Keith O'Brien Co

Just Like a Christmas Crowd of Shoppers!

It seemed as though everybody in Salt Lake and vicinity was at Keith-O'Brien's Thursday. And best of all, everybody was satisfied FRIDAY, THE SECOND DAY, PROMISES ALSO TO BE AN OVERWHELMING SUCCESS

Shoppers delighted with their purchases---laying in heavy supplies for future need.

- Every one delighted with the savings on purchases. Although some idea of the sweep of genuine reductions was gleaned from our advertisements, the shoppers hardly expected such manifold bargains. They were happy. Friends, meeting friends in the store, exchanged hearty congratulations and pointed with pride to their own splendid purchases---each a saving greater than was really expected. The Removal Sale is proving one thing: that a sale conducted along legitimate lines---no false promises---no false values---everything open and above board---can be made a success. It shows what Keith-O'Brien can do through right methods. It shows appreciation of good merchandise. It shows confidence in the store that never deceived a customer. The whole is a tribute to character---character of store, character of merchandise, character of service. And this high standard of business---of doing what we say we will do---is winning the encomiums of thousands of old and new friends! GOODS WERE NEVER SOLD IN SALT LAKE AS LOW IN PRICE AS ARE BEING SOLD AT KEITH-O'BRIEN'S DURING OUR BIG REMOVAL SALE---BECAUSE WE DO NOT WANT TO MOVE PRESENT STOCKS TO THE NEW BUILDING. THE SALE WILL MAKE HISTORY! The prices will be spoken of long after the goods purchased have served their purpose. Goods will wear out in time---but the values will be remembered. Only by coming to the store can one form an idea of the scope of the actual benefits in price. Every department is teeming with good things---every article at a decided saving.

you discouraged? Probably not---ten to your liver. You need...

Store Open 9:30 This Morning

AS BUSINESS WAS LARGER THAN WE EXPECTED FRIDAY, IT IS NECESSARY TO STRAIGHTEN STOCKS. THIS WAS IMPOSSIBLE LAST EVENING OWING TO THE 9-HOUR LAW, WHICH WE ALWAYS OBSERVE

A HUNDRED TO ONE

That is the smallest ratio that the price you would pay for a safe could possibly bear to the price we charge for a box in our Safe Deposit Vault.

Even at a hundred times the price, you could scarcely buy a hundredth part of the security we offer. If you doubt it, come and see.

The opportunity to secure perfect protection for \$1.50 per year cannot be passed by with any justice to yourself.
