RODGERS' MEN HIT HARD AND WIN

Sacramento Scores 4 to 3 Over Los Angeles—Wille Makes Star Catch.

SACRAMENTO, May 15.—Bill Rodgers' men hit Brown hard in the pinches and won from the Angels, 4 to 3.

Until the eighth, Brenton allowed only three hits. In that frame, however, the Angels got through the Sojons' defenses for two runs on an error by Forsythe, a walk and two singles.

Fournier tripled in the ninth and was scored a minute later, but there the rally stopped.

Wille made a star catch when he ran into the bleacher fence for a foul fly.

CARDS AND BRAVES HAVE GREAT FINISH

ST. LOUIS, May 15.—St. Louis rallied in the ninth and tenth innings today, winning from Boston, 3 to 2, after the latter had scored the first two runs of the game in their half of the ninth.

RUBE MARQUARD IS ONCE MORE VICTOR

PITTSBURG, May 15.—Brooklyn defeated Pittsburgh today in the opening game of the series, 5 to 1. Marquard was hit freely in the first five innings, but kept the blows well scattered.

CINCINNATI, O., May 15.—Benton's one base on balls, followed by a sacrifice and a two-base hit by Roush, gave Cincinnati the winning run over New York in the first game of their series today.

FORMER OGDEN MAN DIES AT MT. VERNON, WASHINGTON

Dave Patterson, well known in Ogden and husband of a former Ogden girl died at Mt. Vernon, Wash., after an illness of several months.

From the "Humboldt Star" of Winnemucca, Nev., we note the following account of his death:

"Dave Patterson, a former well known Nevada mining man, died at Mt. Vernon, Wash., after an illness of several months.

"He was one of the original leasers of the Big Four lease in the early days of Rochester, together with Billie Robinson and 'Slim' Ludwig and made considerable money."

"It was while working in the mine at Rochester that Patterson was the victim with arsenical poisoning, from which he never fully recovered.

"Two years ago he married Miss Ceell Hyland, of Ogden. Soon after this he took over the Kenyon hotel of San Francisco, but a year later was forced to retire from active business on account of ill health.

"Last August, he was taken to Seattle, his old home and for the past three months has been confined to his bed.

"Patterson is survived by his widow, two sisters and six brothers in Seattle and one brother, Walter, a mining man of this state.

"The funeral was held in the Catholic church, at Mt. Vernon, Washington, May 8.

MEN MAKE RECORD AT CAMP KEARNY

Supply Company at Top in Rifle Scores—Every Shot Is Recorded.

CAMP KEARNY, Cal., May 15.—Throughout both drill periods today the Utah men popped away with their rifles in their qualifying course and achieved some scores that will make the sharpshooters of the infantry companies look to their laurels during the record course which will follow.

Although this afternoon has heretofore been a holiday for the artillerymen there was no letup in work on the range and the men carried their lunch so no time would be lost in completing the practice. The supply company today holds the record of the regiment with a score of 36.8 out of a possible 50 in the slow firing. The standing of the units are as follows: Supply company, 36.8x50; C battery, 36.5x50; D battery, 33.9x50; headquarters company, 33.9x50; F battery, 33.1x50.

To the person who sees for the first time a rifle target range with 100 targets arranged side by side and 100 men cracking away at the same time, it is a mystery to him how a score can

but could not bunch them to advantage. The score was 3 to 2.

Score by innings: New York . . . . .002 000 000—2 Cincinnati . . . . .000 100 11—3 Summary: Errors—Zimmerman, Fletcher 2. Two-base hits—Roush, Benton. Three-base hits—L. Magee, Burns. Stolen bases—L. Magee, Kauff, Burns. Sacrifice hits—L. Magee, Griffith. Double plays—L. Magee to Blackburn; Rodgers to Fletcher to Holke. Left on bases—New York 6, Cincinnati 4. First base on errors—Cincinnati 3. Bases on balls—Off Eller 1, off Benton 1. Hits—Off Schneider 4 in two and two-thirds innings; off Eller, 6 in six and one-third innings. Struck out—By Eller 2, by Benton 2. Winning pitcher—Eller.

PHILS DEFEAT CUBS; HELP FOR BALL FUND

CHICAGO, May 15.—Philadelphia bunched hits today and defeated Chicago, 5 to 3, in the first game of the series. Prendergast had one bad inning, the second, and was given fine support, the fielding of McGaffigan being a feature.

Twenty-five per cent of the receipts was given to the "Griffith bait and ball fund," for the soldiers overseas.

Score by innings: Philadelphia . . . . .000 200 110—5 Chicago . . . . .020 000 010—3 Summary: Errors—Stock, Deal. Two-base hit—Merkle. Three-base hits—Paskert, Luderus. Stolen base—McGaffigan. Sacrifice hits—Kiduff, McGaffigan. Left on bases—Chicago 6, Philadelphia 4. First base on errors—Chicago 1. Bases on balls—Off Prendergast 3, off Weaver 1. Hits—Off Walker 8 in seven innings; off Weaver 2 in two innings. Struck out—By Walker 6, by Prendergast 3. Losing pitcher—Walker.

PITTSBURG, May 15.—Brooklyn defeated Pittsburgh today in the opening game of the series, 5 to 1. Marquard was hit freely in the first five innings, but kept the blows well scattered.

Cooper held the visitors hitless in the first four innings, but then lost his effectiveness and Brooklyn scored five runs.

be kept of every man. However, this is done and every shot is scored, and even misses are recorded. The targets are of the disappearing type and after each shot is fired they are pulled into a track, where a soldier who mans each target locates the shot pierced by the bullet.

As soon as he locates this he traces the target so that it may be viewed by the soldier firing and by a system of visual signals tells him where his bullet struck. Each man firing has a man at his elbow who keeps his score and jots down the record of every shot in a book. Over each target a huge number is placed so that the men firing may be sure to use his own target.

Corporal Lyndon W. Clayton of D battery, today holds the championship of the entire regiment with an average score of 44.5 out of a possible 50, while Private Carl R. Bauer of the same unit is a close second with the score of 43. These records made by these men are considered especially good inasmuch as the wind has been strong and much dust is blown between the targets and the firing point, which makes shooting extremely difficult.

Corporal Robert Powell and Private Clifford Leavitt also of D battery, shot a score of 41 each. In C battery Sergeant C. K. McAllister made a record of 42. Private Gordon L. Jones 42, Corporal George Ray Dunham of the supply company, is credited with a score of 42.6, while Private Don Lamson and Samuel Martell each shot 42. In headquarters company Corporal Ned Menzies scored 42.

Major William E. Kness, who is in charge of the rifle firing in the regiment, says the work of the Utah men so far has been higher than ever his expectations. In rifle work Major Kneass has had many years experience and is an expert shot himself, having been selected to represent the state at three championship matches in the east. The Utah men, Major Kneass says, have taken to rifles like ducks to water and have accomplished more than anybody he has ever initiated in the art of firing.

Members of E battery were given a new wrinkle in gas defense work last night when they were marched to a canyon a mile from the cantonment and ordered to pitch their shelter tents. As soon as the camp was established the men were allowed leisure. It didn't last long, however, for bombers were hid deep under the brush surrounding the camp and at a signal began heaving bombs among the artillerymen.

A few minutes later the deadly chlorine gas was released from cylinders placed completely around the camp and clouds hung so heavily that it was difficult to even see through the mask windows. Every one had his mask properly adjusted and there were no casualties. While the fumes were densest the men were ordered to break camp and they marched into their battery street with their masks still on. Captain Freeman R. Williams was in charge of the maneuver and Colonel W. C. Webb was present to see the effect of the attack.

It was discovered today that the regiment is now over its allowed percentage in regard to agricultural targets and no more will be granted. The command is allowed but 5 per cent of its enlisted strength.

Twenty-five of the artillerymen who have been chosen to attend the officers' training school marched away this morning to their new quarters, a half-mile west of the Utah camp.

The school will open its intensive instructions course of three months tomorrow morning. For instance, in the artillery organization, guns and horses have been borrowed from the 143rd regiment.

Utah led again in health this week and made another record in the division. The report shows that but 10.9 men were on the sick report per thousand in the Utah command, while the nearest competitor, the 144th machine gun battalion, had more than double this number or 24.3 men. The 145th machine gun battalion came third with 31.6.

AT 74 HE COURTS TWO SISTERS AND NOW HE'S SUING ONE

When a gay old boy of 74 is engaged at one and the same time to two young sisters, and they find it out, something is sure to happen.

Something did!—Orville W. Sexton (he's 74) is suing Grace Sherwood (she's 21) for recovery of a \$7000 home he gave her in Detroit, in response to what he now terms "subtle means and devices, artful caresses and cunning overtures." Celia Sherwood (she's 24) also appears in the testimony as another wearer of a diamond ring which Sexton paid for—a ring almost identical with that which he is alleged to have slipped over the dainty finger of Miss Grace, pretty school teacher from Owosso, Mich. Sexton's attorneys are seeking to show that Celia was the huntress, so far as her part of the engagements was concerned; that she pursued Sexton with attentions, and even threatened to sue him for breach of promise if he didn't discard Grace and marry Celia.

Sexton at first didn't know the girls were sisters. He knew Celia under the name "Townsend," which, she later explained, "she frequently used."
