UTAH ELKS TO MEET IN CONVENTION AT PROVO

The fifth annual convention of the Utah Elks state association will be held June 5 and 6 at Provo, according to announcements made today by local members of the lodge. At a meeting yesterday of the executive committee of the state association a tentative program was outlined for the convention. Harold J. Packer is secretary of the state association and attended the convention with John Culley. Mr. Culley was named chairman of the committee on constitution and by-laws.

The tentative program was mapped out as follows: Wednesday, June 5, 11 a. m., opening session; second session Wednesday, 2 p. m.; third session Thursday, 10 a. m., at which officers for the ensuing year will be elected. A grand parade will be given Thursday afternoon and a banquet in the evening. Patriotism will be the keynote of the convention.

The members of the executive committee who met last night, are as follows: Oscar A. Forslund, president, Park City; Harold J. Packer, secretary, Ogden; P. P. Christensen, Salt Lake; George Huss, Ogden; Eugene Henrick, Provo; L. P. McGarry, Park City, and Edward Pike, Eureka.

ENEMY RELIES ON GREAT NUMBERS

Fresh German Divisions Press Forward Without Waiting for Artillery Support.

LONDON, March 25.—The Germans, says the correspondent, are relying upon sheer weight of numbers in their heavy attacks on the British lines, relieving their tired troops by fresh divisions which press forward without waiting for artillery support.

CONTRACT LET FOR EXTENSIVE ADDITION TO THE SHEDS OF OGDEN UNION STOCKYARDS

On account of the increase in the business of the Ogden Union Stock Yards, it was found necessary to build many more pens.

Work on the building of the pens began a week ago. Forty pens, each 40 feet square and covered so as to make them into ventilated sheds are being built by Contractor C. J. Humphries, who has a force of carpenters rushing the sheds and pens to completion. These sheds are for the accommodation of the horses that are constantly coming in to Ogdan.

The Ogden Horse Sales company, of which Otto Meek is manager, has increased its business within the past year until it is known among stock men all over the west, and it has no

little share in making Ogden known as a stock center.

The Horse Sale company has been purchasing horses and mules for the government and high blood stock for individuals. Sales are held very often and those wishing to buy can do so in Ogden in the open market. A sale is running for the first three days of this week. Mr. Meek states that he has on hand for his auction 600 head of horses and mules; 200 bulls and one carload of fine blood stallions, one car of 'Jacks,' and a load of blooded cows. All this stock, except the 600 horses and mules, is fine blood stock. The bulls and cows are of the Short-horn and Hereford breed. Many buyers are coming here from various places, a number of them from San Francisco.

PRAISES FOR BRAVE TROOPS

King George and President Wilson Congratulate Field Marshal Haig and Predict Victory.

LONDON, March 25.—King George today sent the following message to Field Marshal Haig:

"I can assure you that the fortitude, courage and self-sacrifice with which the troops under your command continue heroically to resist greatly superior numbers are realized by me and my people. The empire stands calm and confident in its soldiers. May God bless them and give them strength in this time of trial."

WASHINGTON, March 25.—President Wilson today cabled Field Marshal Haig congratulating him on the British stand against the German offensive and predicting a final allied victory.

The president's message reads: "May I not express to you my warm admiration for the splendid steadfastness and valor with which your troops have withstood the German onslaught and the perfect confidence all Americans feel that you will win a secure and final victory."

WOOD CALLED BEFORE SENATE

SENATE PASSES TIMBER BILL

WASHINGTON, March 25.—The war department bill empowering the president to requisition timber and lumber to conduct logging operations for the army, the navy and the emergency fleet corporation, was passed by the senate today and now goes to the house.

The conference report on the \$150,000,000 urgent deficiency appropriation bill including riders authorizing sale of all enemy property in this country and for purchase by the government of German wharves and docks at Hoboken, N. J., was adopted today by the senate sixty to one and sent to the house.

JESS WILLARD SIGNS ARTICLES

CHICAGO, March 25.—Final articles closing a heavyweight championship match between Jess Willard and Fred Fulton of Rochester, Minn., the challenger, were signed today.

Willard, it was revealed in the new set of articles, is to derive 75 per cent of the net profits made by Colonel J. C. Miller, promoter, while Fulton is to receive a flat sum of \$20,000. The agreement also stipulates that Miller shall have the right to sell or transfer the bout to such person, or persons as he may see fit.

"If I am successful in selling the match for \$100,000 or more—in fact any amount—I will have to pay Fulton \$30,000 and give Willard 75 per cent of the balance," Miller explained. "I may not be able to sell the match. If I don't, I shall promote it myself. There's one thing certain—Willard and Fulton will fight some place for the championship the next Fourth of July."

The articles stipulate that Willard and Fulton shall open training quarters in the vicinity of the city where the contest is staged for at least three weeks prior to the bout. The number of rounds to be fought will depend entirely on the laws of the state.

GERMANS CAPTURE TWO MORE TOWNS

LONDON, March 27.—The capture by the Germans of the towns of Neste and Gutsenard, northwest of Berlin today, is confirmed in this evening's British official statement.

FIRE AT TIRE REPAIR SHOP CAUSES DAMAGE

The city fire department made a record run this morning when an alarm came in at 11:30 o'clock from 2374 Hudson avenue, a tire repair shop operated by W. M. Miller. The department succeeded in reaching the scene of the fire almost as soon as the parties at the shop finished telephoning and the flames were extinguished in quick time.

The fire started in the rear of the place in the vulcanizing room. It is believed that a can of high test gasoline which was used for vulcanizing purposes became ignited from the gas fumes coming in contact with the flame of the vulcanizer. No one was in the room when the flames started. The attendants were in the sales room in front. Several hundred dollars worth of tires and tubes were burned but insurance covered all the damage.

HIGH SCHOOL FUND TO BE GIVEN OVER TO RED CROSS

A meeting at the high school this morning, attended by Warren L. Wattis, Dr. E. I. Rich and Superintendent H. C. Johnson, ratified the action previously taken by the student body by which the funds derived from the recent Classicalla and the forthcoming production of "Over Here" are to be turned over entirely to the Red Cross. Proposals to endow an ambulance, invest the money in war savings stamps or other patriotic services were rejected in favor of the Red Cross as offering the opportunity for the most good.

The Classicalla and the junior dramatic production are annual events aimed at securing money to give the usual junior prom, the feature dance of the school year. The high school students were unanimous in agreeing that this year's festivities should be sacrificed to the nation's needs.

Warren L. Wattis, in behalf of the Red Cross, thanked the students of the high school for their patriotic offering.

AMERICAN LINE UNDER ATTACK

Enemy Airplanes Bombard Town Inside U. S. Lines With Gas Shells and High Explosives.

WITH THE AMERICAN ARMY IN FRANCE, Sunday, March 24.—(By the Associated Press.)—For the third consecutive day German artillery today bombarded heavily with gas shells a certain town within the American lines. Today's bombardment was made in two periods, each a half hour in length. More gas shells and a few high explosive shells fell on the American positions.

The weather was especially suitable today for aerial work and the Germans took advantage of it. On one portion of the sector fourteen enemy airplanes crossed between noon and 6 o'clock in the evening while four friendly ones were over the American line in the same period. One group of seven enemy machines, apparently on a bombing expedition, was discovered at mid night and driven off by the rapid fire of American anti-aircraft guns.

An American patrol has brought in quantities of valuable papers from the bodies of five Germans killed in a shell hole by American artillery fire a few days ago. Among the papers taken from an elderly soldier was a letter from his daughter saying: "We are being told now that peace will surely come in July or August. Every boy was highly elated when the news of the Russian peace was received."

SERVICE CROSSES FOR AMERICANS

Officers and Privates Decorated for Distinguished Bravery in Action.

WITH THE AMERICAN ARMY IN FRANCE, Sunday, March 24.—(By the Associated Press.)—On the Toul front there was considerable artillery activity during the night. American guns heavily shelled the German front line positions. Enemy batteries replied, using many gas shells. Later photographs were taken from airplanes of the damage inflicted by the Americans.
