BACK TO STOCKINGS. AMERICAN PROSPERITY. HOW MUCH FOR FARMERS? WITHOUT HOPE.

Manufacturers of silk and other stockings hope that advertising will enable them to drive out the "bare leg" craze, now afflicting lovely women.

Moralizing appeals to modest refinement won't do. Bare legs must be banished, as the almost universal habit of chewing tobacco was banished by public opinion.

Make women realize that an imitation of a butcher shop is not artistic and they will go back to stockings.

Calvin Coolidge, tanned, smiling, beaming with health, is enthusiastic about American prosperity. He well may be.

Money is made rapidly here. Three years ago an investing company was formed with \$5,500,000. Now it issues \$24,000,000 in six per cent preferred stock, and shows profits of over \$40,000,000. Nevertheless DON'T GAMBLE.

That advice is probably useless. The public agrees with the distinguished Mr. B. Baer, who says: "If we can-

not get our faces on government money, the next best thing is to get your hands on it." Too many believe that gambling is the best way to get your hands on it.

Farmers are told that the value of this year's wheat crop has increased \$364,000,000 since June 1. How much of that the farmers will get, how much middle men, and especially wheat gamblers, will get nobody knows.

Farmers might hire an intelligent wheat speculator to sell their crops for future delivery when prices are high.

Present estimates show that the four big crops, wheat, corn, oats and rye, are worth \$3,545,000,000, an increase of more than a thousand million dollars in two months.

A savage outbreak of convicts in New York's Clinton Prison is easily explained.

Too many "life" and "long term" prisoners were herded together. Lacking hope and its courage, you have a bad situation. Goethe said: "Money lost, SOMETHING lost." "Honor lost, MUCH lost." "Courage lost, EVERYTHING lost, better you were never born."

High Priced Pitcher

Wallie Brush, 22, of the Tampa Club of the Southern League, who is reported to have been sold to the New York Giants for \$12,500, which is the record price for players from the Southern Loop.
