BARROW THINKS RED SOX GREAT

Boston Has Rebuilt Team Systematically—May Figure in World's Series.

BOSTON, March 7.—When the time comes for the annual world's series show I think the Red Sox will have earned a chance to meet the National league champions.

This is the way Ed G. Barrow, former president of the International league and now manager of the Boston Red Sox, looks at the baseball map this season.

Two months ago every fan predicted that the Chicago Sox delegation would "repeat," but with systematic work the Boston club has been rebuilt until it now looms up as a probable contender in the minds of not only its manager but the whole baseball world.

When Jack Barry, Lewis and many other Red Sox stars signed to play with Uncle Sam in the war game this year, things looked dark for the Sox. Now, after collecting stars for other clubs, taking up some of the International league players and practically incorporating the whole of the once world-beating Athletics, Frazee's outfield is a well-rounded out organization again.

Besides gathering in players from other American league clubs, Johnny Evers has been added to the roster. Evers, who has the distinction of winning a world's series with the assistance of Merkle's bone, is still a valuable asset to baseball.

The Boston manager has not been inclined to discuss the intricate problems of how and where he will play his men in the coming pennant race, but has been studying the playing ability of the men for some time.

"I am still after players," declared Barrow today. "We cannot afford to let any grass grow under our feet and expect to cop the honors."

CAPTAIN TO DEVOTE TIME TO ATHLETICS

CAMP DODGE, Ia., March 7.—Captain John L. Griffith, director of athletics at this cantonment, announced today that he would resign March 12 as athletic director at Drake university, Des Moines, in order to devote all his time to the work here.

JAMES COFFROTH NEGOTIATES FOR TIGER FRANCHISE

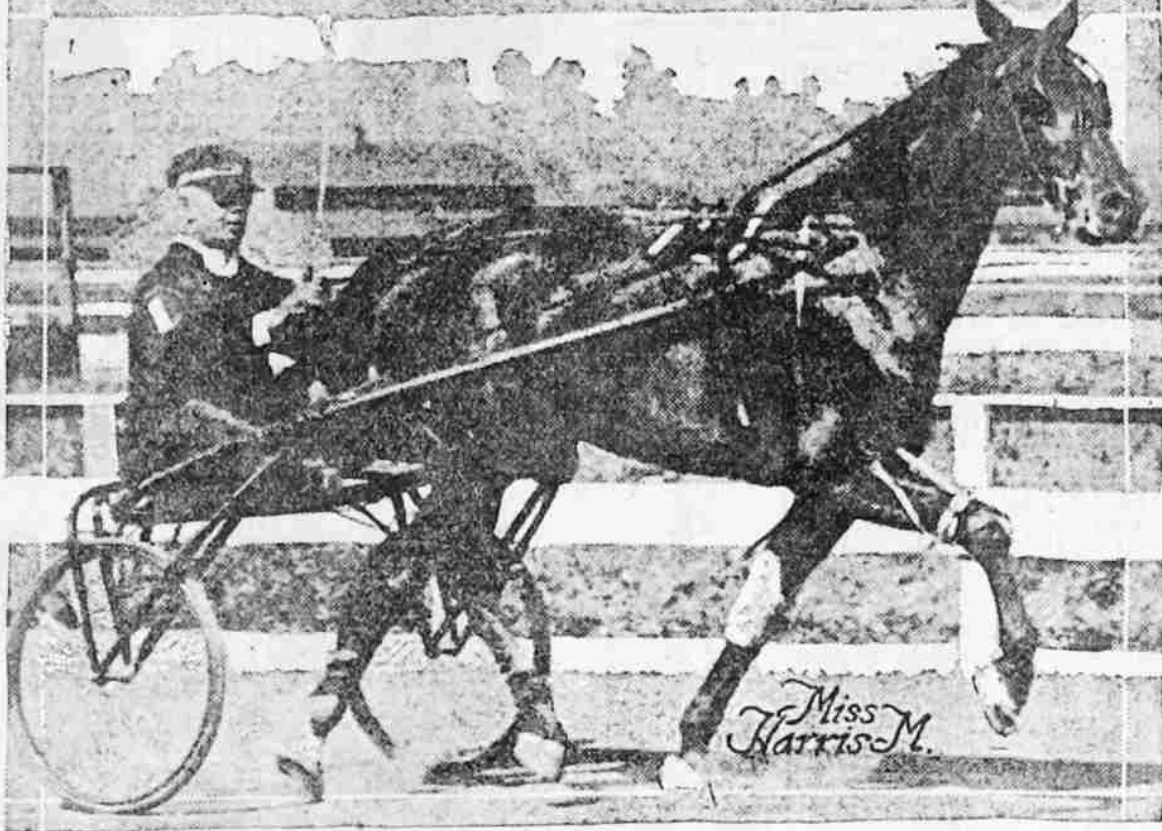

LOS ANGELES, March 7.—San Diego may get in the Coast league after all. This became known here today with information brought from the south that James W. Coffroth and J. P. Atkin are behind a movement to obtain a franchise for the Camp Kearny suburb.

Coffroth is president of the Lower California Jockey club, which chased the ponies around the Tijuana track until the state department put a fatal crimp in the racing game there by its quite recent passport ruling. Atkin is a large stockholder in the club and at one time owned the Sacramento team in the Coast league.

The two possible magnets have opened negotiations with owners of a club in the Coast circuit, have surveyed San Diego with a view of selecting a site for a ball park and are only waiting the exhibition games to be played here by the Angels and Chicago Cubs to learn just how San Diego will patronize class AA ball.

LOU DILLON'S RECORD THREATENED AS MURPHY PREPS MISS HARRIS M.

This is a story about a great pacing mare which is not temperamental. That's one of the reasons she's a great mare. Other reasons are her breeding and the fact she has speed and a great racing heart.

The mare is Miss Harris M., who last year set a new mark for pacing mares by stepping a mile in 2.00.

Even more wonderful than this was her race record for the year. She won 12 out of 15 races in the free-for-all class against the greatest pacers of the year, finishing second one year and poorer than second only twice.

Tommy Murphy, one of the greatest drivers and trainers on the grand circuit has bought Miss M. and will use her in an attempt to realize his greatest ambition, that of breaking the world's record for harness mares.

This gave the Oaks a day off and everybody took advantage of it. Bill Prough trotted out his checker board and challenged anyone desiring to get walloped in that branch of sport. The sun came out after lunch and a tournament for hogshoe throwers was begun. Everybody from the mascot of the camp, Edwin Arlett, to the big boss himself enjoyed the holiday.

The news that Speed Martin had signed his contract was flashed about the camp this morning. Martin is one swell pitcher, and Del was glad to hear that the youngster would be in camp in a few days.

Indian Lockhart, the Willits hurler, has also promised to report. Eddie Menzies's father, the man who recommended the Indian, declares him to be as good if not better than Casey Smith of the Seal squad. Catcher Honus Mitze is to report Monday.

SEALS HELD BACK BY RAIN STORM

SKIPPER THOUGHT FRESNO IDEAL FOR TRAINING CAMP—BALL FIELD A LAKE.

FRESNO, March 7.—The skipper of the San Francisco Seals picked out Fresno as the one place in the world where he thought there was sure to be good weather for training his squad of hopefuls.

The ball ground is afloat and the streets are afloat. The only trouble is that the water is so sold. It was out of the question to attempt any outdoor exercise today, but the men availed themselves of the hospitality of the Y. M. C. A., where a light workout at indoor baseball was held, followed by a frolic in the big swimming tank.

Phil Koerner put in an appearance today, and a recruit from Tulare county was added to the meal roll. His name is Clinton Luke. Everybody fell in love with him when he got into action in the gymnasium today. Every move was a picture and he did not make a false motion with either the ball or the stick.

Graham is beginning to worry about Jocko Calvo, the Cuban, who has not put in an appearance and neither does he reply to many cables to Havana.

HUGGINS STARTS FOR MACON CAMP NEW YORK, March 7.—Miller Huggins, new manager of the Yankees, will start tomorrow morning for the South with the advance guard of the Yankee players. By March 15 every member of the club will be at Macon, Ga., for the spring training season.

"I have never started for camp with a more likely bunch of men," Huggins summed up the situation today.

"We have the nucleus of a mighty strong ball club. To be sure, I have seen but few of them in action, but I can see a bright future ahead from what study I have made. Seventeen players are now under contract.

BOODIE SENDS PING NEW YORK, March 7.—The New York American league club completed a triangular deal today which added Frank ("Ping") Bodie to the team as an outfielder.

Bodie was obtained from the Philadelphia Athletics in exchange for George Burns, first baseman of the Detroit Americans, whom the local club purchased for cash in order to put the deal through.

CAMP LEWIS HAS A FINE THEATER

Seats 3,000 Soldiers and Affords All Kinds of Amusement—Has Splendid Acoustics.

CAMP LEWIS, Tacoma, Wash., March 8.—When the men of the national army left their homes and came to Camp Lewis to take their place in preparing to fight the battles of democracy, they did not leave behind all the pleasures and entertainment they enjoyed at home.

In fact many of them found living at Camp Lewis had many attractions of a nature not provided at home.

Particularly is this true of the Liberty theater, a large structure seating 3,000 persons on its only floor and providing first run motion pictures, entertainments by soldiers, talent and soon to give the soldiers the best in vaudeville and other entertainment through the effort of Col. E. A. Braden, prominent theatrical manager and director of camp entertainment.

Though the plain wooden seats form a strange contrast to the elaborate upholstery of the metropolitan theater, the distinction between the Liberty theater and the playhouse of the big cities ends there for the stage equipment, settings and electrical arrangement are the best to be had anywhere and the acoustics are so perfect ordinary conversation from the stage can be heard distinctly in the farthest corner of the house.

The orchestra pit is large and roomy and provides plenty of accommodations for the twenty-two musicians and the \$1575 concert grand piano. Four of the men are from the symphony orchestra of San Francisco, three from the Los Angeles symphony and four from the Seattle symphony.

There are twelve excellently equipped dressing rooms for the performers, all carpeted and well furnished.

A spot light from the rear, made double the usual strength brings out in full relief the performers on the stage and the projecting machines and rooms, in the rear, for motion pictures are of the latest models.

The theater already has proved a popular part of life at camp. Only the best in motion pictures is being played and frequently the theater cannot accommodate the men who seek admission.

BOX ELDER WINS OVER B. Y. U. HIGH

Stages a Come-back on Probable Winners—Tooele Also Surprises Branch A. C.

LOGAN, March 7.—In one of the biggest upsets of the basketball season, Boxelder tonight defeated the strong B. Y. U. high school five, looked on as probable state title winners, 23 to 18.

The Provo team led at the end of the first half, 10 to 9, but the Boxelder boys showed a style of ball in the second period that was not to be denied.

Close guarding held the score down, each quint finding difficulty in getting clear shots at the ring. The Watkins brothers in the forward positions for the Brigham City quint were the mainstays of their team, while Brown and Willis performed in the best style for the B. Y. U.

Branch A. C. hit a snag in the second contest and lost to Tooele, 34 to 22. Superiority of basket shooting and passing won for the Smelter quint, as Branch A. C. failed to follow the ball with any degree of consistency.

Coach Christensen's men were slow in passing and had few shots at the basket. The game was marred to some extent by technical refereeing, twenty fouls being called on Branch A. C. by Simmons.

Harris of Tooele was the star performer, as he held Leigh, who was high man against Boxelder last night, scoreless, and annexed two baskets for himself. Kirk of Tooele and Urie and Eyre of B. A. C. also played well.

The games tonight leave all teams tied in the fight for the pennant and for this reason it will be necessary to extend the play to Saturday. Boxelder and Tooele will play tomorrow night and Branch A. C. is to meet the B. Y. U. in the second contest. The two winning fives will decide the leadership in an encounter Saturday while the losers will contest for third place.

In games played this afternoon Grace, Ida, lost to Kamas, 46 to 28, and the Aggies defeated Lehi high school, 38 to 21.

The lineup and summary of the Boxelder B. Y. U. game: B. Y. U. Boxelder. Brown 10, Urie 10, D. Watkins 3, Willis 3, M. Keeler 2, Cornia 1, Swenson 1, Llylwhite 1, Paige 1, G. Watkins 1, C. Keeler 1.

Field baskets—Swenson 1, Willis 3, Brown 1, D. Watkins 3, T. Watkins 4, Cornia 1, G. Watkins 1.

Fouls—Willis, 8 out of 10; Cornia, 5 out of 9. Referee, Tommy Fitzpatrick; umpire, Lee Simmons.

The lineup and summary of the B. A. C.—Tooele game: B. A. C. Tooele. Urie 10, H. Steers 10, Kirk Jones, Gardner 2, Stephens 1, K. Wood 1, Cooper 1, Eyre 1, Harris 1.

Field baskets—Urie 2, Jones 1, Eyre 3, Staples 3, Kirk 1, Stephens 3, Cooper 3, Harris 2.

Fouls—Urie 6 out of 12; Staples, 0 out of 3; Harris, 0 out of 1; Kirk, 10 out of 16. Referee, Simmons; umpire, Fitzpatrick.

BEES PLAY POOL TO TAKE UP TIME

PORTERVILLE, Cal., March 7.—Walter McCredie and his crew of eleven Bees put in a hard day playing Kelly pool. A perfect torrent of rain today not only disposed of any plans for practice, but also put into the discard any prospect for the recruits going out to take their first workout tomorrow.

Fortunately, the baseball diamond which the Salt Lake boys will use is so laid out that only a day of sunshine is needed to put it into good shape for play.

Plans for an exhibition game next Sunday are about off. Contracts were signed today by the publicity organizations for a game next Sunday between the Bees and the fast marine corps aggregation from San Diego.

As there are a number of big leaguers and minor leaguers on the marine team the Bees will find themselves face to face with a real baseball game.

The recruit list was increased by two this afternoon when Lyman Smith and Jack Gomes reported. The former is an outfielder from the Pasadena club, the same one which turned out Dick Cox, while the latter is a Los Angeles semipro catcher whose work made a hit with Skipper McCredie during the winter.

WILL ENTER FRENCH ARMY. PRINCETON, N. J., March 8.—Princeton will be the training center of the first contingent of 500 Young Men's Christian association workers who are soon to be sent to France in response to a request from Premier Clemenceau, to serve with the French army, it was announced here tonight.

The Princeton faculty, particularly the French department, has volunteered its services in the instruction of the 200 men who will take charge of French Y. M. C. A. huts.
