## Miss Della Williams

Last Thursday evening at the First Congregational church, Miss Minnie Moore Brown presented one of her splendid pupils of elocution in a recital program. Miss Della Williams was the young lady who so splendidly entertained an appreciative audience and she was very ably assisted by Herman Fletcher who played "Serenade" by Drida and "Thine Own" by Lange.

Miss Frances Marsh, who accompanied Mr. Fletcher, entered sympathetically into the aim of the violinist.

## Elaborate Plans For Dancing Party For Ex-Service Men of City and County.

DELLA FARMER.

Tomorrow evening on the lawn of the W. L. Watts, James Pingree and David Eccles homes, twenty-sixth street and Jefferson avenue, another of the several war camp community service parties, for the entertainment of all ex-service men of the city and

RUBY DENKERS.

county, will be given and on this occasion the office girls of the several large business houses and blocks of the city will be hostesses. Two of the young ladies, who are lending every effort to make the affair a social success are the Misses Della Farmer and Ruby Denkers. The girls who have the party in charge are not overlooking any feature which will tend to make this event an enjoyable one. Two orches-

tras will furnish music so as to assure continual dancing throughout the evening and in addition to this form of amusement there will be a vaudeville performance staged on the driveway of the James Pingree home. Here bright electric lights will be strung and patriotic decorations will predominate.

Plans have been made for light refreshments and young ladies have been delegated to serve during the evening.

It is the wish of the girls who are hostesses at this party that every ex-service man of the city and county be present tomorrow evening whether or not he has received a special invitation. The notice of these events in the papers is meant for all.

**WEDDING**

Mr. and Mrs. Myron R. Cooley announce the marriage of their daughter, Edith Mildred, to James L. McKie. The marriage ceremony took place last Wednesday.

**MRS. HIBBS GOES TO COAST.**

Mrs. Ambrose P. Hibbs departed this afternoon on the Los Angeles Limited for Los Angeles, Cal., where she will witness the arrival of the Pacific fleet and greet her son, Ensign William Hibbs, U. S. N., who is an officer on the U. S. S. New York.

## North Ogden Society

**NORTH OGDEN, Utah, August 2.**—Mr. and Mrs. John M. Bailey, Mr. and Mrs. E. Nathan Warren and Mr. and Mrs. Clyde S. Campbell formed an auto touring party which left their home here Thursday to be gone for two weeks visiting relatives and friends in different parts of Idaho and expect to visit Mr. and Mrs. Julius H. and Hulda Lundsted Campbell, Mr. and Mrs. Isaac S. and Verna Bailey Campbell and Miss Josie Cooley in Wootley valley; Mr. and Mrs. Walter Warren in Star valley and Mr. and Mrs. Cyrus Inez Stauffer Bailey at Montpelier, Idaho, all former residents of North Ogden.

Mr. and Mrs. Lorenzo Ward followed Saturday, expecting to visit the Wootley valley families named and will also visit Mr. Ward's brothers, Cyrus and Joseph E. Ward at Preston, Idaho.

Mr. and Mrs. Hyrum Blaylock have returned from an extended visit with relatives and friends at Metropolis, Nevada.

James Ward returned Thursday from a weeks visit with friends at Preston, and reports a shortage in dry land crops in that locality, but irrigated lands promise a fair yield.

Mr. and Mrs. William M. Ellis and son Robert are visiting with Mr. and Mrs. Thomas Harper at Lava Hot Springs, Idaho.

Mr. Samuel F. Berrett an early day president of North Ogden stake, but now of Rigby, Idaho, is visiting here with his brother Richard and relatives.

The Misses Veda and Lois Berrett, Bernette Ellis and Douglas B. Ellis are visiting friends at Salt Lake City.

Mrs. Sarah Ann Berrett reached the 84th mile stone in her sojourn in mortal life and the occasion was emphasized by the ingathering of her children and grandchildren and great-grandchildren and the time was very pleasantly spent in games, amusements and social converse, closing with light refreshments and my good wishes for Grandma Berrett who has spent so many years in the interest of the public good and especially in the alleviation

of the sick and suffering.

Mr. and Mrs. Edmund R. Berrett are spending their vacation with relatives and friends at Ucon, Idaho.

A handsome boy weighing 9 pounds was born Friday to Mr. and Mrs. Clarence F. Johnson of Idaho Falls. The mother is a daughter of Mr. and Mrs. B. F. Blaylock, with whom she is stopping and the new arrival is their 29th grandchild.

A good sized audience was in attendance Friday evening in a welcome home social held in the auditorium of the ward chapel and the amusement hall in honor of two more returned soldier boys, Elden R. Dunbar and William L. Blaylock.

The services were conducted by Heber J. Randall and the program opened with a piano prelude by Gilbert Randall and George E. Brown offered the invocation. A reading was given by Myrtle Hubbard, Una Randall sang a solo, and the speech of welcome was given by David C. Shupe with response by William L. Blaylock. The program was concluded with a dance in the amusement hall.

Three others are yet in army service from North Ogden, Paul D. Holmes in France, Miss Annie Hall, Red Cross nurse, also in France, and Thomas A. Marshall at Camp Mills.

**WEDDING**

Mr. and Mrs. Myron R. Cooley announce the marriage of their daughter, Edith Mildred, to James L. McKie. The marriage ceremony took place last Wednesday.

## RAILWAY CLERKS ARE INCREASED HOURS FOR THE WATERING OF THE LAWN ALLOWED BY AUTHORITIES TO HAVE OUTING AT LAGOON

Members of the local organization of the Brotherhood of Railway Clerks will meet at Lagoon next Saturday afternoon and evening with the Salt Lake local for their annual outing. An excellent program of athletic events and speeches is being prepared.

The Ogden clerks will leave Saturday afternoon on special Bamberger train.

One of the features of the outing will be a baseball game between the two locals. The Ogden players express themselves as being confident that they will be able to walk away with their opponents. The game will commence at 2 o'clock.

In the late afternoon there will be a program. Several officials of the brotherhood are expected to be present and deliver addresses.

The outing will be brought to an end by a big dance.

An increase of one and a half hours in the time for watering lawns in the city has been granted by City Commissioner Chris Flygare, head of the waterworks department.

The new schedule, beginning this evening, will be from 5 p. m. to 9 p. m., though this will be allowed only every other day, as has been the plan for about two weeks. The old time was from 6 p. m. to 8:30 p. m. every other day, for the two divisions of the city east and west of Adams avenue. This division, says the commissioner, will continue.

"The situation is still serious," said

Commissioner Flygare this morning, "but there has been a turn for the better since the recent rains, and so we have decided to give more water to the lawns. We may have to change this plan later, if we do not get more rains or if there is not a consistent conservation of water among the users."

"That division of the city from Adams avenue which is entitled to use the water tonight may begin watering lawns at 5 o'clock this afternoon and continue until 9 p. m., and the other division may begin tomorrow evening to do likewise."

**MOTOR TRUCK CONVOY WILL BE GIVEN RECEPTION**

Definite plans were started this morning for the celebration in honor of the army motor transport convoy which is to stop in Ogden, on August 15, on its transcontinental trip when Chairman J. E. Carver, head of the war camp community service, appointed the following committee on arrangements and entertainment:

Mayor T. S. Browning, chairman of entertainment and reception; J. S. Lewis, president of the Merchants of Ogden; County Commissioner Martin P. Brown; George Glenn, of the Rotary club; D. D. McKay, president of the Weber county farm bureau.

This committee may have a few more members added in a day or two, but action will begin at once. The original plans will not be adopted, as the train is to stop in this city only over night, while the schedule as first announced provided for one whole day in Ogden.

Owing to the fact that the soldiers will have crossed over many miles of plain and desert without passing through much orchard or vegetable-producing country, an effort will be made to provide northern Utah fruit in abundance for the occasion. Even though the time is so short for the visit of the train in Ogden, nothing will be left undone to make the men appreciate Weber county hospitality.

The schedule on which the train is operating follows:

**CHICAGO GRAIN**

**CHICAGO, Aug. 4.**—Big drops in the price of corn resulted today from a decided broadening out of selling pressure. Most of the selling was on the part of owners discouraged by the general movement to reduce the cost of foodstuffs and other necessities.

There was much other selling, however, by commission houses and speculators, with buyers hard to find. Opening quotations, which ranged from 4 to 4 1/2¢ lower with September \$1.80 1/2 to 1.82 and December \$1.51 to 1.54, were followed by sharp further setbacks that soon amounted to as much as 8 cents in September and 6 cents in December.

Oats tumbled with corn. After opening 1/4 to 1 1/2¢ off at 72 1/2¢ to 73 1/2¢, September, the market rallied a little, but then descended lower than before. Provisions shared in the general weakness. Lard and pork were especially depressed.

In most cases the lowest prices of the day were current at the finish of trading. Nervousness among holders of corn was prevalent and the July delivery showed a further loss since morning of a full cent, many of the last minute sales being at \$1.48 1/2, being about 25¢ below prices obtaining less than a week ago.

**NEW YORK, Aug. 4.**—Stocks were unsettled at the opening of today's stock market, heavy selling resulting from the latest demands of the railroad brotherhoods. Losses of 1 to 3 points were sustained by representative rails, equipments, oils and metals.

Some of the popular industrials, notably Crutcher Steel, were more adversely affected. Weakness also ruled among motors, tobaccos and various specialties controlled by pools. United States Steel broke more than two points, rallying slightly with other leaders in the first half hour.

Active selling continued during the morning, reactions in most quarters making further headway. Rallies of 1 to 2 points among steels were offset by increased losses in rails, investment shares proving no less susceptible than speculative shares. Oils and equipments broke 2 to 5 points. Call money was favorably impressed by last week's bank statement, opening at 6 to 7 per cent.

Lower prices prevailed at midday, liquidation and short selling assuming wider dimensions. Rails again bore the brunt of the movement, but United States Steel and other industrial leaders forfeited normal recoveries while oils, motors and shippings developed greater weakness.

**MERCHANTS OF OGDEN ARE LABORING TO GET SPECIAL RATE ON FEED FOR CATTLE**

An effort is being made through the Merchants of Ogden to have Utah classified by the government as a drouth state in order that the feeders of livestock may reap the advantage of half-rate shipments of foodstuffs that are fed to cattle, sheep, hogs and other food-producing animals. Senator Reed Smoot and Congressman Milton H. Welling have been asked to take up the matter at Washington.

Four states of the Pacific northwest, Montana, Idaho, Oregon and Washington, have been designated as drouth states by the agricultural department, and stockmen of those states are now shipping in feed at half rates.

The matter was brought to the attention of the Merchants of Ogden several days ago by H. W. Dunn, president of the Ogden Horse Sales & Commission company, in a letter as follows:

"The Merchants of Ogden: We understand that Montana, Idaho, Washington and Oregon have been designated by the U. S. government as drouth-stricken states and we would like very much to have Utah included in this list. The railroads, as we understand it, are putting a one-half rate into effect on hay and feed-stuffs from

eastern states to this drouth territory and Utah stockmen are certainly entitled to this reduced tariff. We think, perhaps, this could be arranged if it were brought before the proper authorities. Probably our representatives could have it brought about. We know the entire state would appreciate anything your association would do towards getting this benefit for Utah stockmen."

The above letter was written last Friday and action was taken the next day in the following telegrams to Senator Smoot and Congressman Welling:

"We are advised Montana, Idaho, Washington and Oregon have been designated by government as drouth-stricken states and entitled to half rates on hay and feed-stuffs from eastern markets."

"Utah has probably been more drouth-stricken than any of these states this year and ought to be entitled to some consideration."

"Can you have Utah listed in same class with same considerations?" (Signed) "Merchants of Ogden."

Aside from this action, the Merchants of Ogden will take up the matter with the railroad administration in case nothing can be done through the channels already working.
