

RATES INQUIRY EFFECTS CARRIERS RUMORED UNLOADING SEEDS WHEAT LOWER

Announcement of Commission Causes Heaviness in Anthracite Securities. Fear of Action of Eastern Longs Causes Market to Decline.

CHICAGO, June 18.—Belief that eastern longs were unloading to escape threatened large deliveries next month had a depressing effect today on wheat. The market closed at a net decline of 1/4¢ to 1/2¢. Corn finished the same as last night to 1/4¢ lower, and oats off 1/4¢ to 1/2¢ higher.

It was noted that one million bushels of July wheat had been sold out in the pit today for the second largest interest in the market. There was a little flurry to buy at one time owing to reports that a frost was damaging wheat in Kansas. Second thought, however, caused receding of the wheat being about ready to the Kansas and beyond harvest season.

Bain reports from Missouri and Texas removing fear from crop losses, weakened the corn market. September fluctuated from 71 1/2 to 71 3/4, closing easy 1/4¢ down at 71 1/2. Closing easy 1/4¢ down at 71 1/2. Cash trade was slow. No. 2 yellow was quoted at 74 1/2 to 75.

Oats sympathized with the buckles to other cereals, but showed steady and for a while in consequence of reports of rank the 15th and 16th September sawing from 40¢ to 40 1/2¢, with last sales 40 1/2¢ under last night at 40 1/4¢.

WALL STREET WANTS NEW MAN FOR THE PRESIDENCY Hold Roosevelt in Contempt, But Fear His Defeat at Chicago Will Result in Knifing of Taft; Market Is Dead.

By International News Service. NEW YORK, June 18.—Except for a break in Wabash stocks and an advance in the 4 per cent bonds, the market in Wall street was dead today. In the early trading a pleasing nomination might help it.

NEW YORK, June 18.—Special cable and telephone communications received by Reuters show the following change in the available supplies, as compared with previous account: Wheat, United States, east of Rockies, decreased 2,200,000 bushels.

The Remington Typewriter revolutionized business writing and now the Remington Adding and Subtracting Typewriter

(Wahl Adding Mechanism) is revolutionizing billing and accounting

This marvelous machine is the latest Remington development—the last word in clerical labor saving—the one machine for billing work, statement work and all work where writing and adding are done on the same page.

Visible Writing Visible Adding The machine writes the items, writes the amounts, adds the amounts, subtracts credits and writes totals— and every one of these operations is performed on the regular keyboard of the Remington Typewriter. Our illustrated booklet, giving full description, will be sent on request. Remington Typewriter Company (Incorporated) 172 So. West Temple Street
