Boys' Club Members To Raise Blooded Dairy Stock

The raising of blooded stock by the members of the Boys' clubs of the county will be carried out in connection with the project work of the clubs, according to A. J. Taylor, county club leader.

Mr. Taylor stated today that the plan is to register stock of the Holstein, Hereford or Shorthorn variety. Calves are available to the county club workers, the cost of the animal being \$150. The plan is that the boys pay \$50 as the initial payment, and arrangements with local banks are being made to allow boys buying calves to pay for their stock in installments.

To assist in the matter of the club members purchasing helpers, Henry Oberhansley, assistant state club leader, arrived in Ogden this afternoon from the Utah Agricultural college.

Miss Goldie Faux, assistant club leader for the Girls' clubs of the state, also arrived and will assist Miss Ellen Agren in rounding out the work of the coming season for the girls.

The first meeting of the season for club workers will be held tomorrow evening at 7 o'clock in Pleasant View. The matter of club members purchasing calves will be brought up, and it is expected that a large attendance of boy club members, together with their parents, will be present.

ALLEGED HIDE THIEVES HELD FOR EVIDENCE ON OTHER CHARGES

Resting in the security of the city jail this morning are two alleged hide thieves for whom the local police have been looking for some time. The men are Charles Sullivan, 22, and Ed Campbell, 20, who were captured in Salt Lake yesterday by Detectives C. W. Patten and Patrolman R. R. Renyon.

The Salt Lake police say that the men had sold \$100 worth of hides which they had stolen in Ogden to a concern on Third West street and on the day following had stolen hides to the value of the same amount from J. W. Summerhays & Sons company, which they sold to another concern in the same building.

The stolen hides are said to have been shipped to a house in Omaha.

According to Captain Jones of the Ogden police trial will be postponed in order to give the police time to investigate further evidence which may prove that the men are connected with other unsolved robberies in the city and state.

UTAH LANDS THROWN OPEN AS WILSON SIGNS BILL

President Wilson today signed the oil land leasing bill, which opens up for development millions of acres of land in the west, including Utah, according to an Associated Press dispatch.

The total area of oil lands thrown open for lease under the bill is estimated by the geological survey at more than \$7,700,000 acres, while the proven coal lands under government withdrawal total approximately 30,000,000 acres, with 39,000,000 acres still to be classified. Phosphate lands are estimated at 2,700,000 acres with sodium and other mineral deposits equally as extensive.

California with 1,189,200 acres of withdrawn oil and gas lands and Wyoming with 1,151,629 acres, lead the other states in the extent and richness of their oil deposits. Of the six additional states containing government oil lands made available to lease under the bill, Louisiana, with 467,000 acres and Arizona with 230,400 acres are considered to have the most valuable deposits.

The Utah and Montana oil areas are estimated at more than 1,000,000 acres each, but much of this land, government experts say, comes under the "doubtful" classification. Colorado contains 222,000 acres and North Dakota \$1,894, in addition to these oil resources, vast areas of oil shale lands in Colorado, Utah and Wyoming are made available for exploitation.

From the sidewalk to the rear end of the store, everything is always kept shining bright and clean.</p> <p>And the salespeople who serve you were chosen for their tidiness—it is pleasant to be waited on by courtcoons, neat young ladies and men. The cuts of meat are prepared by experienced meat cutters—and there are no cigarette smokers among them. Everything, in fact, about this store is the essence of cleanliness.</p> | <p>BUTTER</p> <p>Our butter is churned fresh every day, and guaranteed sweet, pure and the best to be had.</p> <p>Home Dairy Butter, 62c Nucoa, pound. 40c High Grade Oleo. 35c</p> <p>EGGS</p> <p>Choice Fresh Ranch Eggs, dozen. 45c Choice Selected Storage Eggs. 40c</p> <p>LARD</p> <p>Sego Lard, 2-lb. pails, net weight. 68c Sego Lard, 5-lb. pails, net weight. 1.65 Sego Lard, 10-lb. pails, net weight. 3.35 Chefo Lard, 2-lb. pails, net weight. 70c Chefo Lard, 5-lb. pails, net weight. 1.70 Chefo Lard, 10-lb. pails, net weight. 3.35 Crisco, 1/2 pound pails net weight. 53c Crisco, 3 pound pails net weight. 1.16 Crisco, 6 pound pails net weight. 2.25</p> <p>CANNED GOODS</p> <p>Alpine Brand Milk, case. 59.95 Alpine Brand Milk, 2 cans. 25c Choice Peas, 2 cans. 25c Old Yankee Maple Syrup, bottle. 30c Bottle Catsup. 25c</p> <p>SUGAR</p> <p>Sugar, 10 pounds. \$1.45 Sugar, 5 pounds. 75c</p> <p>FRESH FISH</p> <p>Halibut, pound. 30c Salmon, pound. 30c Crabs, each. 40c Smelts, pound. 20c Filet Sole, pound. 35c Haddock, pound. 30c Herring, pound. 15c Shrimp, pound. 30c Sandabs, pound. 25c Skinned Catfish, pound. 25c</p> | <p>FRESH FRUITS AND VEGETABLES</p> <p>Sunkist Doz.</p> <p>Extra Choice Oranges, 80 size. 85c Extra Choice Oranges, 100 size. 75c Extra Choice Oranges, 126 size. 65c Extra Choice Oranges, 150 size. 60c Extra Choice Oranges, 200 size. 40c Extra Choice Lemons, 300 size, dz. 35c Grapefruit, 3 for. 25c Choice Head Lettuce, 2 for. 15c Carrots, 3 bunches. 25c Turnips, 3 bunches. 25c Beets, 3 bunches. 25c Cauliflower, pound. 15c Cabbage, 3 pounds. 25c</p> <p>COFFEE</p> <p>Schilling's Best, pound. 60c Hill Bros.
