

SEEKS TO ABOLISH COMMERCE COURT

Committee Fails to Report on Appropriation for Its Maintenance.

Washington, May 1.—By failing to report an appropriation for the recently created Commerce Court, the House Committee on Appropriations today...

Specific injunction against the expenditure of public money for telephones at private residences is incorporated in the bill.

The bill restricts the number of United States circuit judges to twenty-nine and provides that no more appointments of that class shall be made until the number of judges is reduced below that number.

The various departments submitted estimates for \$2,165,699 more than Chairman Fitzgerald's committee provided.

The Republican members of the Appropriations Committee filed a minority report urging the retention of the Commerce Court and the Bureau of Statistics and Manufactures and the salary of the secretary to the President.
