### POLITICS.

(Continued from Page 6.)

county in the state will foist its arrogant and offensive ways upon the people. The people of the are weary of boss rule, and if the political manipulators will listen carefully they will hear the tramp of the multitude that means Progressive victory in November."

State Senator Henry Gardner of Spanish Fork is the new Republican state chairman. With him in the campaign will be Heber L. Cummings, deputy secretary of state, who was reappointed. Chairman Gardner's desire to get close to the seat of political intelligence led him to select a suite of offices across the hall from Goodwin's Weekly in the Felt building and across the street from the federal building. He ought to do very well.

Anyhow, it can be said that Senator Smoot didn't find the good old ship in repair when he returned home.

Did you see the bandannas at Ogden?

The Progressive primaries Wednesday night for the election of delegates to the state and Third district conventions were well attended all over Salt Lake county. Out over the state the various counties have doubled and trebled their allotment, sending big delegations to Ogden. The whole state is in revolt. Here in Salt Lake county a fine organization is at work. Frank Evans is county chairman and Charles D. Rooklidge, secretary. The committees are as follows:

County Committee: Alma Eldredge,

George B. Hancock, P. J. Donohue, Ben Johnson, Miss Laura S. Hadley, A. R. Carter, Frank Evans, A. H. Parsons, A. T. Mason, J. H. Turner, Jesse W. Fox, D. W. George, C. S. X. Piatt, Thos. P. Page L. G. Hardy.

Executive Committee: Raymond C. Naylor, Fred J. Leonard, Mrs. E. A. Donohue, Dr. Clarence Snow, Mrs. E. B. Smith, George Q. Morris, J. J. Whitaker, Mrs. J. W. Wilkinson, S. B. Tuttle, Harry Anderson, Hugh A. McMillin, E. W. Kelly, E. H. Fryer.

Committee on Finance: James H. Mays, P. J. Donohue, Chas. L. Rood.

In ten states which held primaries for the election of delegates to the Republican convention in June at Chicago the Progressive vote which includes that for Roosevelt and La Follette, was almost twice that for Taft, and nearly equal to the combined Taft and Democratic vote. The figures follow:

	Prog.	Taft	Dem.
Calif. ....	184,439	69,345	56,073
Illinois ....	309,609	127,481	299,346

Sunny Jim Sherman, the inoffensive running mate of President Taft, may resign from the ticket, says a dispatch from Boston, giving ill health as his excuse. The dispatch goes further by saying that Curtis Guild of

Massachusetts, a Progressive, may be offered the graveyard position.

Secretary Musgrove, of the New Hampshire Republican state committee, has thrown up his job, declaring himself to be for Roosevelt.

Governor Francis E. McGovern of Wisconsin is another who says he will not support Taft. Next!

Now that the handling of resort crowds won't interfere with regular business it may be well for the street car company to figure out during the winter how to handle the people from transfer points next summer.

As they grow older the Democrats take on more hope. But they are not nearly so cocky as they were the day after the Baltimore convention.

Salt Lake is to have two more banks and yet folks do say that a hard winter is coming on. Somebody must have money.

People have long ceased to take any of the Salt Lake daily papers seriously in their observations upon the political situation. The market reports, however, are said to be uncolored and absolutely reliable.

Harry Joseph can take more beatings and make more people believe he likes them than any other politician in the state.

The Democratic state platform is so long that it will take the average man from now until election to skip through it. And it will take a whole lot longer

for the average man or woman to understand what it says.

Friday the thirteenth has no terrors for the Bull Moose.
