton Myers who have been spending a week at their ranch in the mountains were calling on friends here today. They returned to their home in Milford.

V. C. Johnson has purchased C. G. Kinder's pump and engine. Good stunt to begin now and get ready for next year.

Miss Ida Wright who has been spending a few weeks with her sister Mrs. Keillor departed for her home in Kentucky this week.

Nada will celebrate the 24th this year with a dance at Culmsee Hall, which will be in the early evening and preceded by races and later an informal program is being arranged.

J. Rambler spent Sunday at home and returned to Lund Monday morning on No. 3.

Mrs. Fred Olsen returned to her home in Proctor after an extended visit with her children residing in this vicinity.

The following of our people who are employed in nearby towns were home to attend the ball game Sunday: Gerland Lash, Phil Costello, H. Lindeman, Andy Lewis, C. Roper, C. R. Keith, Mr. and Mrs. H. R. Moore, C. Morrow. Several from Sahara were also in attendance and a large crowd of rooters from Lund.

Our Nada boys once more outplayed Lund's team in a fast game at Nada last Sunday. Morrow and Couch pitched a fine ball for the winners. The large score of 14 of 8 may be attributed to faulty fielding rather than lack of ability in opposing pitchers. Our best inning was the second when we made eight runs. The Nada nine may play the Cedar or Minersville team some time soon.

Mr. and Mrs. F. M. Fuller of Kanab are in Cedar, where Mrs. Fuller has come to seek medical attention. Mr. Fuller is a brother to John P. Fuller of this city.

**RAVINGS**

—By CHICK.

Oh, Boy! Wuz you to the game Wednesday? She wuz a good ol' game 'til the sixth innings, wuzn't she? Well, all we gotta do is to learn to keep our heads and not blow up so easily.

All this happened at the ball game Wednesday:

- Died of heart failure, 6.
- Hit in the eye by fan next to them when good catch was made, 153.
- Rendered speechless from yelling, 200.
- Went home with the blues, whole works.

What the kids think the sidewalk's for—to walk on, fall down on, play and run on. But here's the best one: They think it's to slip on and off.

Well, bein's it's the 24th tomorrow, I guess I'd better close me cut-out and keep quiet.

**DAINTY FROCKS DEFY SPORT TOGGERY**

In some of the northern states women insist the dainty organdie and transparent hat is no longer supreme in summer wear, but such verdicts are caused by the backward season there this year. This organdie of delicate tint—hat to match in flimsy georgette and lace—is being worn in this picture by Elaine Hammerstein, the actress.

**LEVINSKY HOPES TO STOP CARPENTIER**

The "luckiest fighter" in the world, say all American heavyweights of this Yank boxer, Battling Levinsky, who gets the first crack at the European champ, Georges Carpentier. The bout is to be staged in New Jersey early in October, the winner to meet Dempsey. This is the newest picture of Levinsky.

Mr. Esplin, chairman of the Iron County Fair Committee, says the premium list is being prepared and will soon be distributed and that the sub-committees are at work on their various features of the exhibition. A meeting of the committee is scheduled for next Tuesday.
