'STRAW GAS' IS LATEST

WASHINGTON.—Straw gas is the latest. The bureau of chemistry of the department of agriculture is making experiments at the Arlington experiment station, near Washington, in its efforts to perfect a method of making gas and even gasoline from straw. The first process is baking the straw to get a carbon. Harry T. Roethlis, in charge of the experiments, is shown in the picture placing straw in the oven.

SAYS HOTEL PRICES ARE NOT EXORBITANT

(By International News Service)
COLUMBUS, Ohio.—I believe that the vast majority of hotels have kept faith with the public, said Maurice Langan, secretary to John Pfeiffer, Ohio's federal fair price commissioner. "They are conservative in their charges and are entirely consistent with prevailing conditions," continued Secretary Langan.

their restaurants and keep them open only as an advertisement, or to fill their rooms.

The department of justice reports that the average established from many hotels fixes the following division of each dollar spent by the patron in the restaurant: Food cost, 65; preparation and service, 33; rent, 6; net profit and turnover, 65.

Mercury, or quicksilver used to be called "living silver" by the Romans.

In the late war over 30 per cent of the casualties among U. S. troops were due to chemical gas attacks.

PICK OFFICIALS FOR GRID GAME

Aggies' Coach Confers With Ogden A. A. Leaders This Morning

Officials for the Utah Aggie-Ogden A. A. grid contest were named today at a conference between Coach Lowell Romney of the Aggies and representatives of the organization. Considerable discussion arose over the selection of the officials. It finally being decided that men from out of town be named to handle the reins.

Albert Buzier, well known throughout the west as a grid star and one of the best officials in the western states, will referee the contest. Buzier formerly played on an eastern eleven.

"Spot" Reddish, formerly star at the University of Chicago and well known in Utah as an athlete, will umpire the contest, while Freeman Bassett will act as head linesman.

Two timers, one from each aggregation, will be named prior to the playing of the contest. But one watch will be used in the timing of the game, each representative to alternate at timing.

Arrangements to handle a crowd estimated at 500 from Logan have been made by representatives of the Aggie fair. The merry throng will come to Ogden in a special train.

CHARGES POLES PERSECUTE JEWS

Assaults on Persons and Property Continue, Says Investigator

NEW YORK, Sept. 30.—Continued persecution of Jews, with bloodshed and cruelty, in Poland and Hungary is reported by Alexander Rothenberg, chairman of the executive committee of the provisional American Jewish congress, who returned here recently from the Jewish World Relief conference in Cambridge, Mass.

Rothenberg declares that attacks on Jews in Poland have ceased at no time since the armistice. He says that while anti-Semitic excesses in Poland were mitigated by the protest meetings held in America, "assaults upon persons and property in a smaller degree continued throughout Poland."

"Suddenly these assaults assumed larger proportions," said Mr. Rothenberg, "until within the last few months Jews have found it unsafe to walk in the streets. Conditions came to such a state that the Jewish delegation in the Polish parliament appealed to the minister of war and Minister President Witos, who promised that they would take steps to stop these outrages but nothing was done."

OUTSIDERS FROM ARMY.

Mr. Rothenberg said that during the advance of the soviet armies on Warsaw the Jews readily enlisted in the Polish army, but that they were attacked and persecuted by the Poles and were given the "most filthy and mental work to perform." The Jews complained to the military authorities, but the persecution was not mitigated, he charged.

"Immediately after the first victories all Jewish soldiers were driven from the various fronts," Mr. Rothenberg asserted, "their uniforms were taken away, their uniforms removed and they were put under guard as though they were offenders. The Polish soldiers began to regard the Jewish soldiers as criminals. Every time the Poles took a city they killed Jews who came their way, and numbers of old Jews were shot without trial. The officers in charge afterward said that they killed bolsheviks. This was a lie in order to cover these outrages the minister of war issued an announcement that a large number of armed Jewish bolsheviks were found in many cities. This information was fed only to the Poles and was not mentioned in the dispatches for the outside world because it was apparent that these statements could not be substantiated."

HEARING REFUSED.

Mr. Rothenberg charged that the minister of war and Minister President Witos refused to accept Jewish delegations who called upon them to complain about anti-Semitic outrages.

"The spirit of the Jews in Poland is being utterly crushed by these terrible events and they feel that they cannot much longer bear up unless these terrible excesses are stopped," he added.

According to Mr. Rothenberg, 300 Jews have been murdered in Hungary from December, 1919, to June, 1920, and he charges that the officers and soldiers of the White Army are the chief fomenters of anti-Semitism. He said that the "young nationalists" declared that they were willing to stop the pogroms provided laws were enacted that would destroy the Jews economically.

HUNGARIAN CONDITIONS.

"This is now being done," said Mr. Rothenberg. "Laws have been passed punishing profiteering by flogging. But the profiteers are not affected by this law, it is only the middlemen, which means the Jews. Those who are found guilty are flogged and put in concentration camps and exiled."

Ousting of Jewish civil-service employees in Hungary is also reported by Mr. Rothenberg. "Laws are also being passed specifically directed against the Jews without mentioning them," he said, "as for instance licenses of all persons engaged in commercial or industrial pursuits are revoked and application must be made for new licenses which may be issued at the discretion of the department in charge. Such licenses are not being granted to Jews, thus, utterly preventing them from pursuing their former occupations. A law was passed that only those belonging to military formations could be admitted to universities. As Jews are not allowed to belong to these formations, Jewish students are unable to get into the universities. Many of them have been compelled to go to neighboring countries in order to pursue their studies and are experiencing terrible want and suffering."

DYE ANNOUNCES NEW COMMITTEE

Community Service Executive Committee Formed for Ogden Activity

Samuel G. Dye, chairman of Ogden community service, the new organization which has as its object the betterment and brightening of community life, today announced the names of the members of the executive committee of the organization as follows:

Chairman, Samuel G. Dye, vice chairman, John Edward Garver; treasurer, O. J. Stilwell; chairman of finance, Charles H. Barton; Gus Wright, Darrell J. Greenwell, Mrs. David Eccles, Mrs. P. J. Stevens, Mrs. Boris Flynn, Mrs. P. W. Knisely, A. L. Shims.

The finance committee is made up of Mr. Barton, Mrs. Eccles and Mrs. Flynn.

The meetings committee: Mrs. Stevens, Mrs. Knisely and Mr. Sims.

The committee on speakers bureau and publicity: Mr. Wright, Mr. Greenwell and Mr. Carver.

A meeting of the executive committee is called for 8 o'clock Tuesday evening at community service headquarters in the Utah National bank building.

Freight Traffic is Greatest on Record

Traffic records for a month's operation of the Southern Pacific system in and out of Ogden have been passed. A total of 105,440 cars of freight were handled through this city during the first 29 days of the present month, local railroad reports state. The former record for an individual month was made in August of this year, when 105,000 cars of freight were handled over the Southern Pacific system.

While September has been more or less a quiet month for fruit shipments in past years, the present month aims to surpass all September months in the history of the Ogden terminal for fruit shipments, local officials said. Grapes in particular have been passing through this city en route east in box cars, cattle cars and other cars, due to a shortage in refrigerator cars. More than one thousand cars are due to pass through Ogden today.

Coal Prices in Utah to Go Up in October

Coal prices in Utah will be advanced during the first part of the coming month, according to Walter Clark, Ogden's local representative of the concern, who was an Ogden visitor today en route to San Francisco. Clark attended a meeting of the coal dealers held at Denver last Saturday at which time a decision of representatives of the various concerns was made.

The retail price on coal will jump 50 cents per ton about October 5, he said. The increase is to be made despite the fact that the Utah public utilities commission voted against such an increase, he said.

The additional cost of operating at the mines, together with the new freight rates, are given as the reasons for the increase. Mr. Clark represented the Utah Fuel company at the recent hearing.

Nearly 1000 Students Registered At High

Nine hundred and twenty-five students have enrolled at the Ogden high school, according to Superintendent W. Earl Hopkins of the Ogden school system. This record shatters all previous records, it is stated, for high school enrollment in this city.

To date more than 7500 students have enrolled in the various schools of the city, including the high school, which is also a new record for the city.

The night school which is to start the 1920 season next Monday evening, promises to set a record, it is said. Last year more than 300 attended the school. This season officials in charge expect at least 500 to enroll.

This Rancher Hauls in Hay Crop on Bob Sled

Sigh contentedly and compare general weather conditions here with those of Pinedale, Wyoming, in the Bridger national forest. According to word from a forest official, Pinedale has established a novel record. On September 25, the official writes, a rancher living near Pinedale finished setting in his hay crop and incidentally hauled in the last load or two on a bob sled. Snow at present is seven inches deep at the Willow Creek ranger station, he reports.

It has been four months since the last snow last spring, in the Bridger forest, the official commented.

KNEIPP LEAVES FOR NEW POST

New Assistant Forester to Take Up His Duties at Washington

L. F. Kneipp, district forester in the local forest service district for the past five years, who recently was appointed assistant forester with headquarters at Washington, was to depart for Washington at 2 o'clock this afternoon.

Mr. Kneipp, in addition to being chief executive at the local forest office, has been prominent in civic affairs.

He said this morning that he expects to return to Ogden occasionally. Mrs. Kneipp has departed for California, where she will visit relatives prior to joining her husband in Washington.

Mr. Kneipp was succeeded here by R. H. Rutledge of Missoula, Mont.

Ogden Theatre Co. Is Incorporated

Articles of incorporation of the Ogden Theatre company were filed today in the office of the county clerk, which company will operate and maintain the Ogden theatre for motion pictures and other attractions from October 1, 1920, to October 1, 1923, according to the papers filed.

It is set forth that company has secured lease on the theatre from H. W. Peery and L. H. Peery, who are also incorporators of the new company, for three years at a monthly rental of \$2000.

The capital stock of the company is \$25,000, divided into 2500 shares at par value of \$100 a share. The incorporators are named as follows: H. W. Peery, L. H. Peery, Dean Peery, Mary Peery and Orin Farr.

Arsenal Construction to Start About Oct. 5.

Five hundred men will be employed shortly after October 5 by the W. M. Sutherland Construction company of St. Louis, on the Ogden arsenal. It was announced today that at this time only a small force of men are employed at the site south of Ogden.

Materials consisting of steam shovels, mixers and other equipment used in construction work are arriving daily from the east.

The ten miles of spur tracks being laid by the Taylor-Childs company of Ogden will be completed during the early part of the coming week. But one mile of grading and track laying remains, it is said.

Alleged Fake Oil Stock Sale Costly

George Rosskopf, smelter worker of Wyoming, has asked Sacramento police to aid him in recovering \$1200 which he alleged that he paid to two men in Ogden for oil stock, according to an Associated Press dispatch. The men were supposed to have kept an appointment with Rosskopf in Sacramento but failed to do so.

No official word regarding the robbery has been completed at the police station or the sheriff's office.

Deaths and Funerals

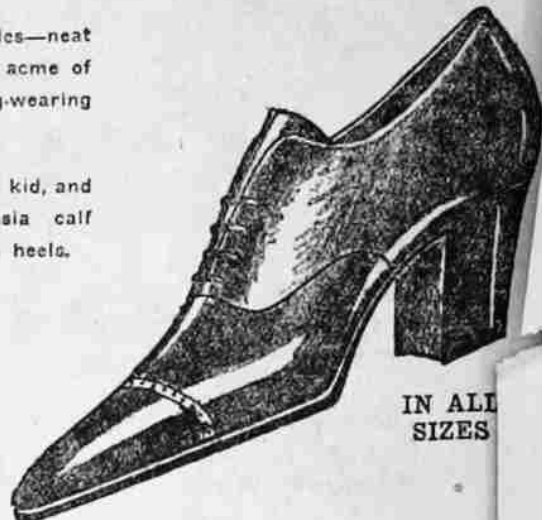

CLARK—Funeral services for James J. Clark were held yesterday afternoon at 3 o'clock at the Thirtieth ward meetinghouse, with Bishop J. Howard Jenkins officiating. Musical services were as follows: "Sometime We'll Understand," Mrs. Mary Farley; "My Faith in Thee," William H. Manning; "Unanswered Yet," Mrs. E. O'Brien and Mrs. William Pickett; "Face to Face," Pauline Martin; "I'll Go Where You Want Me to Go," William Pickett. The speakers were Bishop O. M. Sanderson, H. H. Goddard and Bishop Jenkins. Interment was in the Ogden City cemetery with Samuel Martin dedicating the grave. Members of the Brotherhood of Railroad Trainmen and the Ladies Auxiliary attended in a body, with members of the Brotherhood acting as pallbearers.

WHEELER—Funeral services for Alonzo Wheeler were held at 2 o'clock yesterday at Plain City meeting house. Bishop Wilmer J. Maw officiated. The speakers were Hans Foulten, C. J. A. Lindquist, Bishop A. A. Bingham, W. A. Taylor, Bishop Gilbert Thatcher and Bishop Maw. Musical services were as follows: "Sometime We'll Understand" by Serilla Palmer and Bernice Carver; "Rock of Ages," Berta England; "Face to Face," Fred J. Kenley; and "Through Gates of Gold," Nellie Draney and Fred J. Kenley. Interment was in the Plain City cemetery with Josiah Carver dedicating the grave.

SAFETY FIRST! Accept only an "unbroken package" of genuine "Bayer Tablets of Aspirin," which contains proper directions for Headache, Earache, Toothache, Neuralgia, Colds, Rheumatism, Neuritis, Lumbago, and for pain generally. Strictly American!

Handy tin boxes of 12 tablets cost but a few cents—Larger packages. Aspirin is the trade mark of Bayer Manufacture of Monacochinaester of Salicylicacid

Forest Service Man Returns to Ogden

After spending a month in the Thunder mountain area of the forest service in central Idaho, Carl Arntson, chief of maintenance, has returned to the local forest headquarters. He reports that extensive development work is being carried on throughout that section of the country. The forest service is constructing trails, while the bureau of public roads is building wagon roads.

During his stay in the country Mr. Arntson was in two of the most severe forest fires of the season, in which over eleven sections of timber were destroyed.

Lack of Materials Delay Shower Baths

Lack of material and labor is given as the cause for the delay in establishing the shower baths at the Ogden High school. It was announced today. The showers are to be used by athletes representing the Ogden High school following their daily practices for the various teams.

The local plumbing firm that has the plumbing contract for the installing of the showers, will not be able to finish the job, it is stated, until the work to be performed by the architects is completed.

While several complaints have been made regarding the present conditions at the school with regard to bathing facilities, the showers will be placed in operation next week, it is said.
