

Are Your Clothes Stylish?

THEY ought to be; it doesn't cost any more to have them that way. The question is---what is style? You can't put it into words---neither can we; but we can put it into clothes.

Have us show you the new waist-seam styles by Hart, Schaffner & Marx; all wool, stylish, guaranteed.

Investigate that heating system of yours. See if it circulates (not radiates) pure, warm, ever-changing air, free from dust, gas, and smoke, properly moistened by mechanical means.

If it does not do this, you should replace it at once. If you are going to build, avoid future regrets by investigating quite without obligation.

In either case, investigation will show you that your problem is solved in the correct installation of

THE ROUND OAK MOISTAIR HEATING SYSTEM

The only heating system that automatically ventilates and humidifies. Installed under the personal direction of experienced heating engineers. It renders a generation of supreme service. Ask for valuable book and heating plan, free.
