Mrs. J. B. Cosgriff, Popular Woman, Formerly of Salt Lake, Who Was Honored Guest Yesterday at a Luncheon at the Hotel Utah.

MR. AND MRS. ADOLPH BAER announce the engagement of their daughter Minette to Daniel Alexander. Both the young people are well known socially, the bride being prominent in musical, as well as social circles, while Mr. Alexander is one of the rising young attorneys of the city. The date for the marriage has not yet been set.

The wedding of Miss Loren Leary, one of Salt Lake's most popular young girls, and accomplished musician, and Gibson Thornley Berry, formerly of Kentucky, took place yesterday at high noon at the Leary home in the Bransford. The ceremony was performed by Dr. William M. Faden, in the presence of the family and a few of the young friends of the bride and bridegroom. Mrs. Alice Savage, the bride's dearest friend since childhood, attended her. The bride was dressed in a handsome suit of white satin with a hat of white and white agerettes, and she carried a great armful of white syringas. Mrs. Savage's gown also was of white with trimmings of king's blue ribbon, and she carried an armful of blue cornflowers tied with tulle of the same shade. Following the ceremony, a wedding breakfast was served to the company and the young people left for San Francisco on their honeymoon trip. They will spend a few days there and will then motor to their new home near Eureka, Cal., where Mr. Berry has mining interests.

A wonderfully beautiful pre-nuptial dinner of last evening was that at which Mr. Newhouse entertained more than a score of guests at his home in honor of Miss Vera Edwards. The beautiful home was brilliantly lighted throughout, and was gorgeous with American Beauty roses and deep red peonies, except in the dining room where the Lawson carnations were used to great masses to decorate the long table. In an alcove nearby the troubadours sat, furnishing an excellent musical programme. The party was chartered by Mr. and Mrs. Harry C. Edwards, the parents of the bride, and the guests besides Miss Edwards and Horton Cheesman, were Miss Romola King, Miss Marie Odell, Miss Marjorie Lewis, Miss Bryan Houston, Miss Margaret Dunn, Miss Vera Sjodahl, Miss Leigh Whittemore of Los Angeles, Miss Georgiella Moore, Mrs. Walter Lewis of Butte, Clarence Milner, Walter Folland, Russell McIntyre, Russell Richards, Darwin Richardson, Archie Milner, Robert Handy and O. O. Howard of London, England.

Unfortunately, the same afternoon, a great many of the city's best-known women will be at the Hotel Utah meeting and welcoming the prominent club women of the country who are arriving each day on their way to San Francisco.

Summer Aids to Beauty
(Esther in Household Helps.)

"Face powder helps that 'shiny' look only a few minutes, and then, when rubbed off, a woman's appearance is worse than ever. A true complexion beautifier is made by dissolving a original package of mayonaise in a half pint witch hazel. Gently rub this lotion over face, neck and arms every morning. It holds all day long, and your complexion soon is clear, smooth, satiny and free from blemish.

"From slacked waists sometimes prove embarrassing to a woman never troubled with superfluous hair on her face. Delatone will remove wild hair. Just mix powdered delatone with enough water to cover the hair; apply, and after two or three minutes rub off, wash the skin and the hair will be gone.

"A great advantage of a dry shampoo is that one is not compelled to devote hours to drying the hair. The best shampoo beautifier is made by dissolving a original package of mayonaise in a half pint witch hazel. Gently rub this lotion over face, neck and arms every morning. It holds all day long, and your complexion soon is clear, smooth, satiny and free from blemish.

"To make thin, short eyelashes grow in long, thick and silky with beautiful curl, apply plain protein to the lash roots with thumb and forefinger daily. Rubbing protein on straggly eyelashes will make them long and silky."

To Regain a Healthy, Girlish Complexion

(From the Feminine World.) If you would have a clear, fresh, girlish complexion, one ounce of ordinary mercurized wax will aid you in this direction more than shelves full of cosmetics. It produces a natural beauty. This wax, procurable at any drug store, completely absorbs a bad complexion, revealing the healthy young skin underneath. Its work is done so gradually, day by day, that no inconvenience is caused. The wax is applied at night, like cold cream, and removed in the morning with soap and water. Another valuable rejuvenating treatment if you have wrinkles, or your skin is baby and saggy—is to bathe your face in a solution of powdered axolite, 1 oz., dissolved in 1-pt. witch hazel. This has a remarkable action in smoothing out the lines and "firming up" the loosened tissue.
