

IS CURE FOUND FOR WHITE PLAGUE?

Remarkable Stories Come From Work of Dr. Friedman in Berlin.

(Special Cable to The Times-Dispatch.) Berlin, November 30.—Your correspondent this week investigated the newly announced discovery of an actual cure for tuberculosis, and if the history of the case, according to testimony of persons who say they were cured, may be trusted, it seems at least to the eyes of a layman who had much experience in the great consumption campaigns of Arizona and California, that Dr. Friederich Franz Friedman, a Berlin physician, after a decade of experimenting, finally has solved the problem which Dr. Koch failed, and has given to the world a destroyer of the white scourge which such men as Professor Koch, of the Virchow Hospital, declare will mark one of the greatest epochs in the history of medicine.

WILL ASK FUNDS FOR "WHITE WAY"

Committee to Recommend Acceptance of Bid for More Lights in City.

Y. M. C. A. FUND GROWING

Amount Raised Passes Half-Way Mark—Other News of Petersburg.

The Times-Dispatch Bureau.
5 Bollingbrook Street
(Telephone 1840).
Petersburg, Va., November 30.

It looks as if Petersburg, in its progress to have a "White Way," at a meeting of the Council Committee on Gas and Light last night it was decided to recommend to the Council at its meeting next Tuesday that Symmore Street, from Old to Oak Street, be made a "White Way." bids for the lighting were received from the Virginia Railway and Power Company and the Petersburg Gas Company. The bid of the railway being the lower, the committee decided to recommend its acceptance. The company agrees to install forty additional arc lights on the street at an annual cost of \$2,750 each, and in the event of the acceptance of the bid, to remove all the poles on the street now used by the company. This would cost between \$1,500 and \$2,000. The committee will recommend that the contract for the White Way be let at the same time that the general lighting contract is renewed—April 14.

The Prince George Arrests.
In the matter of the arrests yesterday of Frank Charvat and his three sons, Frank, John and Charles Charvat, Bohemia farmer, in Prince George, on warrants charging them with setting fire to the buildings on the farm of their neighbor and brother-countryman, Joseph Vitpl, on the night of November 25, there appears at this time only suspicion. The hoodlums brought to the scene of the fire trailed to the home of the Charvats, but only the tracks of one person could be found. What additional evidence the Commonwealth may produce at the preliminary examination of the accused men on December 6 is not known.

Barnard, all of Louisville, Ky.; and treasurer, J. F. of Carrollton, Ky.

Looking After Immigrants.
Secretary A. W. Walsh, of the Petersburg Y. M. C. A., to-day received a letter from the immigration secretary of the New York Y. M. C. A. notifying him of the recent arrival there of three Hungarians, who propose to settle in this vicinity, and asking that he extend such assistance as he can to them. They will come to Petersburg bearing the card of the international committee of the Y. M. C. A. Mr. Walsh, since his connection with the Petersburg Y. M. C. A., has received two or more letters of this character, and in every instance has found the immigrant and in some in reaching his friends or in securing employment for him. He will curbing employment for him. He will do the same by the three Hungarians now en route here.

An Appeal to Those Suffering With Rheumatism

My Statement:
If you are a sufferer from rheumatism I know that this will be of much interest. I know if you have a relative, or friend, suffering the terrible tortures of this many-headed monster—rheumatism—that it will be equally interesting.

You would give almost any price to be relieved.

There are many so-called "cures" advertised—read what most of them require: Take three or four times a day, internally, some remedy made up with strong drugs, which I would call "dope."

Read what these "cures" claim is the cause of rheumatism—uric acid, kidney trouble, liver complaint, indigestion, etc.

No one knows what uric acid is—ask your family physician. While you are talking to him, ask about these "cures" at the same time. You have a lot of faith in his opinion.

Rheumatism is a serious disease—with more serious conditions following if not checked in time. It often doubles one up, brings on all sorts of misery, makes life almost unbearable.

Nine cases out of ten require no internal treatment at all.

Do not fill your system with these "cures" until you have tried

Noah's Liniment

You may be one of the nine that can be helped by it—Noah's Liniment is an external treatment.

You would, if a sufferer, give \$5.00 as quickly as \$1.00 for something that would help you. All I ask you to do is to try one large size bottle of Noah's Liniment. If it does not benefit you your dealer is authorized to give back your money.

Where there is not any swelling or fever Noah's Liniment will no doubt help you. Requires very little rubbing, penetrates and does not evaporate like most external remedies.

If you have read thus far you will be more interested to continue. I have personally investigated many of the testimonials for Noah's Liniment.

Not long ago I went to Charleston, S. C., to look into a remarkable case. This man, Mr. John P. Daly, was unable to raise his right arm for more than ten years until he had used Noah's Liniment. Mr. Daly is 68 years old, and is well and favorably known in Charleston. He has resided there most of his life and was a veteran in the civil war. Mr. Daly told me his sister requested a sample by mail; then he states he purchased a 25c size bottle, and then a \$1.00 bottle, and a little more than the latter made a perfect cure.

Louis Martin
Noah Remedy Company

Mr. Daly's Statement

"I suffered with rheumatism in my right arm and shoulder, complicated with a partial paralysis of the nerves. I tried numerous preparations with only partial relief, suffering intense pain all the time, loss of appetite, insomnia and was reduced to a mere skeleton. Fortunately I learned of Noah's Liniment and began its use. Although I could not raise my arm, after using a little more than a large size bottle I feel that I am completely cured and my old self again. Cannot too strongly recommend Noah's Liniment."—John P. Daly, Charleston, S. C.

From a Prominent Business Man of Alexandria, Va.

"I have been using Noah's Liniment in a very bad case of rheumatism, and have found it very beneficial in removing the pain, and believe it to be a valuable remedy. I recommend it to all sufferers in that line."—J. Matthews.

Cured of Sciatic Rheumatism

"Every winter for the past few years I have been troubled with sciatic rheumatism, and had used nearly every liniment and remedy known. I used one bottle of Noah's Liniment, and haven't been troubled with pain since."—J. E. Emerson, Prop. Globe Stamp Works, Boston, Mass.

Cured of Bone Rheumatism

"I had been suffering with bone rheumatism for about three years. I have been using Noah's Liniment, and will say that it cured me completely. Can walk better than I have in two years. Noah's Liniment will do all you claim. I cannot recommend it high enough."—S. E. Cyres, Donald, S. C.

Noah's Liniment is the best remedy for Rheumatism, Sciatic, Lame Back, Stiff Joints and Muscles, Sore Throat, Colds, Strains, Sprains, Cuts, Bruises, Colic, Cramps, Neuralgia, Toothache, and all Nerve, Bone and Muscle Aches and Pains. The genuine has the Noah's Ark on every package and looks like this cut, but has RED band on front of package, and "Noah's Liniment" always in RED ink. Beware of imitations. 25c, 50c and \$1.00, and sold by all dealers in medicine. Guaranteed or money refunded by Noah Remedy Co., Inc., Richmond, Va.

final days will be exceedingly busy and earnest ones in the effort to secure the building. The regular soliciting committees will be reinforced in the work by hundreds of others, and no person in the community will escape the opportunity of subscribing to the fund. The women have now entered the campaign and will help swell the fund. Up to last evening there had been twenty-seven subscriptions of \$50 or over. More of like character are expected.

The Commonwealth entered a noli pro in the case of Archer Williams, charged with shooting Joe Evans, colored. This would have been Mr. Williams' third trial. BUSINESS ON THE MATTAPOON

Wharves and Warehouses Going Up at Yorktown Landings for Increased Business.
West Point, Va., November 30.—A directors' meeting of the Virginia Steamship Company was held here last Monday. Contracts were let for the rebuilding of a new wharf and large warehouse at Walkerton to take care of the increasing business of the line, and in anticipation of a larger business at that point. The contract has also been let for lumber to entirely rebuild and enlarge the wharf at Clifton Landing, S. H. Williams, in company with Contractor Walcott, who will have charge of the rebuilding of the wharves and warehouses, made a trip of inspection over the line, and plans will be drawn for rebuilding and enlarging the wharf and warehouse at Arletta.

The construction of new wharves and warehouses is in line with the progressive policy of the new company to afford its patrons enlarged shipping facilities, and this policy will be continuing.

W. D. Stuart, president; S. H. Wilkinson, vice-president; and R. C. Gedge, general manager, are three young men of the progressive type which do things in a community, and results are bound to follow their united efforts in developing the Mattapoon territory.

Tournament and Dance.

(Special to The Times-Dispatch.) Brems Bluff, Va., November 29.—Thanksgiving Day was celebrated in a merry and enjoyable manner in New Canton, the young men of the neighborhood having given up a tournament for the day. A slight snowfall the night before somewhat handicapped the riding and the attendance, but the event was held to the enjoyment of all.

The following knights participated in the event: Ernest Ayres, Knight of Fern Cliff; Dancy McCraw, Knight of Arcanum; James McCraw, Knight of Rough Rider; Afton White, Knight of Sleepy O.; Robert Huggins, Knight of Hawk Hawk; Frank LeSueur, Knight of Ore Bank; Berry LeSueur, Jr., Knight of Catch 'Em All; Howard Hanson, Knight of Pinnacle; and John Phillips, Knight of Gilliamsville. Ernest Ayres won first honors; James McCraw, second; and Dancy McCraw, third.

A delightful dance at the old McKenna residence, New Canton, followed, and was attended by quite a large crowd of young people from Buckingham and Fluvanna Counties, and their friends from a distance. The coronation took place at the dance. Miss Myrtle Anderson, of Dilwyn, being crowned Queen of Love and Beauty; Miss Lettie Morgan, first maid, and Miss Annie Vaughan, of Cumberland, second maid. V. M. I.

(Special to The Times-Dispatch.) Lexington, Va., November 30.—Mrs. Harkness, of New Jersey, and Mrs. Fendall, of Leesburg, have been the guests of their mother, Mrs. E. W. Nichols, during the past week. Thursday, being Thanksgiving Day, there was the usual suspension of academic and military duties on the post. Most of the cadets spent the day at Natural Bridge, or in hunting over the surrounding country. Parade was also suspended.

The fifth lecture on military subjects in the series arranged by Colonel J. C. Wise, commandant of the Institute, was delivered in the Jackson Memorial Hall Saturday evening by Captain Henry E. Eames, captain of the Tenth United States Infantry. His subject was "Fire Superiority." The lecture was attended in a body by the corps and by the members of the faculty. Captain Maddux, of the medical corps, and Mrs. Maddux, who have been the guests of Colonel and Mrs. Eglin on the Hill, have returned to Charlottesville. Battalion drill has been suspended until spring, and the companies, under command of the first sergeants, are being taught Butts' Manual. Colonel Wise, the commandant, during the drill hour, is lecturing to the first class on "Artillery," his talks, which are of an informal nature, being illustrated with lantern slides. The Thanksgiving dances, given under the direction of the Cotillion Club of the Institute, were held in the gymnasium Friday and Saturday evenings. Friday evening a light buffet lunch was served. The chaperons were Messdames Nichols, Mallory, Ford, Pendleton, Withers, Carrington, Cross, Wise, Eglin, Corse, Walker, Patton, Brumage, Kerlin, and the Misses White, New and Gibbs.
