

BUSINESS PROPERTY FOR SALE

Thirty-seven feet frontage at Main and Tenth. Corner lot with side-track and apron at the rear.

Forty or more feet, adjoining the old Golden Rule store on the east, Main street. No better buy anywhere.

Fifty feet west side South Eighth street, adjoining the new Wade buildings on the south. A four-room dwelling goes with it or will be moved.

Ninety feet frontage just across the street from this lot, will sell thirty, sixty or the whole piece. Excellent building site.

Thirty feet frontage just east of the new Turner building on Main street. A small payment down and the balance at 7 per cent.

Six business lots, facing the east and south, just south of the Hoot-Nixon lumber yard. Part cash and easy payments on balance.

Twenty-five or more feet facing the south, just west of the Carbon Hotel. Some cash and liberal payments.

Choice piece of ground just east of the Denver and Rio Grande depot, facing south. One of the rarest bargains offered.

Other business locations too numerous to mention in this limited space, all close in and on liberal terms.

RESIDENTIAL PROPERTIES

Three fifty-foot lots on North Ninth. Considerable fruit and well shaded. No better property anywhere.

Corner lot not far from the county high school building. Hundred and twenty feet frontage. A real bargain for cash.

Hundred by two hundred fourteen feet on North Seventh, facing the west. Goes within the next few days at a bargain.

Vacant lots, modern dwellings and partly improved property in every part of the city. Also several modern homes at less than their values.

RANCH OFFERINGS

Forty to a hundred and sixty acres with full water right, unimproved, close to the city. Fifty dollars an acre.

Twenty-three acres west of town in lucens and within walking distance at \$1600.00. Worth looking into, this.

From forty to five hundred acres, south of town one to eight miles, some of it in orchard, at \$50.00 per acre.

Twenty acres with water this side of Wellington, belongs to non-resident, who is anxious to sell. Make an offer.

Other tracts of choice farm lands, both improved and unimproved. Owners are unloading. Let us show you our lists.

EVERYTHING IN INSURANCE

Get us? We're independent of the fire insurance trust, making and maintaining our own rates. Let us figure with you.

We write fire, plate glass, steam boiler, automobile, accident and rent insurance in the best of companies.

We furnish abstracts of title to any lot or tract of land in Carbon county. We'll go your bonds in any amount at reasonable rates.

No Alum—No Lime Phosphates

PRICE AND VICINITY

A. W. Shiner was up to Hlawaitha on a business trip Tuesday.

Stephen Giannotti of Helper was among the visitors in the county seat last Saturday.

J.M. Whitmore is in Salt Lake, having been summoned to sit on the federal grand jury.

Glen Ballinger was a Helper visitor in the county seat last Saturday, returning in the evening.

Mrs. J. A. Crockett was down town Tuesday, the first time since her recent very severe sickness.

Dr. E. M. Neher was visiting his several patients at Price last Sunday, coming down by automobile.

Helper has twenty-four saloons at this time with a population of not exceeding twenty-five hundred all told.

N. B. Nelson was in the city several days last week, looking after his various interests hereabouts, principally sheep.

Robert Howard, inspector of mines for the Consolidated Fuel company, was doing business in Price last Saturday.

Judge Ferdinand Erickson and M. F. Braffett had business before the district court at Price last Saturday, returning later to Elton.

Clark Thompson of this city has gone to the reservation country to look after and do some improvements to his Indian lease.

Mrs. E. C. Lee of Price recently went to the ranch in Nine Mile to be with her husband, who is on the sick list. Nothing serious, however.

S. A. King, the Salt Lake City attorney, was representing clients before Judge Christensen in an adjourned session of district court last Saturday.

Andrew Young, Sr., of Castle Gate, and Samuel Naylor of Sunnyside were here last Saturday in attendance upon a meeting of the county high school board.

The Denver and Rio Grande has announced a half rate round trip fare from all Utah points on its line for the Mutual Improvement conference at Salt Lake City in June next.

Miss Ellen C. Muirney of the English department of the high school has accepted a position for next year in her home town in Iowa. Her only purpose in resigning her position here and returning to the East is that she may be near her mother and other relatives.

"Uncle Bert" Martin, the picture show man, was here yesterday on his way to Sunnyside, where he will give an entertainment tonight.

The Golden Rule moved this week into its new quarters, where ample space is afforded for the very large stock of dry goods carried by this firm.

J. C. Jensen the first of the week purchased twelve hundred head of sheep from Joe Frederickson. The price paid was \$5.00 for lambing ewes and \$2.50 for yearling ewes.

Hyrum A. Southworth of Desert Lake was here Monday on one of his periodical trips, selling some alfalfa seed, which is now going at around eight cents in the local market.

Chaslin & Jeanesme commenced doing business this week at the old Golden Rule stand. They also have a new delivery wagon in the field. George Fausett is the clerk for the new firm.

W. T. Woods, the man at the block in the Carbon Commission, by a clever movement Tuesday, succeeded in so severely cutting his left hand that he was about put out of commission.

L. R. Evans, chief clerk at Castle Gate, was here between trains Tuesday afternoon. The new town organization has started off in good shape. Liquor licenses in the coal camp are \$600.

Carlo Delpiaz of Helper was a business visitor in Price last Friday. He is now conducting the bar room in connection with Hotel Helper. Business at the railroad town is anything but good.

Naft M. Madson was down from Scofield last Saturday attending a meeting of the Price Commercial bank directors and a session of the county high school board. He returned home Sunday.

Leht Jensen of Wellington was transacting business in Price last Friday. The farmers of his section are well along with plowing and ditch cleaning and generally are in hopes of a prosperous year.

J. Tom Fitch, Helper pioneer and a large owner of real estate at and around the railroad town, was in the county seat last Saturday. Petitions are in circulation for local option there, to be voted on in June next.

W. T. Goeben, the Grand Junction (Colo.) sheepman, was transacting business at Price last Saturday. He is shearing in the eastern part of the state at this time. His wool clip averages well this season.

Owing to the press of other business, J. M. Whitmore asked to be released from serving on the executive committee of the arrangements committee of the bankers' meeting here, and A. W. McKinnon has been appointed in his place.

Look to Your Plumbing.

You know what happens in a house in which the plumbing is in poor condition—everybody in the house is liable to contract typhoid or some other fever. The digestive organs perform the same functions in the human body as the plumbing does for the house, and they should be kept in first-class condition all the time. If you have any trouble with your digestion take Chamberlain's Tablets and you are certain to get quick relief. For sale by all dealers.—Advt.

Agents and demonstrators in every city and county to handle Dr. J. H. Hory's Sarsola Skin Food. King of all face beautifiers. Never fails on eczema and sores of any nature, pimples, blotches, blackheads and rough skin. 50 per cent to five agents. Box 446, Salt Lake City, Utah.—Advt.

George Melas of this city, an expert in machinery, has gone to Green River to set up a refrigerating plant of McPherson Bros.

Quince Crawford, a prominent sheepman of Mantle, went down in the valley yesterday morning to his herds, preparatory to getting them in shape for shearing which will commence the latter part of next week.

A. J. Lee has severed his connections with the New York Cash store. Ambrose Walsh succeeds in the management. Mr. Lee has not yet made any decision as to what he will engage in but will probably make Price his place of business.

The Denver and Rio Grande is issuing to patrons and friends of the road a new series of the 1914 picture calendars. The calendars carry twenty-four views of scenes along the Denver and Rio Grande and the Western Pacific railroads.

John Crawford, one of the oldest of The Advocate family, was down from Panther Canyon last Saturday. He went from here to Sunnyside, where he has numerous friends among the old timers of Carbon county, as well as several relatives.

Prof. Willard L. Peterson of the Carbon county high school has declared his intention of going into business in Idaho. On April 23, 24 and 25 he made a visit to Pocatello and other Idaho towns and expresses himself as being very much encouraged with the outlook.

Principal F. B. Davies and family will leave for Provo immediately after school closes here. Mr. Davies has secured a position in the public school there for next term. It is with genuine regret that the pupils and parents in Price learn of Mr. and Mrs. Davies' intention to return to Provo.

Alfred Seamount came in from the stock range on Tuesday and journeyed to Price to meet his wife. It will be remembered that Mrs. Seamount was very near death a year in the winter and while recovery was slow, we are glad to learn that she has regained her health.—Green River Dispatch, 10th.

J. P. May, formerly with the Consolidated Wagon and Machine company at Price, is this week to take charge of the Dechemme Record at Myton, and himself and family will move out to the reservation country this week. May was at one time on the staff of the Salt Lake Tribune. Numerous friends at Price, where they were well and favorably known, will wish Mr. and Mrs. May well in their new home.

Wall Boston came home from Price Saturday night and has been spending a few days visiting his family and looking after business matters. He has his big building contract well under way and will get it finished on time. He says the weather is much cooler there, there still being ice on the north side of the building he is erecting for J. B. Middleton. Boston will probably work up there all summer, maybe longer.—Green River Dispatch, 10th.

Warning has been issued from the department of agriculture at Washington, D. C., to the potato growers of the entire country to watch carefully for what it calls "powdery scab," a disease first noticed in this country last year, and thought to have been brought here in a big consignment of potatoes imported from Europe. The powder scab is a fungus growth that attacks young potatoes. The department has prepared a bulletin giving methods of controlling it.

Lee Cooper and Mrs. Hallie Hunt of Myton were united in marriage Tuesday afternoon by Justice Lee. The bride is the daughter of Mr. and Mrs. H. Calvert, who were among the very early settlers on the reservation. The marriage marks the end of a love romance between the contracting parties extending over a period of several years. The groom is an industrious young man and was one of the first homesteaders after the reservation was thrown open. Mrs. L. W. Odehry, also of Myton, was here Tuesday on business and was a witness to the ceremony.

Clothes tailored in Price at the Modern Tailors, next to the Savoy.—Advt.
