TRUTH

IS MIGHTY AND WILL PREVAIL. Never doubt it. Even though falsehood may appear to flourish for a season, TRUTH will triumph in the end.

Absolute and unalterable is the TRUTH that every advantage in street railway service enjoyed by the People of Richmond to-day has been and is secured to them NOT BY COMPETITION, but by ordinance of the City Council.

Absolute and unalterable is the TRUTH that six-for-a-quarter street car tickets, school children's tickets, working men's tickets, new and clean cars, and other excellent features of Richmond's ideal street railway service not only have NOT been provided by competition, but CANNOT BE AVOIDED OR EVADED BY COMPETITION, because all these things are provided AND REQUIRED by enactments of the City Council—the same City Council that has full and complete powers of REGULATION AND CONTROL over the electric light and power business in Richmond (as well as the street railway business), no matter who conducts that business.

Absolute and unalterable is the TRUTH that competition in light and power WILL NOT and CANNOT give better or lower-priced service.

Absolute and unalterable is the TRUTH that competition in the providing of electric light and power ALWAYS AND INEVITABLY LEADS TO DEPRECIATED SERVICE AND A HIGHER PRICE FOR THAT SERVICE.

Absolute and unalterable is the TRUTH that competition in electric service, instead of benefitting the public, is a delusion and a snare, and as a means of regulation is a futile failure and an exploded fallacy.

Absolute and unalterable is the TRUTH that competition in electric light and power always and inevitably leads to a consolidation of the competing companies, and that THE PUBLIC HAS TO PAY THE WHOLE PRICE FOR BOTH COMPANIES AND MAKE UP THE MONEY WHICH COMPETITION SQUANDERS.

Read to-morrow's Service Talk, BUT FIRST, TO-DAY, make an effort to see your friends in the City Council and find out whether THEY KNOW AND UNDERSTAND the provisions of a franchise attempted to be FORCED THROUGH THE COUNCIL, but which has NEVER BEEN PUBLISHED, NEVER BEEN PRINTED, NEVER YET BEEN READ BEFORE THE COUNCIL OR BEFORE THE STREET COMMITTEE.
