

"Tell Me What To Give For Christmas"

To Those Who Have Been Delayed

There will always be some last hour shopping. No matter how carefully we shop in the beginning, there are always the forgotten things, or the names that were overlooked.

And so, to those who have been delayed we give this word of good advice: "Start your shopping with the opening of the store at 9 tomorrow morning." You will be able to get almost instant attention in any department. You will find the stocks all in order. You will find that the salespeople, who know the store stocks so well, can help you with suggestions.

Monday and Tuesday the store will be open until 7 o'clock, and later on Wednesday, but we cannot too strongly urge that shopping be done in the mornings.

Whether he smokes or not, every man should have a house coat. One that he can slip on after work and be comfortable. There are a great many of them here in a very wide range of prices.

Just the most usable kind of jewelry—things that he will use with pleasure. A splendid assortment of scarf pins, of the new cuff links, knife and watch chain. All of good quality.

Men's Kid Gloves

Here are unlined kid gloves that are made to fit as well as a woman's glove, and there are wool lined gloves that will be acceptable to the man who drives a machine. All very fine qualities.

Men's Dress Hats

We know of a number of men who are going to receive a good looking hat Christmas. These are sold with the understanding that the man may return it after Christmas if the size or style is not right.

Men's Dress Sox

We doubt if there was ever a man who had just all of the nice socks he wanted. Here are the best makes on the market in fine woolsens, in silk or the better cottons—complete stocks.

Men's Handkerchiefs

Men's handkerchiefs are ready in silk, linen or cotton. You may have them singly or by the three or box in a Christmas box. With initials or plain and at nearly any price one wants to pay.

Men's Suspenders

Not merely fancy suspenders, but real, wearable kinds that men want. There are some put up in very attractive Christmas boxes—and in all the stocks are fresh, insuring new elastic.

Men's Neckwear

Neckwear is, of course, the universal gift for men. No man can have too many. Here are ties selected by men who know men's tastes. Prices range upward from 65c. A wonderful lot at \$1. Others up to \$3.

Men's Belts

Men's belts of genuine leather—in just the right width and with buckles that are of a quality that can be engraved if wanted. These are very sensible gifts.

Men's Umbrellas

Umbrellas that have handles made especially for men—men's patterns and in coverings of various qualities. Some are of pure silk and many of silk and cotton that wear so well.

Men's Mufflers

Here are mufflers that can be used with a dress suit, or with ordinary dresses where a muffler is wanted. The popular knitted kinds in plain and fancy colors. Price range from \$1.50 to \$5.

Christmas Candy

If you want candy just a little better than the usual Christmas kinds, you will find them here, and at prices that you usually pay for the common kind.

Made in our own factory, fresh every day. There is the big five-pound family box—of all hand made chocolates that is a great bargain at \$2.79. There will not be enough of these to go around. Better reserve one now.

Candy canes and Christmas mixed also. Candy Square.

Some Slightly Mussed Dolls For Sale Cheap

There are several hundred dolls here that have become slightly mused in handling. Not hurt permanently, but in such condition that they will require a little hair dressing and perhaps a little face washing. For Monday we will have these assorted lots so that you may see them all quickly, and buy them if you wish at very much less than their usual value. Plenty of fresh dolls also that have never been taken from the boxes. Third Floor.
