Old Folks Are Royally Entertained

Biggest Number Ever Out Enjoyed Mid-Winter Dinner and Social.

The biggest number of Lehi Old Folks, Widows, Widowers and Missionary Wives ever entertained at one time in Lehi enjoyed the mid-winter dinner and social last Friday at the high school building. Two hundred and eighty-six were served and which is forty-three more than ever attended a like social since Lehi commenced making the thing an annual affair. Practically all over the age mark from the entire town were present including the widows and missionary wives. A few, who were held home by illness or other reasons, were forgotten, however, as the committee in charge saw to it that a card was sent to them.

A splendid dinner was served in the high school room. The tables, the full length of the room, were required to serve the guests and even then a second table was necessary. Chicken, roast veal, baked potatoes, parsnips, dressing, apples and mince pie, plum pudding and cake weighted the tables and as the eating hour advanced the guests were entirely satisfied. During the evening the 35 piece Junior Band entertained the guests with several selections. Following the "feed" the crowd moved to the Royal Theatre where they enjoyed a special picture show program. Numbers on the program included remarks by Stake Old Folks Committee Chairman John Hunter, P. M. Steven L. Chipman and of Old Folks Committee Chairman J. E. Broadbent. A Seventh grade girls chorus rendered a song and a double quartet of high school boys. A short period of dancing at the high school building finished the afternoon program. In the evening a public dance was enjoyed at the same place.

The old folks committee has received that their thanks for the kind support of the towns people to the management of the Royal Theatre be extended to all through the columns.

GENERAL RESPONSE TO EUROPEAN RELIEF FUND

The people were liberal with their contributions in the campaign just closed. The five wards donated a total of \$718.18 divided as follows: First \$214.95, Second \$192.60, Third \$104.63 and Fifth \$104.63 and the Alpine Stake as a whole collected and sent in \$2,326.29. This is the above amount the "Hoover Dinner" arranged by the Lehi Service Star Legion raised \$175.00. This made a grand total of \$893.18 that Lehi sent to save the starving children of the war and famine stricken countries to the east of us.

"THE AFTERMATH"

Contributed by Service Star Legion.

That the "Hoover" luncheon and supper, given for the benefit of the child relief fund, by the Lehi Service Star Legion was a complete success is very gratifying to the officers and members of the local chapter. The splendid assistance and support of the public is greatly appreciated.

But then—Why not? Are we, or ought we to be less responsive to the call of suffering humanity, than our own boys, who so splendidly and unhesitatingly answered the same call? We wish to thank Prof. Abraham Anderson and his "band boys," Scout Master Floyd Goates and his "scout boys," Prof. Joseph Smith and all who took part in our program, for their ready response, in giving of their time and talent to entertaining those who came out to our luncheon and supper.

Lehi should indeed be proud of the talent within her borders, certainly Miss Hamilton, under whose capable supervision the lunch at the domestic science rooms, and the supper at the commercial club rooms, was served, cannot be too highly complimented, on her splendidly efficient domestic science classes. Also Mrs. Holmstead, whose seventh grade pupils assisted the publicity committee. The amount cleared from tickets sold and donations to the cause was \$176. The expense being only \$2.30, most everything having been furnished by donations. This money will be sent to Mrs. Annie Wells Cannon, Treasurer of the European Relief Fund in Salt Lake City.

The Service Star wish to mention and express appreciation to the Lehi Sun for their generosity in giving us space and printing our tickets free of charge.

GET TICKETS EARLY FOR

"UP IN THE AIR"

Large Attendance Anticipated for Popular Play by Popular Players.

The Royal Theatre promises to be filled next Saturday afternoon and evening to witness the production of "Up in the Air" by the M. I. A. Stake Board Dramatic Company. The play is said to be one of the best ever produced here and the company is composed of the best dramatic players in Lehi, American Fork and Pleasant Grove. Lowry Nelson, of the Utah Farmer office and a graduate of the U. A. C. of Logan, is coach and director.

The matinee commences at 2:30 p. m. and the evening performance at 8:15. Reserved seats are now on sale at the Co-op. store and selling at 50 cents, war tax included. The play and players are equal to most of the traveling troops but the popular price of admission was made low because it is intended to fill every seat in the house.

Boy Scouts and Bee Hive Girls are conducting a spirited contest in the sale of tickets, though any one whom they may miss, may also obtain their tickets at the box office. Those who purchase 50 cent tickets are entitled to reserved seats and may get them exchanged for reserved seats by calling up the Co-op. or calling in person. Spot your seats now, then pay for them either with the 50 cent tickets or cash when you come to the show.

LADIES' ORCHESTRA PLEASURES

LOCAL PEOPLE

Lehi people were well pleased with the excellent program rendered by the Columbia Symphony Orchestra, under the direction of Nemo Francis Knight, at the Royal Theatre, Saturday evening. The crowd, which greeted the artists, was well pleased with the various numbers encoring several of them. The dancing of Miss Dorothy Volkey and solos of Miss Genevieve Gilbert were especially well received.

Drops Dead In His Home

Without notice of any kind Lars Victor Larson, shoemaker of Lehi for many years, dropped dead at his home in the Fifth Ward Tuesday at 3:30 p. m. Cause of death was not determined but it is assumed heart trouble was responsible for the sudden departure.

Mr. Larson was born in Sweden, July 24, 1857.

The time of the funeral services had not been definitely made late last night as some of the relatives had not been heard from.

Double Funeral

A double funeral was held here yesterday for Mrs. Ellen Cedarstrom and her grand-daughter, Lucile Alice Birch. The grandmother was 78 years old and the babe was four months. The babe died Saturday and Mrs. Cedarstrom Sunday.

Mrs. Cedarstrom was born in Sweden, October 17, 1842, and came to this country when she was 12 years of age. Her husband preceded her to the other side several years ago since which time she has resided with her son at Pelican Point and with other children in town here.

The babe was the daughter of Robert James and Lucile Isaman Birch. It was born here September 19, 1920.

BASEBALL MEETING TONIGHT

Shall Lehi have a baseball club this year? This is the next important question after Senate Bill No. 12, that is being discussed whenever a number of Lehi people congregate. The question will be officially discussed tonight (Thursday) when baseball fans will meet in the Lehi Commercial Club rooms and take up the matter. Every Lehi citizen is extended an invitation to be present and take part in the discussion.

With proper organization and boosting it is believed Lehi can maintain a baseball club similar to that of the historic days of 1908 to 1912, when Lehi was known all over the state as The Baseball Town. There is just as good material here now as there was then and the baseball spirit is still in the veins of the people, but dormant. All that is necessary is to revive that "Old Time" spirit again. We believe it can be done with proper organization and a little pep to get things going.

CITY FINANCIAL REPORT

The annual financial statement of the receipts and disbursements of Lehi City for the year 1920 will be found on page six of this issue. A special study of the report should be made by every taxpayer.

THE MODERN RUBE

"Say, Cy, I jest found out what a rube is."
"That so, Hiram? What is it?"
"Why, it's one o' them 41-hour, \$95 a week labor guys that thinks a farmer is goin' to sell him food cheap."

Many Pay Respects to W. R. Yates

Last respects were paid to William R. Yates, who died here Tuesday morning, when funeral services were held in the First Ward meeting house Thursday. A large number of fellow townsmen were in attendance at the services.

Bishop S. I. Goodwin was in charge. "What Voice Salutes The Air" by Miss Theima Goodwin and chorus was the opening musical selection. Following invocation, by William J. Gurney, Mrs. O. L. Kittinger rendered a solo, "I Have Read of a Beautiful City." A second song by Mrs. Kittinger was, "Jesus, Lover of My Soul," which with, "I Know My Redeemer Liveth" by the chorus, completed the musical numbers.

The speakers, all of whom offered praiseworthy remarks of the deceased and his family, were: Joseph Kirkham, Thomas J. Yates, A. B. Anderson and A. J. Evans. Benediction was pronounced by Bishop R. J. Whipple.

G. S. Peterson read the following biographical sketch.

Burial took place in the Lehi cemetery with W. S. Evans dedicating the grave.

Biographical Sketch.

Brother William Richard Yates, son of William and Sarah Nobes Yates, was born March 17, 1862, at Lehi, Utah. His mother died when he was one year and nine months old, from that time until his father married again he lived with his uncle, Thomas Yates at Scipio. He was baptized into the church of Jesus Christ of Latter-day Saints when eight years of age at Lehi, Utah. From the age of 16 years to 20 he worked on the railroad in Arizona, building the D. & R. G. road, December 25, 1884, he married Catherine J. Evans from which union five children were born, two sons and three daughters, four of which are living, one daughter having preceded him to the Great Beyond.

The early part of his married life he labored as a miner, he was state sheep inspector for three years, after which he served as foreman for the American Smelter and Refining Company at Topick, until eight years ago when he resigned his position on account of poor health. Since that time he has been engaged in farming and stock raising.

Brother William had a warm spot in his heart for anyone who was in trouble, and was always ready to lend a helping hand. In fact he practiced the words of the Saviour wherein he said, "Do unto others as you would have them do unto you." He was honest and upright in all of his dealings with his fellowmen. He was a kind and affectionate husband and a devoted father.

He has been a sufferer from Asthma for a number of years, and in spite of all that could be done by kind hands he gradually grew worse until the end came. He passed away January 25, 1921, at Lehi. He leaves a wife, four children, and four grandchildren to mourn his loss.

PETERSON BABE BURIED

The seven-month-old-baby-boy, Farris Earl Peterson, son of Mr. and Mrs. Ellis Peterson was buried Monday. The child died Friday, January 28th, of bronchial trouble. It was born June 10, 1920, at their home in the First Ward.

Funeral services, which were attended by an exceptionally large number of friends of the family, were held in the First Ward meeting house Monday afternoon with Bishop R. J. Whipple officiating. William Southwick opened with prayer and Janus Schow closed. The choir offered two selections, "I Need Thee Every Hour" and "Beautiful Isle." A duet, "Some Time We'll Understand," by Prof. A. Anderson and Miss Melba Fox and a solo, "My Faith in Thee" by Isaac Fox were the musical numbers. Joseph Kirkham, Joseph Anderson, Carlos Schow and A. B. Anderson offered remarks. Grave dedication was pronounced by A. B. Anderson.

LEHI WOMEN TO ORGANIZE

At 2:30 p. m. Friday, February 4th, in the Commercial Club rooms, the County Farm Bureau Ladies will meet the ladies of Lehi, to perfect a ladies organization here, in connection with the farm bureau.

Subjects will be discussed and projects decided upon that are to be worked out during the coming year.

Ladies desiring to attend this meeting can have their high school daughters excused, to care for the smaller children, by making a written application to Superintendent Junius Banks. All other girls will be excused if desiring to attend this meeting. We hope that the high school girls can attend in a body. All women interested are cordially invited to attend.

(Women are intoxicated by dress.—News note.)
A really truly awful condition. Which won't be cured by prohibition!

Basketball Games

LEGION WINS FROM PAYSON LOSES TO PROVO

The Lehi Legion team won one and lost one of the two games played away during the week. At Payson Saturday they were on the long end of the 45 to 17 score but at Provo Tuesday evening the Provo Legion again defeated the locals 29 to 25.

The Payson game was easily Lehi's as they took the lead and gradually increased it.

It was another story at Provo. The Mountain Climbers hit a speedy stride from the first toss up securing five baskets before the local boys got going. Although Lehi outplayed the Provo men from then on they could not overcome the lead. Trouble at caging goals was experienced. The baskets were loose, the players contended.

LEHI HIGH LOSES TO PROVO

The Lehi High basketball team was defeated here Friday by the Provo school in the second game of the league series. The final score was 27 to 18.

The Provo lineup is composed of older and larger men who showed steadier nerve and more consistent playing which easily won for them. The local boys were in the game and fighting every

minute but they were no match for the older men.

This victory gave Provo the lead in the league. A victory for American Fork over Pleasant Grove ties Lehi and American Fork for second place.

LEHI-AMERICAN FORK GAME OFF

On account of an outbreak of Small Pox at American Fork and the vaccination of the members of that high school team the game scheduled here between the two schools Friday has had to be called off.

However, that the local basketball fans may not be disappointed a game has been arranged with the Payson school which has a fast team. The game promises to be just as interesting from a basketball standpoint as the canceled game would have been since both Lehi and Payson are playing the same class of fast ball.

CONCERT SUNDAY EVENING

Prof. Joseph F. Smith and associates have arranged a musical program which will be given in the Lehi Tabernacle next Sunday evening, commencing at 7:30 o'clock. The best talent in town has been included which should assure the public of a delightful hour or so of music.

Awaken, Men!

to the most bountiful good-clothes values, since the fond, full-dollar days of 1914.

When the woolen market was depressed last Fall, The Royal Tailors jumped in and bought carloads and carloads of spring goods for you—at "deflated" prices.

The ready-made clothing merchant couldn't do that. For he buys made-up clothes; not woolens; and he places his orders six months in advance. The drop came too late for him.

That's one of the reasons why The Royal Tailors are astounding the mercantile world this season with their offer to build the finest custom-tailored suit or overcoat to order at only \$27.50.

Less than our famous feature prices of last season!

If you want the best clothes value in America—if you want to save \$10 to \$20 on your spring suit and overcoat—come down here. Buy Royal Tailored.

Made to measure clothes.
