1909 Garland Sugar Factory Campaign Closes. 1910

Most Successful Run Since the Erection of the Plant—No Stops for Clean Ups.

Monday January 24th, the 1909-10 Sugar campaign at the Garland Sugar factory closed, being the most successful run since the erection of the plant.

From Oct. 2nd, 1909, to Jan. 24th, 1910, the factory has been in continuous operation, not having had to stop, as usual, for clean ups.

The Osmose Progress, which will give employment to about thirty men for a period of 70 to 75 days, opened up immediately after the big campaign closed.

The work in the office is pro-

gressing nicely, the major portion of the operating labor having been paid off and all beets received, paid for, including the handling of the same at the weigh stations. Accounts are being balanced up and adjusted prior to taking the inventory and closing out the books of the Company for the fiscal year—February 28th, 1910.

Supt. T. H. Edwards, Engineer Jos. E. Corbett and Foreman David Dorton left yesterday to visit the Lehi Sugar factory.

Have You Seen The COMET?

In the western horizon, below and to the right of Venus, the evening star, a flaming comet has made its appearance every evening this week at about 6:30 to 7:20 o'clock. It has interested our citizens and caused considerable comment. Monday evening it was noticed for the first time. The comet is 30,000,000 miles from the earth. It is not Halley's comet, which is scheduled to appear early in April, but has tentatively been called "Comet A 1910."

Married

in the Logan Temple.

Miss Minnie Farnsworth and Mr. Orvil R. Udy, both of Fielding, were united in marriage at the Logan Temple Wednesday of this week.

The contracting parties are popular young people of Fielding, the bride being the daughter of Mr. and Mrs. C. W. Farnsworth and the groom is the son of Mr. and Mrs. Charles A. Udy. Both have many friends. They will make Fielding their home. A reception was tendered the young couple at the home of the groom's parents Wednesday evening.

Congratulations.

The Tom Show.

Uncle Tom's Cabin Co. blew into town last Saturday with its big band, negroes, dogs, etc., and the show drew the largest house that any company ever got in Garland. Standing room was in great demand and the kids stood up all the way from "nigger heaven" to the footlights.

The show, outside of the band, Uncle Tom, Eva, Topsy and Lawyer Marks, was a burlesque of the good-eye stripe. In conversation with the manager we were informed that he had tried every kind of a show—from a minstrel to a melo-drama, but failed to find anything that pleased the people like Uncle Tom, but we can't understand why people will pay 75c to see Uncle Tom's Cabin and pass up musical concerts, high-class entertainments and refined show.

Stomach Trouble Cured.

If you have any trouble with your stomach you should take Chamberlain's Stomach and Liver Tablets. Mr. J. P. Klote of Edina, Mo., says: "I have used a great many different medicines for stomach trouble, but find Chamberlain's Stomach and Liver Tablets more beneficial than any other remedy I ever used." Grand Social Under Auspices of the 153 Quo. of Seventy.

The social given at the hall Wednesday evening under the auspices of the 153 Quorum of Seventy, proved to be a very pleasant affair. A good representation of the members of the quorum and their wives were present also quite a number of the bishops and their wives, members of the stake presidency and their wives and other invited guests.

The following interesting program was carried out:

Singing by congregation "America."

Prayer by Olof Johnson.

Singing "Glory to God On High."

Address by Senior President, Peter Mortensen.

Select reading, Mrs. Matthew McMurtrie.

Duet, Mr. and Mrs. Leo Peck.

A fine luncheon was then served after which an impromptu program amused the crowd consisting of a solo by J. R. Kennard, stump speech by Bradley J. Trunnell, Duet by Bert and Will Haws and a solo by Casper Andreasen.

L. S. C. C.

The members of the Ladies' Self-Culture Club were entertained at the home of Mrs. Rose Vanfleet Thursday afternoon, Jan. 27th.

The roll call showed 14 members present and the following ladies were invited guests: Mesdames J. M. Francke, C. R. Wing and George Henrie.

Mesdames Maud Somsen and Lottie B. Smith read "Quarrel, with Woman's Clubs," which was discussed.

Arrangements were made to give the outgoing officers a social at the home of Mrs. Annie Edwards Wednesday evening, Feb. 2nd.

The proposition of T. H. Edwards to produce a play for the benefit of the Club was discussed and a vote taken which resulted in the hearty approval of all the members.

During the afternoon Mrs. Essie E. Foulger sang the solo "Laddle" and Mrs. Marie Wing sang the solo "We'd Better Bid-a-Wee."

Delicious refreshments were served and the Club adjourned for two weeks to meet at the home of Mrs. Celia M. Grover.

Sleighting Party.

Monday was "sleighting" day for Fielding. 4 sleigh loads of day schools children and 2 sleigh loads of Sunday school workers came to Garland and took in the town. The Sunday school crowd gave the Globe office a serenade as they passed by. Come again.

Dairy and Food Commissioner Here.

Simeon Hansen, deputy state dairy and food commissioner, was in Garland inspecting the sanitary condition of the town Monday. With one exception, he found everything in good sanitary condition and notified parties to make a general clean up right away. Firms who are buying and selling butter in plain wrappers or in wrappers simply written upon with pencil or ink, will be prosecuted if this practice continues. The law is plain in this matter, requiring all butter bought and sold to be wrapped in a printed wrapper, designating number of ounces and bearing manufacturer's name.
