### INCREASE TO WIDOWS

G. O. P. Hopes to Get Advance Passed As Christmas Gift

WASHINGTON, Sept. 28.—A pension pay envelope increase from \$50 to \$72 a month for Civil and Mexican war veterans possibly as a Christmas gift from Uncle Sam, is planned by the House Republican leadership. All Civil and Mexican war veterans having served 90 days or more who developed disabilities would receive the increase from \$50 to \$72 a month under the bill, and their widows would receive \$30 and their widows \$20 a month. The Bureau bill is designed to meet the needs of veterans of advanced years, but because of their rapidly increasing death rate, the bill, Senator Burton states, would not mean the present pension, forestry and railroad bureau estimated that the increased cost of the Bureau bill during the first year would amount to \$250,000,000, but Senator Burton said the Senate that would be placed at not over \$15,000,000.
