Alexandria Gazette.

MONDAY EVENING, JULY 18.

The Social Breakfast. A London newspaper wonders why we no longer invite people to breakfast.

The English officer who years ago was wounded in a battle in India and left lying all night among the native dead and wounded tells this story:

The Origin of Oxygen. That eminent scientist Lord Kelvin maintained that all the oxygen in the atmosphere probably originated from the action of sunlight upon plants.

The Origin of the "Marseillaise." In the reign of terror under Feron and Barras, when hundreds of victims were carried by the guillotine and the people rose against the aristocracy, was born the hymn of France.

Westminster Hall. Westminster hall, England's old hall of the king's justice, is one of the world's notable historical shrines.

How Pausanias Died. Pausanias, the Greek general, died by self-administered poison.

His Recommendation. Tom—Hello, Bill! I hear you have a position with my friends Skinner & Co.?

Firmness of Purpose. Firmness of purpose is one of the most necessary snaws of character and one of the best instruments of success.

The Real Grievance. "You are always complaining. You ought to be satisfied with the money you've got."

A Reminder. "Since I've come back I find that I'm forgotten by all my friends."

The world's most successful medicine for bowel complaints is Chamberlain's Colic, Cholera and Diarrhoea Remedy.

Chamberlain's Stomach and Liver Tablets gently stimulate the liver and bowels to expel poisonous matter.

A Judicial Favor. A verdant local reporter whose propensities incline to darning rather than to judgment and whose ardency in the quest of news is one of his marked characteristics approached a judge of the United States district court.

The Eclusiveness of Casts. An English officer who years ago was wounded in a battle in India and left lying all night among the native dead and wounded tells this story:

In Westminster Abbey. Fox's tomb is perhaps the most ridiculous in the abbey, but others run it hard—the naked figure of General Wolfe supported by one of his staff in full regiments and receiving a crown from Victory.

FARMER'S WIFE HAD HEAP TO DO Mrs. Shepherd was in Bad Shape When She Could Not Stand on Her Feet.

Durham, N. C.—"I am a farmer's wife," writes Mrs. J. M. Shepherd, of this city, "and have a heap to do."

Being composed exclusively of vegetable ingredients, Cardui cannot lay up trouble in your system, as mineral drugs often do.
