

OLD KING COAL DECLARES A HOLIDAY

KICKING UP BIG ROW IN GERMANY

Hertling's Speech Has Enraged Military Leaders, Who Are in Danger.

LONDON, Jan. 27.—Reports of disturbances in Germany again are current in Holland and severe outbreaks are said to have occurred in the Rhenish industrial districts. Troops with machine guns have been summoned to Muelheim, on the Rhine, opposite Cologne, but there are no details.

LONDON, Jan. 27.—What news has been permitted to pass the German censor indicates that a political hornet's nest has again been stirred up in Germany. A dispatch from Zurich to the Exchange Telegraph company quotes the Berlin correspondent of the Frankfurter Zeitung as saying that the Pan-Germans are "kicking up a tremendous row" and declaring that Field Marshal von Hindenburg and General von Ludendorff, dissatisfied with Chancellor von Hertling's speech before the main committee of the reichstag, are again talking of retiring.

Emperor William himself has not been spared, the Deutsche Tages Zeitung styling him the "present representative of the house of Hohenzollern, probably desiring to show by a parallel between the emperor and the crown prince that the annexationists cherish the latter as the savior of Germany at the last moment "from sinking in the abyss dug by four men—Dr. von Kuhlmann (German foreign secretary), Count von Hertling (imperial chancellor), Count Czernin (Austro-Hungarian foreign minister), and Count von Roederer (German secretary of the treasury).

The newspaper adds that King Ludwig of Bavaria already has made representations to Emperor William regarding the political situation which has arisen.

The Deutsche Zeitung declares the

chancellor's speech is equivalent to a battle won by the enemy.

BE PRETTY! TURN GRAY HAIR DARK

Try Grandmother's Old Favorite Recipe of Sage Tea and Sulphur.

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and luster to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays, by asking at any drug store for "Weyth's Sage and Sulphur Compound," you will get a large bottle of this famous old recipe, improved by the addition of other ingredients, at a small cost.

Don't stay gray! Try it! No one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, glossy and attractive. Weyth's Sage and Sulphur Compound is a delightful toilet requisite for those who desire dark hair and a youthful appearance. It is not intended for the cure, mitigation or prevention of disease.—Advertisement.

U-BOATS ARE TO ATTACK IN FORCE

Will Strike With All Power When Great Offensive Starts in West.

WASHINGTON, Jan. 28.—Warning that the Germans are preparing for a great submarine offensive against the American lines of communication with France, in connection with the pending Teutonic drive against the west front, is given by Secretary Baker in his weekly military review made public last night by the war department.

Recently there has been a marked decrease in the number of allied merchant ships sunk by submarines. The explanation for this is found in the withdrawal of submarines in preparation for the coming thrust on land and sea.

"During the period under review, renewed activity along the entire western front is noted," the report adds. "The region bordering the North sea has once again become the scene of severe fighting."

RAILROADS MUST CUT EXPENSE

Lobbyists Must Go and Passes Be Taken Up—No Politics Eliminated.

WASHINGTON, Jan. 27.—William G. McAdoo, director general of railroads, tonight officers and directors to cut off immediately from the rolls all legislative railroad lobbyists, super-numerary lawyers, useless railroad literary associations, political payments and all passes, intrastate as well as interstate.

Director General McAdoo would not discuss his sweeping order tonight. But from other sources the broad hint was obtained that the possibility is very strong that topheavy boards of directors also may be struck by the government cowcatcher.

Several million dollars will be saved within the first year of this drastic step, it is estimated tonight.

Captain Angier, head of the British mission at the camp, declined to discuss the affair.
