Whaleback Steamer Bay City Arrives from the Lakes.

GOES TO SHIPYARD FOR REPAIRS

New Coastwise Coal Carrier Will Have Furnaces Installed Before Entering Trade—Carries About Seventy Thousand Tons a Year.

The whaleback steamer Bay City, recently purchased on the Great Lakes by the Boutell Steel Barge Company, of Boston, for service in the coastwise trade between Newport News and New England ports, arrived at this port yesterday morning from Boston, with the whaleback barge Berkshire in tow, from New Bedford. After dropping her tow in the harbor, the steamer proceeded to the local shipyard, where she will have new furnaces installed.

When she leaves the yards next week the Bay City will drop down to the coal piers to load her first cargo of coal in the Atlantic coast trade. The vessel has a carrying capacity of about 2,500 tons and will be able to transport about 70,000 tons of coal a year between this port and New England. She was built at Duluth, Minn., in 1890, and is 276.5 feet long, 36.1 feet broad and 18.6 feet deep. She is propelled by a single-screw engine and has a speed of about twelve knots an hour.

The vessel will be employed by the Sprague Transportation Company, of Boston, and will be loaded at this port by the White Oak Coal Company, Mr. H. B. Holmes agent. This company now employs three steamers and six barges in the coastwise trade.

Steamer Strathendrick Put into Valparaiso in Distress. News reached this city yesterday that the British steamer Strathendrick, Captain Fleet, which sailed from this port for San Francisco with a cargo of coal on August 5, has put into Valparaiso, Chile, with her machinery out of order.

The Strathendrick came here from Glasgow last July on her maiden voyage, taking a cargo of coal for the Mare Island navy yard. After repairing at Valparaiso the vessel will proceed.

Skippers Change.

KIDNEY TROUBLE DISCUSSED

How to Avoid a Sickness—Simple Instructions Anyone Can Follow.

The sufferer with Kidney and Bladder Trouble is particularly miserable during the cold, wet season. Then the headache, headache, general weakness, heart trouble and short dry cough characteristic of kidney disease fasten themselves upon him with more than ordinary severity, and he is simply compelled to seek relief or take to his bed.

Readers in this fix will be interested to learn that in order to get immediate relief from the pain and make a speedy recovery, a visit to a high priced specialist is not necessary. Instead go to the drugist and get Concentrated Barkola Compound, one ounce; Fluid Extract Casarea Aromatic, one-half ounce; Aromatic Elixir, four ounces.

Mix them together at home and take one teaspoonful after each meal and at bedtime.

This simple recipe is said on no less authority than that of Dr. Flood, the great specialist, to be superior in merit as a safe, speedy remedy for Kidney, Bladder and Rheumatic Ailments to any other in existence.

LOADS FULL CARGO OF FORAGE FOR ARMY

British Steamer Persiana to Make Trip to Cuba in Uncle Sam's Service.

The British steamer Persiana, of the Furness-Withy line, arrived at this port from Barbados yesterday afternoon to load a full cargo of forage here for the horses and mules of the American army of Cuban pacification. The vessel was docked at Chesapeake and Ohio pier 4 yesterday evening and the work of loading her will be hastened with all possible dispatch. She will sail for Havana early next week.

When it became apparent several weeks ago that the American troops would be needed in Cuba this winter to keep order on the island and to quell the small insurrections arising in different places the War Department was compelled to provide sufficient hay and grain for the cavalry horses and army mules during the winter and as the transport plying between this city and Havana could not transport the forage to the island, the department was compelled to charter a vessel for the trade. The contract was awarded to Furness, Withy and Company, and it is probable that another cargo of forage will be sent to Cuba from this city later in the winter.

THEATRICAL

The Donna Seymour Company, which was to have presented the musical show, "Mr. Blue Beard," at the Academy of Music last night, failed to put in its appearance here and the playhouse was dark during the evening.

Why the company failed to fill its engagement here is not known, as Manager Booker has not received any message from the show. It was reported here last night, however, that the company has stranded.

"Peggy From Paris" Tonight.

"Peggy from Paris," one of George Ade's successful musical plays, will be at the Academy of Music tonight, with Helen Bryan, of "Sergeant Kitty" fame in the title part.

The piece ranks as one of the cleverest of George Ade's efforts, and it delighted a large audience here last season. The music is especially attractive; it was written by William Lorraine, "Peggy from Paris" is famous for catchy and swinging melodies. There are many musical hits in the play and they are sung by a company said to be a capital one. Eddie Gorman will have the principal comedy part of Renigald Hickey.

Among the best song hits is "Li, My Easter Lilly," and Helen from Helena. They are the work of William Lorraine, who will personally direct the orchestra tonight. The sale of seats is progressing very satisfactorily and there no doubt be a big house present when the curtain rises.

"Peaceful Valley."

The announcement of the revival of "Peaceful Valley," the pastoral idyll in which the late Sol Smith Russell, quaint and lovable actor, scored his greatest triumph, has created widespread interest and attention throughout the country and the efforts of the management have already met with popular approval wherever the play has been presented.

Edward Saxon, the player who is essaying Russell's original role of Hosea Howe, is said to be a character actor of intelligence and imagination who invests the role with a quality of mellow loveliness which is in keeping with the spirit of the play.

The supporting company contains the names of a number of well known players, including that of Carson Bradford, a young man from Nashville, who has recently gone upon the stage. Mr. Bradford plays leading juvenile role in the play, and is said to play it with such refreshing buoyancy and charm that he has received almost as favorable mention as Mr. Saxon throughout the country. The play will be presented at the Academy of Music tomorrow matinee and night.

There will be a special ladies' and children's bargain matinee at 3 p. m.

"The Three of Us."

Good things said about "The Three of Us" are plentiful. The following is what the Baltimore Evening News says:

"No resume of the play can give any idea of its charm. Miss Nilsson plays Rhy with the greatest skill; and she makes the living head of the house of Macheaney by turns a playful, magnetic, coquettish girl, and a brave-spirited and noble woman, unafraid of the bad opinion of her small world so long as her own conscience is clear. She is always convincing, and she never overacts."

"The Three of Us" will be at the Academy Monday night.

Republicans and Independents.

NEW YORK, Oct. 10.—Fusion between the Republicans and the Independents New York county on the county ticket, went through tonight. Among those nominated were M. Linn Bryer (Rep.), for justice of the Supreme Court, and Max F. Jimsen (Ind.), for sheriff. Mr. Jimsen is William R. Hearst's political manager.

CAPT. CLAYTON'S OFFICE WILL BE ABOLISHED

Duties Formerly Performed by Shipping Commission Fall Upon Collector of Customs.

Announcement came yesterday from the secretary of the Bureau of Commerce and Labor, at Washington, D. C., that the office of United States shipping commissioner, at this port recently made vacant by the death of Captain Enoch Clayton, will be abolished and the duties of the office will be performed by Collector of Customs J. E. B. Stuart. The announcement came as a surprise to shipping men and to the several candidates for the office.

Collector Stuart will be allowed to add another member to the customs force here to take care of the increased business of the office caused by the taking over of the office of shipping commissioner. This appointment will be made by the civil service commission.

This commandery boarded a steamer at Old Point and went to Norfolk, where they took part in the parade and then had a two hours' ride around the Roads on the steamer. The Masons returned last night.

Thomas Newsome colored, before Judge John W. G. Blackstone in the Circuit Court.

The prisoners were ordered by the judge to appear in James City county when their trial is gone into next week.

Her Rudder Broken.

The Tarea Hattie, of the Baltimore and Preston Towing Company's fleet, arrived in port yesterday from New Bedford in tow of the tug Concord and proceeded to the shipyard to have her rudder repaired. The vessel's rudder was broken while she was loading at the local coal piers several weeks ago.

Not His Son.

In the account of the death of the late Captain Enoch Clayton, published in this paper Tuesday, it was stated that the deceased was survived by a daughter, Mrs. W. P. Bosher, and a son Mr. Nicholas Clayton. The captain was survived only by one child, Mrs. Bosher; Mr. Nicholas Clayton is a nephew.

GIRL BABY'S AWFUL ECZEMA

Sight of Eye Destroyed by Disease—Tried Five Doctors but Grew Worse—In Agony Eight Months—Parents Discouraged, Until They Tried Cuticura Remedies

IN ONE WEEK ALL SORES DISAPPEARED

"Our little girl, one year and a half old, was taken with eczema or that was what the doctor said it was. We called in the family doctor and he gave some tablets and said she would be all right in a few days. The eczema grew worse and we called in doctor No. 2. He said she was teething, as soon as the teeth were through she would be all right. But she still grew worse. Doctor No. 3 said it was eczema. By this time she was nothing but a yellow greenish sore. Well, he said he could help her, so we let him try it about a week. One morning we discovered a little yellow pimple on one of her eyes. Of course we phoned for doctor No. 3. He came over and looked her over and said that he could not do anything more for her, that we had better take her to some eye specialist, since it was an ulcer. So we went to Oswego to doctor No. 4, and he said the eye-sight was gone, but that he could help it. We thought we would try doctor No. 5. Well, that proved the same. He charged \$10 more than doctor No. 4. We were nearly discouraged. I saw one of the Cuticura advertisements in the paper and thought we would try the Cuticura Treatment, as I went and purchased a set of Cuticura Remedies, which cost me \$1, and in three days our daughter, who had been sick about eight months, showed great improvement, and in one week all sores had disappeared. Of course it could not restore the eyesight, but if we had used Cuticura in time I am confident that it would have saved the eye. We think there is no remedy so good for any skin trouble or impurity of the blood as Cuticura. Mr. and Mrs. Frank Abbott, R. F. D. No. 9, Fulton, Oswego Co., N. Y., August 17, 1906."

Complete External and Internal Treatment for Every Humor of Infants, Children, and Adults consists of Cuticura Soap, 25c, to Cleanse the Skin, Cuticura Ointment (50c) to Heal the Skin, and Cuticura Resolvent (50c) in the form of a Powerful Laxative to Purify the Blood. WE CANNOT SAY TOO MUCH FOR PE-RU-NA

These Women Say, in Substance, That Before They Took Pe-ru-na They Were Miserable.

They Were Weak and Wretched.

After Taking Pe-ru-na They Were Restored to Health and Usefulness.

This Is the Whole Story In a Nutshell.

If Pe-ru-na Can Do Such Wonders For These Women It Can Do the Same For You.

The housewife is the one who is best able to judge of the relative merits of family medicines. It is she that knows the many uses of Pe-ru-na in the family. It is upon her testimonial that chiefly depends the popularity which Pe-ru-na enjoys.

MRS. E. T. GADDIS

Mrs. E. T. Gaddis, Marion, N. C., writes:

"Before I commenced to take Pe-ru-na I could not do any hard work without suffering great pain. I took Pe-ru-na and Manalin, and can say with pleasure that I have done more for me than any other medicine I have ever taken. Now I am as well as ever, I do all my own work and it never hurts me at all. I think Pe-ru-na is a great medicine for woman-kind."

From Grateful Women.

"I was troubled with suppressed and painful menstruation. I took Pe-ru-na according to your directions, and now I am well."—Mrs. James Eighmey, Grape, Mich.

"We have been using Pe-ru-na for some time. To speak from a standpoint of experience I can candidly say that Pe-ru-na is the remedy for female weakness. From a personal test and from the testimony of many others I shall not hesitate to recommend it, especially to all suffering women."—Mrs. M. F. Jones, Burning Springs, Ky.

PE-RU-NA FOR PELVIC DISEASES.

"I suffered from catarrh for many years, but since taking Pe-ru-na I feel strong and well. As I used Pe-ru-na and Manalin while I was passing through the change of life, I am positively convinced your beneficial remedies have relieved me of all my ills."—Mrs. Mathilde Richter, Doniphan, Neb. "I suffered with pelvic catarrh until I wrote to Dr. Hartman, and after taking treatment as he advised, I can say I am cured of this most trying affliction, for which I am truly thankful. I never felt better in my life than I do at present."—Mrs. Etta Booker, Dundurn, Sask., N. W. T., Can.

MRS. A. E. STOFFER

Pe-ru-na Gave Health.

Mrs. A. E. Stouffer, Capoma, Kansas, writes: "Pe-ru-na has given me health and strength; it is the best medicine that was ever made for women. My friends say they never saw such a change in a woman. I talk to every one about Pe-ru-na. I cannot say too much for it."

A Remedy For Women.

It is safe to say that we have thousands of letters written to Dr. Hartman from women who repeat the same sentiment to be found in Mrs. Stouffer's testimonial: "My friends say they never saw such a change in a woman." Over and over again this sentence is penned by grateful women who are more than willing that we should use their words to assist other suffering women in finding a cure. Pe-ru-na is a great medicine for women. It cleanses the inside of the body in much the same way that water cleanses the outside of the body.

MRS. CAROLINE SUNDHEIMER

Stronger Than for Years.

Mrs. Caroline Sundheimer, Clarke, La., writes: "I am feeling quite well now. I can work again and am stronger than I have been for years, and I do believe that Pe-ru-na saved my life."

"I am very thankful to you for your advice. I will advise all I can to take your medicine."
