SHORT ATTACK HURTS STOCKS

Acute Heaviness Strikes N. Y. Market After Buying Movement Wans

NEW YORK, May 2.—Trading on the stock exchange today opened with a number of substantial advances, sentiment evidently being encouraged by the absence of labor disturbances during the May day recess.

Brokers reported many buying orders from interior points. General Motors was the strongest feature at the outset, gaining 5 points. Replogle, Studebaker, Baldwin and Mexican Petroleum gained 1 to 2¼ points. The demand for rails was light at irregular changes.

The advance subsided as soon as the buying power had run its course. Shorts then resumed their recent attack on such issues as American Woolen, Crucible Steel and General Motors, in which reactions ranged from 5 to 12 points, other leaders losing 1 to 3. Last week's indifferent bank statement and indications of a continuance of the recent high rates for call money also contributed to the backward movement. Trading became dull as prices yielded and demand loans opened at 9 per cent. There was further liquidation of Liberty bonds, the 3½s and the third 4¼s making new low records.

Heaviness became more acute during the noon hour, the Mexican situation being added to other unfavorable developments. General Motors extended its loss to almost 20 points and Crucible Steel showed an extreme decline of over 10. Other industrials, also shippings and rails, were also 2 to 6 points under last week's final prices.
