

LATEST FROM KENTUCKY.

CAIRO, April 13.—General Buford sent a flag of truce at seven o'clock this morning, demanding the surrender of Fort Halleck, at Columbus, Ky., the white soldiers to be treated as prisoners of war, but no protection promised to the negro troops found in arms. Five hours was given for the removal of the women and children. The steamer Crawford arrived here at one P. M. crowded with the latter. As she was leaving Columbus two steamers arrived from below with three thousand veterans, en route home on furlough, also a battery, which were landed.

The steamer Olive Branch, from New Orleans on the 6th inst., reports that fighting was going on all day yesterday, and up to the time she passed there, when there was a cessation of hostilities. Negotiations were pending, and a flag of truce was visible.

After passing, the fighting was renewed and the Federal flag was seen to come down, but it was believed to have been shot away, as there seemed to be efforts made to raise it again.

THE LATEST.—General Buford's demand was for an unconditional surrender of Fort Pillow. It was stated that if the fort was surrendered the negroes would be returned to their masters, but if forced to take the place no quarter would be shown them. Colonel Lawrence commanding the post, replied that a surrender was out of the question.

Paducah advices up to noon, to-day report matters more quiet, and the probabilities of an attack lessened. General Brayman has sent reinforcements both to Columbus and Paducah and no fears are entertained by the military authorities for the safety of either place.—Passengers from below report that Forrest recently crossed the Coldwater River, near Jackson, going south, with 3000 horses and 1900 wagons, but this is, doubtless an exaggeration.

A dispatch from Washington to the New York papers states that "an order authorizing the summary hanging of "bushwhackers" caught within the lines of the Army of the Potomac has been rescinded."
