Schooner Fannie Palmer Libelled for Salvage Claim.

EIGHTY PER CENT OF HER VALUE

Hudson and Brother, of Norfolk, allege that They Spent \$22,000 Floating the Vessel After Making Contract With Owner—At Shipyard

The five-master schooner, Fannie Palmer, which is at the local shipyard undergoing extensive repairs, has been libelled by the firm of Hudson & Brother, of Norfolk.

The libellants allege that they paid William F. Palmer, owner of the schooner, \$3,200 when the vessel was ashore on the Virginia coast, with the agreement that they were to receive 80 per cent of the value of the schooner in the event they succeeded in saving her. They further allege that they spent \$22,000 in floating the Palmer, including cost of floating their tug, Asher J. Hudson, which went ashore while trying to haul the Palmer off.

Suit is entered with the view of having the schooner sold and 80 per cent of the proceeds paid to the libellants.

The Palmer is in bad shape and it will cost a considerable sum of money to put her in seaworthy condition again.

CAPTAIN FITCHETT WILL RESIGN HIS COMMISSION

Newport News Light Infantry Soon to Be Without a Commander—May Disband.

Captain George W. Fitchett, commanding Company G, the Newport News Light Infantry, will resign his commission this week. The captain, who is a civil engineer, is working in and around Norfolk now, states that he will not be able to attend to his military duties in the future.

Second Lieutenant G. R. Butler, of the Light Infantry, has already resigned for business reasons. This will leave the company with only one commissioned officer, Lieutenant Newton H. Garthright.

It is reported that the Light Infantry may disband, but it is hardly probable that this step will be taken.
