

General Sherman's Order.

"HORS. MILITARY DIVISION OF MISSISSIPPI.
In the Field, RALEIGH, N. C., April 19."

"Special Field Orders, No. 58.

"The General Commanding announces to the army a suspension of hostilities, and an agreement with General Johnston and high officials, which when formally ratified, will make peace from the Potomac to the Rio Grande. Until the absolute peace is arranged, a line passing through Tyrell's Mount, Chapel Hill University, Durham's Station, and Sweet Point, on the Neuse river, will separate the two armies; each army commander will group his camps entirely with a view to comfort, health, and good police. All details of military discipline must still be maintained, and the General hopes and believes that, in a very few days, it will be his good fortune to conduct you all to your homes. The fame of this army for courage, industry and discipline is admitted all over the world. Then let each officer and man see that it is not stained by any act of vulgarity, rowdyism, or petty crime. The cavalry will patrol the front of the line.—General Howard will take charge of the district from Raleigh up to the cavalry, General Slocum to the left of Raleigh, and General Schofield in Raleigh, its right and rear.

Quartermasters and commissaries will keep their supplies up to a light load for the wagon, and the railroad superintendent will arrange a depot for the convenience of each separate army. By order of Major General W. T. Sherman. L. M. DAYTON, A. A. G."

LIBBY PRISON.—An investigation of the basement of the Libby Prison since its occupation by the Federal military authorities, revealed the fact that the powder magazine planted there for the purpose of blowing up the prison, in the event of the capture of Richmond by Dahlgren, had been removed some time subsequently. The excavation is very plainly to be seen.—*Rich. Whig.*

The peculiar opinions of the writers of the "Essays and Reviews," in England, in relation to the Bible, its inspiration, &c., appear to be showing themselves more prominently, in several quarters of the established church, as well as among some of the non-conformist ministers. The head master of Rugby school, Dr. Temple, lately preached a sermon at the Chapel Royal, Whitehall, to a large crowd, which would make Christians of the old school stare. The age is progressive—so very progressive, that we are in danger of being hurried beyond even the surest and best of the consolations of faith, and hope, and love.
