

The Brunswick

ALL PHONOGRAPHS IN ONE

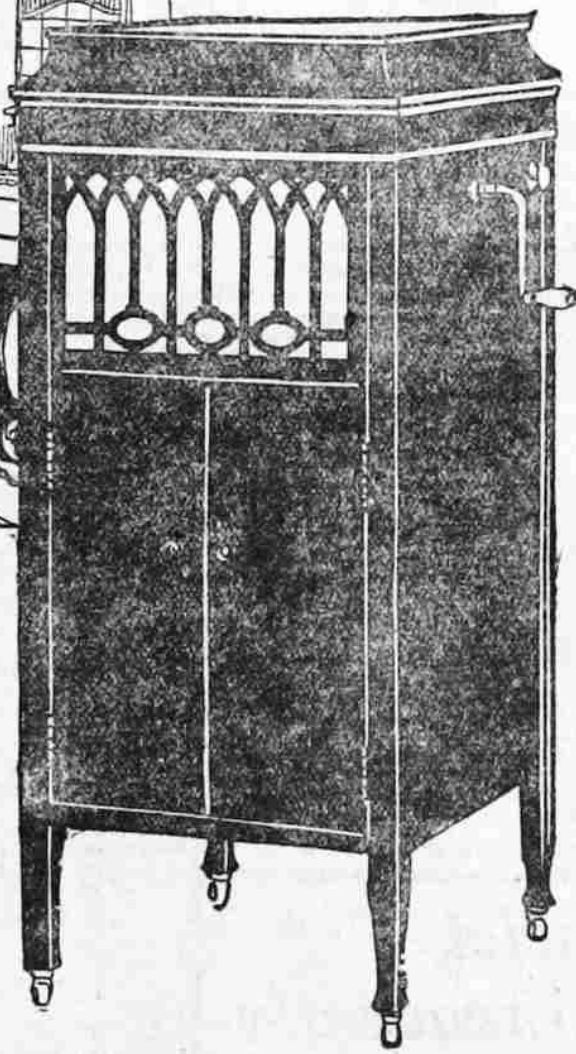

An Announcement of IMPORTANCE

It is a pleasure to announce to the music-loving public of Ogden that we have added "Brunswick Phonographs" and "Pathe Records" to our music department.

"The Brunswick" possesses many wonderful features. Its quality of reproduction is excellent—so sweet and true.

"The Brunswick" plays all records, no matter what make and plays them with such a naturalness.

"THE BRUNSWICK" is not a talking machine, but a genuine musical instrument.

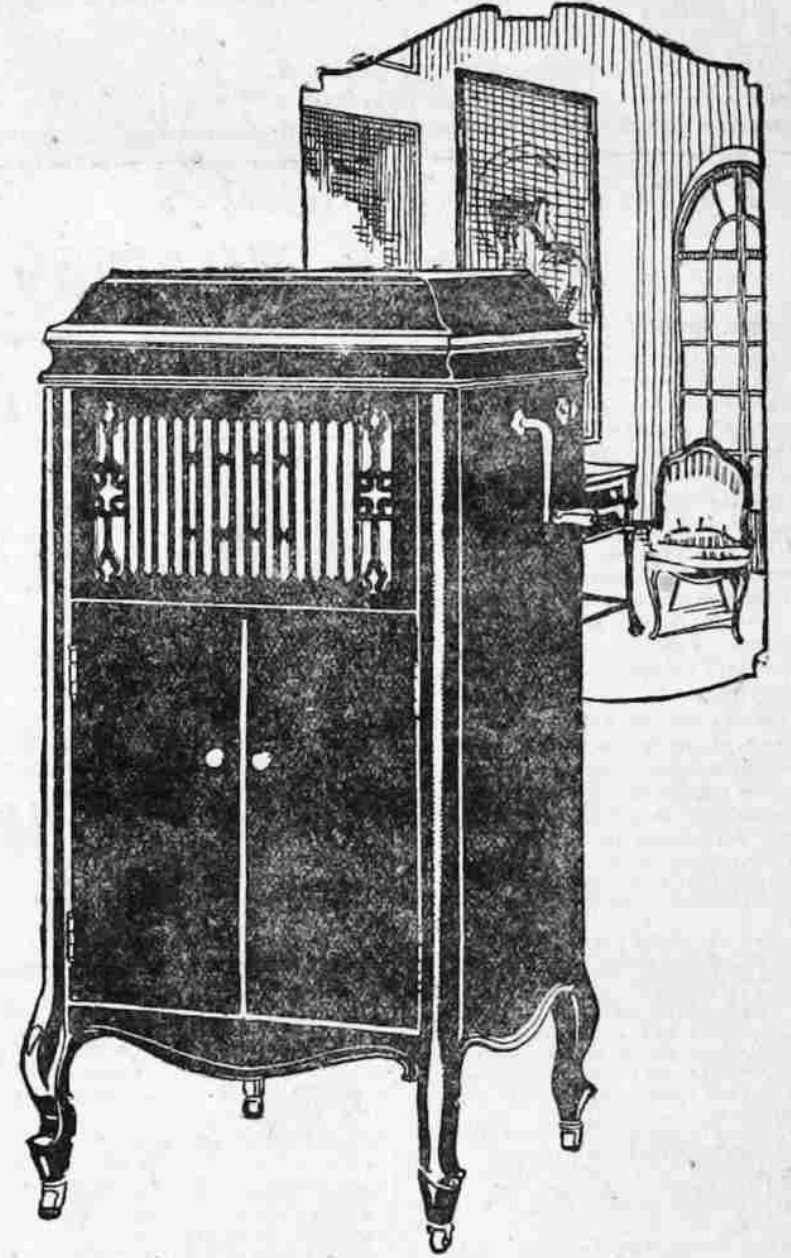

"Brunswick Cabinets are a revelation so easily distinguished amongst others for their artistic beauty, rich quality of veneers and superior workmanship.

Remember

You may use any record on "The Brunswick."

A simple adjustment of the sound box makes it possible to play perfectly your favorite record of any make.

Whether a steel needle or a jeweled point is used, "The Brunswick" is able to meet all requirements.

Come in today and acquaint yourself with the many distinctively individual features of "Brunswick" Phonographs.

It will be a pleasure for us to demonstrate "The Brunswick" to you. We want you to know of its individuality. An actual demonstration will surely be convincing and interesting even though you are not yet ready to purchase your "Brunswick."
