The Chandler Leads in Price and Style and Certainty of Service

NEVER before has the Chandler leadership been so obvious to so many people as it is now, at the height of the 1916 season.

At a time when so many cars are "marked up" a hundred dollars or more, the Chandler leads with the same low price established eighteen months ago.

In the midst of a horde of new types and styles of engines, "The Marvelous Motor" leads in certainty of service. Built in the Chandler factory ever since the first Chandler car was marketed this famous motor,—refined, more powerful, more flexible,—still leads most distinctly because free from any hint of experimentation or uncertain theory.

And Chandler leads quite as clearly in beauty of body design, refinement of finish in every detail and luxury of upholstery.

It is not surprising that many thousands of new owners have joined the Chandler ranks this year.
