

W-LUNGED SPIELER IN DANGER OF MOBS

First work undertaken by the Lake City Society for the Suppression of Vice and the Prevention of Strange and Noisy... "should be to cut the flower of his youth and the vigor of his lung power the vigorous young man who 'spies' so openly for the variety show on South street. Talk about in a voice—that fellow could be a first-class sawmill and never He has a frown on every count. His voice wouldn't stop at all, but it would start a scarp in the divided community. The day when he belovved 'Next day in right away' a mule team way on Tenth East and a woman in the Dooly block. He is a man in stature, but he has a misce which might be his fortune if

he could only cut it up into sections and not try to use it all at once. The boy may be all right in his way, but he's a disturber of the peace. During the time that shows on there's nothing else doing. There might be someone taken ill in the southern part of the city, and I tremble at the consequence. Even the isolation hospital is not a safe retreat for anyone who needs rest and quiet, when this terrible outbreak is on. The society should get busy and corral this young man who is so exceedingly industrious in exercising his abnormally developed vocal organs. I understand his name is De Walker, too, which is another thing against him. It might as well be De Murphy or Von Olson. I am for peace."

ITS ARIZONA MISSION; DR. BICKEL PROMOTED

J. C. Bickel, pastor of the First Methodist church of this city, has been accepted the position of superintendent of the Methodist mission of Arizona and will leave this city as soon as arrangements can be made by Bishop Eaton for a pastor to succeed him in this city. Rev. Mr. Bickel was offered a choice between the Arizona and Wyoming missions and chose the former. His determination to leave this city, Mr. Bickel has received many letters from the members of his congregation, who have also written to Bishop Eaton, asking him to remain in this city, but his decision to leave is, according to the reverend gentleman, irrevocable. The more his work is considered by the people of the First church, the more loath are they to give him up. During the brief time he has lived here Rev. Mr. Bickel has displayed two rare qualities as particularly fitting him for the position of superintendent of a mission—fact and indomitable energy, and these, with the way in which he has handled the difficult church problems which presented themselves when he came to the First church impressed Bishop Cranston and the offer of promotion came.

It is not known as yet who Mr. Bickel's successor in the First church will be, but as soon as the proper adjustment can be made he will leave Salt Lake with his family and go direct to Los Angeles, their future home.

Miss Gannon, Sec'y Detroit Amateur Art Association, tells young women what to do to avoid pain and suffering caused by female troubles.

"DEAR MRS. PINKHAM:—I can conscientiously recommend Lydia E. Pinkham's Vegetable Compound to those of my sisters suffering with female weakness and the troubles which so often befall women. I suffered for months with general weakness, and felt so weary that I had hard work to keep up. I had shooting pains, and was utterly miserable. In my distress I was advised to use Lydia E. Pinkham's Vegetable Compound, and it was a red letter day to me when I took the first dose, for at that time my restoration began. In six weeks I was a changed woman, perfectly well in every respect. I felt so elated and happy that I want all women who suffer to get well as I did."—Miss GUILA GANNON, 359 Jones St., Detroit, Mich., Secretary Amateur Art Association.

It is clearly shown in this young lady's letter that Lydia E. Pinkham's Vegetable Compound will certainly cure the sufferings of women; and when one considers that Miss Gannon's letter is only one of the countless hundreds which we are continually publishing in the newspapers of this country, the great virtue of Mrs. Pinkham's medicine must be admitted by all; and for the absolute cure of all kinds of female ills no substitute can possibly take its place. Women should bear this important fact in mind when they go into a drug store, and be sure not to accept anything that is claimed to be "just as good" as Lydia E. Pinkham's Vegetable Compound, for no other medicine for female ills has made so many actual cures.

How Another Sufferer Was Cured.

"DEAR MRS. PINKHAM:—I cannot praise your wonderful remedies enough, for they have done me more good than all the doctors I have had. For the last eight years and more I suffered with female troubles, was very weak, could not do my housework, also had nervous prostration. Some days I would remain unconscious for a whole day and night. My neighbors thought I could never recover, but, thanks to your medicine, I now feel like a different woman. I feel very grateful to you and will recommend Lydia E. Pinkham's Vegetable Compound to all. It has now been four years since I had the last spell of nervous prostration. I only weighed ninety-eight pounds at that time; now I weigh one hundred and twenty-three. I consider your Vegetable Compound the finest remedy made. Thanking you many times for the benefit I received from your medicine, I remain, Yours truly, Mrs. J. H. FARMER, 2809 Elliott Ave., St. Louis, Mo."

Remember Mrs. Pinkham's advice is free and all sick women are foolish if they do not ask for it. She speaks from the widest experience, and has helped multitudes of women.

\$5000 FORFEIT if we cannot forthwith produce the original letters and signatures of above testimonials, which will prove their absolute genuineness. Lydia E. Pinkham Med. Co., Lynn, Mass.

CHRISTIAN GRAVES IN MOROCCO DESECRATED

Parades Streets, Bearing Human Heads Upon Poles, Raids Jewelry Stores and Attacks Jews.

Morocco, Jan. 28.—Morocco city has been the scene of serious disturbances in consequence of the Government's attempt to force the circulation of new and unpopular copper coins, on which it placed an artificial value, and it is to receive in payment of taxes. Business is paralyzed, provisions scarce and starvation is threatened. A mob arose and first attacked the Christian cemetery, lately given by the State to the foreign missions, burned down the gates, desecrated the graves, and the bodies, cut off their heads, and paraded the town with the heads on poles. The rioters proceeded to the Jewish quarter with the object of destroying it, they found the gates closed and strongly guarded. The Jews were driven until they found that the protection of the authorities was effective. The rabble subsequently looted the jewelry shops, robbing and wounding many Jews. The Governor attempted to quell the disturbance, but he was stoned, and obliged to seek refuge in the palace. The authorities finally induced the mob to withdraw on the promise of temporary withdrawal of the obnoxious coins.

LABOR ON THE MOVE.

Organizations Preparing to Take Possession of Their New Temple on State Street.

A new Labor Temple at the corner of Second and Fourth South streets is so nearly completed that the Utah Federation of Labor and its affiliating unions are already preparing to move next month into their new home. The temple is a handsome three-story yellow brick structure, designed especially for the use of labor organizations with lodges, offices, parlors and one large auditorium. It is said that the quarters at the corner of West Temple and Second South streets to be vacated by the Federation, owned by P. H. Lamson, will be used for the funeral and composing of his new paper.

BEFORE DIEHL'S BAR.

John Martin secured comfortable lodgings for a month by asking an officer to give him the price of a bed. He was whisked away to the station and charged with vagrancy. Yesterday afternoon he pleaded guilty and received a thirty-day sentence with apparent satisfaction.

Had the case of Johnny Myers and Willie Anderson been dramatized and presented in a theater there would not have been a "dry eye in the house." But it was simply an incident in real life, the brave struggle of little Johnny for a livelihood was not the figment of a playwright's fancy, so there were no tears. The tragedy was not, however, wholly lost on the habitues of the courtroom. Breathless silence prevailed as the little fellow told his simple story to the judge, and every man realized the fearful handicap under which the lad was entering the race of life.

John and Willie were charged with vagrancy. Officer Gulbranson found them begging in saloons at midnight. John gave his age as 15 years. "I have been working every day," he said. "What do you do?" "I shine shoes in a barber shop, but yesterday was a poor day, I don't have anything to do, so I had to ask for money to get a bed."

The court recalled the fact that the boy had been brought to the station two years ago from the O. S. L. depot with his feet frozen. Willie Anderson, aged 16, came down from Butte City with the Myers boy. He came originally from Milwaukee, Wis., and said he had no parents or relatives. Both boys expressed a desire to leave town. Johnny said he wanted to open a cigar stand in Butte in the spring. The City Attorney thought it would be a kindness to keep the lads in jail until the weather grew milder, but Judge Diehl yielded to their pleadings and gave them a chance to leave town, assuring them, however, that they would be cared for if they were unable to catch a ride out of town.

Johnny Myers is better known as Johnny "Shine," because of his occupation. He has a father in Butte, but evidently derives little benefit from that fact.

Ed Murtie, who was released in the morning and returned at 2 p. m. on the following day, loaded to the razor, was arraigned on the charge of drunkenness. "I took a drink or two," he said, "and I'm very sorry."

The usual sentence of thirty days was handed out to him.

I AM A MAN

No matter how weak you are; how full of aches and pains; how feeble and old in your actions, you can be made a stronger and better man by wearing my Electric Belt while you sleep.

Pick out the men who have worn my Belt. See them with heads erect, chest expanded, the glow of health in their cheeks, courage in their hearts and a clasp of the hand that tells you, "I am a man."

And how is it with you? Have you rheumatism and back pains, a dull ache and weakness over your kidneys, dull headaches, with a tired, stupid feeling? Are you losing your vitality? Do you feel yourself growing aged before your time? Are you nervous, sleepless, short of memory and lacking in spirit and self-confidence? Do you know that you are not the man you would like to be?

If so, I can cure you. What you lack is just what electricity supplies. My Belt will cure you, and if you will come to me you will soon be one of "DR. McLAUGHLIN'S MEN."

I believe that the best evidence is the word of an honest man, who says "YOU CURED ME."

VITAL WEAKNESS.

Allen Russell, Pittmore, Utah, Dec. 14, 1903.

Dr. McLaughlin, Dear Sir—Your Belt has helped my stomach very much, my kidneys and bladder are in much better condition, and the left testicle that has been so large for years is becoming more natural. I feel very much encouraged so far and believe that all your words in regard to what the Belt will do for me will be proven true.

Yours truly,
ALLEN RUSSELL.

Come to me and let me cure you. Twenty years of my life have been devoted to my trade, and I have made my Belt popular with people who are tired of drugging. I cure while you sleep. It's easy and pleasant. My Belt gives a current that is a glowing warmth. No burn or sting.

I have a nicely illustrated book which every man should read. I will send it closely sealed, free, if you send this ad.
