From Gen. Rosecrans' Army.

MEMPHIS, Sept. 15.—A large infantry force from Johnston's army is reported marching up the Tusculum Valley to reinforce Bragg. Roddy's command has gone to Decatur for some purpose.

Refugees bring reports circulating in the South, to the effect that, after two days' fighting, in which Bragg was defeated and driven back, he received large reinforcements from Johnston, which turned the tide of battle, and that he was now driving Rosecrans.

All of Johnston's cavalry are reported to have joined Bragg, with the design of destroying Rosecrans' communications.

The War in Georgia.

NEW YORK, Sept. 17.—A special dispatch from Cincinnati to the Tribune, to-day, states that passengers from Stevenson, Alabama, report a reverse to General Thomas' Corps' near Lafayette, Georgia. The report doubtless relates to the engagement of General Negley, some days since.

Several heavily laden freight trains have been taken by the Federal forces, near Morristown, Georgia.

From Washington.

(Correspondence of the Philadelphia Inquirer.)

WASHINGTON, Sept. 17.—Notwithstanding the denial that General Gilmore has tendered his resignation, I reiterate the statement upon authority which I consider reliable. The resignation will not be accepted, but the causes which induced it will bring about the changes alluded to in my dispatch of yesterday.

General Burnside has withdrawn his resignation. In the event of the removal of General Schofield, Missourians now here think it not improbable that General Butler will succeed to the command.

The ambulances were running until a late hour last night, conveying to the hospitals in the vicinity of Washington about 1200 sick and wounded soldiers from the Army of the Potomac.

Up to the present time, only five millions of dollars have been paid out of the Treasury for the armies in the field during July and August.

The draft in Cincinnati was suspended in consequence of an error being discovered in the quota to be furnished by that city. It will be 5000 less than originally made out. As soon as the new quota is properly apportioned the draft will take place.

The next draft ordered in the Western States will be in Minnesota, where it will take place as soon as the preparations are completed.

The Suspension of the Writ of Habeas Corpus.

WASHINGTON, September, 17.—The Secretary of War has ordered that the act of Congress relating to the suspension of the writ of habeas corpus and the proclamation of the President based upon the same, be published for the information of all concerned, and that the following special instruction for persons in the military service of the United States be strictly observed—namely:

The attention of every officer in the military service of the United States is called to the proclamation of the President, issued on the 15th day of September, 1863, by which the privilege of the writ of habeas corpus is suspended. If, therefore, a writ of habeas corpus should in violation of the aforesaid proclamation, be sued out and served upon any officer in the military service of the United States, commanding him to produce before any court or judge any person in his custody by authority of the President of the United States, belonging to any one of the classes specified in the President's proclamation, it shall be the duty of such officer to make known by his certificate, under oath, to whomsoever may issue or serve such writ of habeas corpus, that the person named in said writ is detained by him as a prisoner, under authority of the President of the United States.

Such return having been made, if any person serving or attempting to serve such writ, either by the command of any court, judge or otherwise, and with or without process of law, shall attempt to arrest the officer making such return and holding in custody such person, the said officer is hereby commanded to refuse submission and obedience of such arrest, and if there should be any attempt to take such person from the custody to such officer, he shall resist such attempt, calling to his aid any force that may be necessary to maintain the authority of the United States and render such resistance effectual.
