MAE FRANCIS WHO WILL PRESENT "BITS OF MUSICAL COMEDY" AT THE ORPHEUM IN THE NEAR FUTURE

A MOST catching cartoon in the New York Times magazine pictures the president with great enthusiasm playing, on a violin, from a sheet of music before him, "Johnny, get your Gun!" with Uncle Sam standing behind smiling and stroking his chin whiskers while the legend attached reads:

"I'd rather hear you play notes, than have you writing them," a line that carries with it a full commentary on the course of the administration during the past year.
