DENY HER RIGHT TO GIVE AWAY MILLIONS

"Next Friends" of Mrs. Eddy Prepare for Another Legal Battle.

BOSTON, Dec. 29.—Disputing the power of Mrs. Mary Baker G. Eddy, head of the Christian Science church, to make disposition of so large a part of her fortune, formal notices have been served upon Trustees McClellan, Fernald and Baker, having in charge Mrs. Eddy's estate, ordering them not to name an executor, ordering them to find a charitable institution recently announced, or any other appropriation from Mrs. Eddy's estate, pending the outcome of litigation.

According to former United States Senator William E. Chandler this action is to be followed by a new lawsuit involving the Christian Science church and her trustees, brought by the "next friends," Mrs. Eddy's son, George W. Glover, his daughter, Mary Baker Glover, and Mrs. Eddy's adopted son, Dr. Ebenezer J. Foster of Waterbury, Vt.

The contention of Mr. Chandler is that the proposed appropriation of a million dollars is in direct violation of Mrs. Eddy's deed of trust of March 5, 1907, by which she turned over all her property to the three trustees for life, reserving to herself the right to use the income and certain realty, and which act marked the final termination of litigation against her and the trustees by the "next friends" a few months since.

The new action, it is declared, will be entirely independent of another suit now pending against E. S. Streeter, Mrs. Eddy's attorney in Concord, demanding information concerning the deed of trust for \$125,000 set aside by Mrs. Eddy for the benefit of her son, George W. Glover, and his daughter.

OLD GEORGIA WILL SOON BE "DRY"

First of Southern States to Get Into Prohibition Column; Law Is Strict.

ATLANTA, Ga., Dec. 29.—With the advent of the new year the law preventing the manufacture and sale of intoxicating liquors, passed by the last session of the legislature, becomes effective, making Georgia the first of the Southern states to be placed in the prohibition column.

According to former United States Senator William E. Chandler this action is to be followed by a new lawsuit involving the Christian Science church and her trustees, brought by the "next friends," Mrs. Eddy's son, George W. Glover, his daughter, Mary Baker Glover, and Mrs. Eddy's adopted son, Dr. Ebenezer J. Foster of Waterbury, Vt.
